Memorandum Of Understanding.

Name of Institution.

Netleap IT Training and Solutions.

&

Late G N Sapkal College of Engineering

For

Skill Development, Global Certification Course Trainings, Placements, R&D Services and Related Services.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into Dec 2024 for Next 3 Years (Dec 2024 to Nov 2027) by and between

NetLeap It Training And Solutions, Address – 1, Floor No1 ,Avadhoot Adhar Apt.Gangapur Road ,Above Luthra Agencies , Nashik, Maharashtra 422005. Represented herein by its Mrs. Mrunali Dahale, (Herinafter referred as "FIRST PARTY").

And

Late G N Sapkal College of Engineering
Sapkal Knowledge Hub, Anjaneri, Trimbakeshwar Road,Nashik, Dist. Nashik, Maharashtra 422213.

(First Party and Second Party are hereinafter jointly referred to as „Parties" and individually as „Party")

First Party is a Higher Educational Institution named:

NetLeap IT Training and Solutions.

Promoted by **Mrunali Dahale,** Address – 1, Floor No1 ,Avadhoot Adhar Apt.Gangapur Road ,Above Luthra Agencies , Nashik, Maharashtra 422005.

We have vision to offer high quality training services to individuals and the corporate, in the field of "IT Infrastructure Management".

- We offer the industry's most highly respected Linux Training and Certification programs, covering core and advanced skills in administering Red Hat Enterprise Linux for commercially critical roles.

- NetLeap IT Training & Solutions is set up to provide quality, industry-oriented IT Training with future needs of IT Infrastructure.

- We provide extensive training in high end certification programs like Hardware / Networking, Cisco Technologies, Redhat Linux, Red Hat Openstack, Ansible, Virtualization ,AWS, Cloud Computing,Basic and Advance courses in Cyber law, Cyber Investigation, Cyber forensic & Ethical Hacking, etc.

- Our training courses are latest in demand and high-quality, we provide training in real-time with excellent practical environment.

A) First Party & Second Party believe that collaboration and co- operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

B) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.

C) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

D) The Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the related fields.

Late G N Sapkal College of Engineering

the Second Party is promoted by Dr.S B Bagal Principal
(Late G N Sapkal College of Engineering)
background of the Company.

E) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1
Co-Operation

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the **Institutions** and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Floor, Avdoot Aadhar Apt. Opp. Vihar Misal, Luthara Agency, Nr. Old Gangapur Naka Road, Gangapur Road, Nashik-422006. 9307338125 / 9273735055 / 8329349481
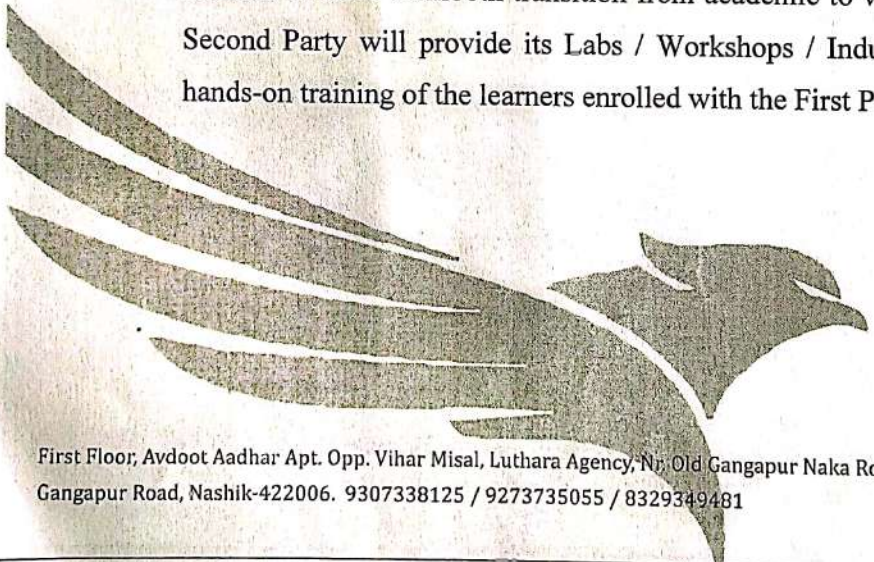

netleapsolutions@gmail.com
nits@netleapsolutions.com
www.netleapsolutions.com

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the „Definitive Documents") as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subjectmatter hereof.

CLAUSE 2
<u>SCOPE OF THE MoU</u>

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge

2.2 Curriculum Design: First Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 Institutional Training & Visits: Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Institutional Training Programs for the First Party. The institutional training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 Research and development: Both Parties have agreed to carry out the joint research activities in the Particular fields

2.5 Skill Development Programs: First Party to train the students of Second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.6 Guest Lectures: First Party to extend the necessary support to deliver guest lectures to the students of the Second Party on the technology trends and in house requirements.

2.7 Faculty Development Programs: First Party to train the Faculties of Second Party for imparting training as per the industrial requirement.

2.8 Placement of Trained Students: First Party will actively engage to help the delivery of the training and placement of students of the Second Party into internships/jobs, and will facilitate placements for the students. The First Party will itself absorb the trained students

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the **NetLeap IT Training and Solutions**, the second Party to take up any programed mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3

INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4

VALIDITY

4.1 This Agreement will be valid until it is expressly terminated byeither Party on mutually agreed terms, during which period
Late G N Sapkal College of Engineering

the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **NETLEAP IT TRAINING AND SOLUTIONS**, the First

Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days" notice in writing. In the event of Termination, both parties have to discharge their obligations.

<div align="center">

CLAUSE 5
Relation Between Parties

</div>

- It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOUto make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Activity Report

| Particulars	Description
Department	Computer Engineering
Activity	Industrial Visit
Activity level	Department Level
Title	Industrial Visit
Organized by	Department of Computer Engineering in association with IQAC of Late G. N. Sapkal College of Engineering, Anjaneri,
Venue	Netleap IT Training & Solutions, Floor No.1, Avadhoot Adhar Apartment, Gangapur Rd, above Luthra Agencies, opp. Vihar Misal, Nashik- 422005
Date	11/04/2025
Time	11:00 A.M onwards
Objectives of the activity	• To Understanding Real-Time Training Environments. • To discuss industry trends, career opportunities, and skill requirements. • Exposure to Industry-Oriented IT Training Programs.
Outcomes of activity	• Participants gain real-time exposure to software development processes, bridging the gap between theory and practice.. • Participants become more aware of industry expectations, coding standards, and soft skills required for future employment. • Participants would better understanding of potential career paths in software – such as developer, tester, analyst, DevOps engineer, UI/UX designer, etc.
Targeted Participants	S.E. Computer Engineering students.
Total no. of Participants & % of students	58(91%)

Particulars	Description
Speaker / Resource Person	1. Name: Mrs.Mrunal A. Dhahale 2. Designation & Organization: Director, Netleap IT Training & Solutions, Nashik 3. Mobile No.: 8600149481
Content of the activity	Career Awareness , real-world software development process , importance of coding standards, career paths in the software industry and the skills needed to pursue them, Interactive Session and Q&A .
Relevance to POs	PO1 , PO5, PO8 ,PO9 ,PO10 , PO12.
Relevance to PSOs	PSO1, PSO3.
Methodology used	1. Presentation and comments. 2. Discussion.
Brief Description of the activity	Mrs.Mrunal A. Dhahale welcomed the all students & staff members of Late G. N. sapkal College of Engineering . Mam provided an in-depth understanding of the real-time IT training environment. She emphasized how NetLeap bridges the gap between academic learning and practical implementation through hands-on training programs. The team of NetLeap explored current industry trends, emerging career opportunities in software development, and the key skills required to thrive in roles such as developer, tester, analyst, DevOps engineer, and UI/UX designer. Mam also discussed the importance of understanding of coding standards, project workflows, and version control tools, as well as the significance of soft skills like communication, teamwork, and time management in a corporate setting. Students were introduced to NetLeap's approach to training, which includes live projects, simulation-based learning, and exposure to real-world tools like GitHub, Agile boards, and cloud platforms, providing a realistic view of industry expectations."

Subject: Request for Industrial Visit for Second-Year Engineering Students

Dear Sir/Madam,

I am Santoshchand R. Agrawal a faculty member in the Computer Engineering department at Late G. N. Sapkal College of Engineering, Anjaneri , Nashik As part of our ongoing academic collaboration under the MOU between our institution and NetLeap Technologies, we would like to request an industrial visit for our second-year engineering students. This visit is intended to enhance their practical understanding of the concepts they are studying and offer them firsthand exposure to the innovative work being carried out at NetLeap Technologies.

Given the existing MOU, we are confident that this visit will serve as a valuable learning experience for our students. We are keen to provide them with the opportunity to interact with your experts and witness the operational processes in your esteemed organization.

We would greatly appreciate it if you could provide us with a suitable date for the visit, and we are happy to accommodate any guidelines or requirements you may have. Please let us know if there are any additional formalities we need to complete in preparation for this visit.

Thank you for your continued support and cooperation under the MOU. We look forward to your positive response and to further strengthening our partnership.

Thank you for considering our request.

Sincerely,

Santoshchand R. Agrawal,
Assistant Professor,
Computer Engineering Department,
Late G. N. Sapkal College of Engineering, Nashik.

Dear Prof. Agrawal,

Thank you for reaching out to us with the request for an industrial visit for the second-year engineering students from Late G. N. Sapkal College of Engineering.

We are pleased to confirm that we can accommodate your request for an industrial visit. We value our ongoing academic collaboration under the MOU between our institution and NetLeap Technologies, and we are happy to support the practical learning experience of your students.

We look forward to hearing from you soon and to welcoming your students to NetLeap IT Training & Solutions.

Thanks,
NetLeap IT Training & Solutions

RESOURCE PERSON's FEEDBACK FORM

Date:11 / 04 / 2025 .

1. Name of the Host Department:

Comment Netleap IT Training & solutions.

2. Date and Duration of the program :

Comment 11 | 04 | 2025.   Duration: 3 hrs.

3. Name and Address of the Resource Person (With e-mail address &Mob. No.):

Comment Name: Mrs. Mrunal Dahale.

Address. old Gangapur Naka, Gangapur Road, Nashik.

Email. netleap solutions @ gmail. con.

4. Date of Participation in the program :

Comment 11 | 04 | 2025.

5. Comments about the Infrastructural capacity of the organizing Institute/Department :

Comment

6. Comments on the boarding and lodging facilities made available :

Comment No.

7. Resource Person views on the program :

Comment It was a pleasure to see their interest in exploring new concepts & technologies.

8. Comments about the interaction with the participating students :

Comment They were attentive, eager to learn, & participated actively in the discussion.

9. Suggestions to further improvement in the program :

Comment Including more hands-on activities or live demonstrations would help students gain practical insights.

10. Overall impact of the program :

Comment The overall impact of Program was highly Positive.
