AND

MEMORANDUM OF UNDERSTANDING

The MOU is between **Ideal Tech Info**, headquartered at 5, Abhiruchi, Vise Mala, Near Patil Plaza, College Road, Nashik, Maharashtra, India, and **LATE G. N. SAPKAL COLLEGE OF ENGINEERING, Computer Engineering Department, Trambak Road, Anjaneri Nashik.**

The above stated collaboration has a 5 year goal of grooming the students of the college to match global standards in terms of technological research, innovation, patents formulation, entrepreneurship and job opportunities. Together we aim to motivate and groom our students to drive our mission.

OBJECTIVES OF THE MOU:

1. Bridge the gap between industry and academics by training students in industrial approach and technologies.
2. Train and motivate students to learn to ideate and implement their own ideas that solve social and industrial problems.
3. Bringing holistic thinking in students. (Not just "how to make", but "what to make, why is it better than existing alternatives").
4. Train students in entrepreneurship through college EDC and Ideal Tech Info's Incubation Center. We aim to do initial mentorship and funding the best teams and ideas.
5. Enable students to participate and bag laurels at National and International level Conferences/Seminars/Contests.
6. Increase employability by developing technical, attitudinal and soft skills in the students.
7. Recruiting best technical students from the college (not based on academic criteria).
8. Conducting workshops in the latest technologies by industry experts.
9. Encourage cross-functional learning by facilitating multi-disciplinary projects.
10. Establish connect with every student in the college and have a constant conversation with them to motivate them to become best engineers possible.

We plan to interact with students through weekly emailers, videos, articles, online forums, etc.

11. Forming international communities of engineering students based on their subjects of interest.
12. Top students to be given a chance to visit and get mentored by premier institutes like IIT-Bombay.
13. Technical Guidance for Lab Developments & Setups.
14. Facilitate joint-research using company's and college premises.
15. Provide research projects to teaching faculties to enhance quality of education.
16. Collaborating to make "Ideal Tech Info", the ambitious international technical festival a grand success.
