PROGRAM REPORT

Title of the Program: "Jan Akrosh Morcha" - A social awareness activity against drug- Trafficking and increased drug cases in Nashik.

Date(s): From 20/10/2023 to 20/10/2023

Duration: 01 day

Venue: Shalimar, Nashik.

Details of Participants: 50

Name of the Contact Person: Mr. Uttam Khandbahale, Co-ordinator, 99230062513.

Introduction:

KCT's Late G. N. Sapkal College of Engineering actively participated in an anti-drug campaign organized by Shivsena (UBT) in Nashik. This campaign aimed to raise awareness about the increasing drug rackets in the city and to urge the government to take immediate action to eliminate them. The event saw participation from various segments of society, including students, social workers, politicians, and common citizens of Nashik.

Planning and Preparation

The college administration, in collaboration with Shivsena (UBT) organizers, meticulously planned the participation of the students and volunteers. Information about the campaign was disseminated through college notice boards and direct communications to ensure maximum participation. Volunteers were briefed about the objectives of the campaign and the importance of spreading awareness about the drug menace.

On the day of the campaign, a total of 50 students and volunteers from KCT's Late G. N. Sapkal College of Engineering gathered along with participants from other institutes and social organizations. The event began with an assembly where key speakers, including local politicians and social workers, addressed the crowd. They highlighted the alarming rise in drug-related activities in Nashik and the detrimental effects these have on the youth and society at large.

Following the assembly, a rally was organized to march through the main streets of Nashik. Participants carried banners and placards with anti-drug messages, chanted slogans, and distributed pamphlets to bystanders. The rally aimed to create a visible and vocal opposition to drug rackets and to mobilize public opinion against drug abuse. The presence of politicians and social workers lent weight to the campaign, attracting media coverage and public attention.

Participation

The participation from KCT's Late G. N. Sapkal College of Engineering was enthusiastic and impactful. The 50 students and volunteers, along with other participants, displayed a strong sense of commitment to the cause. Their active involvement underscored the importance of community engagement in addressing social issues. The collaborative effort of students, faculty, and the broader community highlighted the collective resolve to combat drug abuse.

Impact and Significance

The anti-drug campaign successfully raised awareness about the growing drug problem in Nashik. The large turnout and the involvement of diverse groups, including students, social workers, politicians, and common citizens, amplified the message and exerted pressure on authorities to take action. The campaign also educated the public about the signs of drug abuse and the importance of early intervention.

The participation of KCT's Late G. N. Sapkal College of Engineering in this campaign demonstrated the institution's commitment to social responsibility and community welfare. By engaging in such activities, the college not only contributes to societal well-being but also instills a sense of civic duty and social awareness among its students.

Conclusion

The anti-drug campaign organized by Shivsena (UBT) in Nashik was a significant event aimed at combating the drug menace in the city. The participation of KCT's Late G. N. Sapkal College of Engineering, with 50 students and volunteers, played a crucial role in the success of the campaign. The event effectively raised awareness, mobilized public opinion, and called for urgent action against drug rackets. This initiative reflects the power of collective action and the importance of community involvement in addressing critical social issues.
