(Hereinafter referred to as the "First Party")

AND

**Late G N Sapkal College of Engineering,
Department of Computer Engineering**

Kalyani Hills, Anjaneri, Trimbakeshwar Road,
Nashik, Maharashtra - 422213

(Hereinafter referred to as the "Second Party")

The First Party and Second Party shall hereinafter collectively be referred to as "the Parties".

PREAMBLE

This MOU is established with the objective of fostering academic-industry interaction to bridge the gap between theoretical knowledge and practical industry requirements.

TechnoKraft Training & Solution Pvt. Ltd., established in June 2014, specializes in career-oriented IT training, corporate programs, workshops, internships, and placement assistance.

Late G N Sapkal College of Engineering, Department of Computer Engineering aims to provide quality technical education and develop industry-ready professionals through innovative teaching-learning processes.

Both Parties agree to collaborate for mutual benefit and for enhancing students' employability, technical expertise, and industry exposure.

OBJECTIVES OF THE MOU

1. To enhance students' technical competencies aligned with current industry standards.
2. To provide practical exposure through training, workshops, internships, and live projects.
3. To promote knowledge exchange between academic faculty and industry professionals.
4. To strengthen industry-institute interaction for research, innovation, and skill development.

AREAS OF COLLABORATION

5. Analytics & Solutions: Joint participation in analyzing technical challenges and implementing innovative solutions.
6. Staff Training & Faculty Development: Conducting FDPs, certification programs, and training sessions on emerging technologies.
7. Student Internships: Providing internships, project guidance, and on-the-job training opportunities.
8. Industrial Visits: Organizing visits for students and faculty to gain practical exposure.
9. Workshops / Seminars / Boot Camps: Jointly organized technical events and guest lectures.
10. Curriculum Enhancement: Providing industry inputs for curriculum updates.
11. Live Projects: Assigning real-time projects for practical learning.
12. Placement Assistance: Career guidance, interview preparation, and recruitment support subject to eligibility.

ROLES & RESPONSIBILITIES

- Responsibilities of the First Party:
 - Provide expert trainers and industry professionals.
 - Offer internship and project opportunities subject to availability.
 - Conduct workshops and certification programs.
 - Share industry insights and technological advancements.
- Responsibilities of the Second Party:
 - Nominate eligible students and faculty for programs.
 - Provide necessary infrastructure when programs are conducted at college premises.
 - Coordinate scheduling and communication between students and the First Party.

FINANCIAL TERMS

Financial arrangements for specific programs shall be mutually discussed and agreed upon in writing prior to execution.

CONFIDENTIALITY

Both Parties agree to maintain confidentiality of proprietary information and sensitive data shared during collaboration.

INTELLECTUAL PROPERTY RIGHTS

Any intellectual property developed jointly shall be governed by mutually agreed terms documented separately in writing.

NON-EXCLUSIVITY

This MOU is non-exclusive and both Parties are free to enter into similar agreements with other organizations.

VALIDITY

This MOU shall remain valid for a period of Three (3) Years from the date of signing and may be renewed upon mutual consent.

TERMINATION

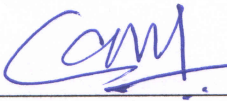

Either Party may terminate this MOU by giving one month's written notice. Ongoing activities shall be completed as mutually agreed.

DISPUTE RESOLUTION

Any dispute arising out of this MOU shall be resolved amicably through mutual discussion. In case of unresolved disputes, jurisdiction shall be Nashik, Maharashtra.
