The Expert Lecture on "Entrepreneurship and Innovation: Drivers of Sustainable Development" was formally inaugurated with a welcome address by the event coordinator, followed by an introduction to the theme of the seminar. The program began with a lighting of the lamp ceremony, symbolizing the enlightenment of knowledge.

Brief Description of the activity

The head of the department Prof. (Dr.) T. Y. Badgujar delivered the opening remarks, emphasizing the importance of fostering an entrepreneurial spirit among students and aligning innovation with sustainability goals. The keynote speaker, a distinguished entrepreneur/academic expert, was introduced and invited to share insights on sustainable innovation trends and opportunities for youth in the startup ecosystem.

The session set a collaborative tone, encouraging student engagement through questions, discussions, and interactive dialogue.

Subject: - Appreciation for the conduction of the expert lecture on "Entrepreneurship and Innovation: Drivers of Sustainable Development"

Respected Madam,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With this reference Department of Mechanical Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted the expert lecture on "Entrepreneurship and Innovation: Drivers of Sustainable

Development"

On behalf of our institute we take this opportunity to express our appreciation to you for the expert lecture it was extremely informative, and participation illustrated the importance of this topic to our students & faculty members. We would like to thank about your personally taking time to provide us with the full of information.
