NerdTech Softwares LLC. With the right push, we maintain it. With the wrong push, we may lose it. And we believe that good results come from right actions and right actions come from the right push. Always. If you want to push your business to the next level, give us a push. Or, if you're a creative champ, join us to push us forward. HerdHelp is a piece of software that would track any animals that we might bring to our farm, whether it be cattle, sheep, goats, rabbits, pigs, or horses. The app was created to work on Android or Iphone cellular devices as well as on your laptop. At Homeatz, we blend innovation with tradition to revolutionize the way you experience home-cooked meals. Our passion lies in creating culinary solutions that bring the essence of homemade goodness right to your kitchen. Founded on the belief that nothing can replace the warmth and flavor of ghar ka khana, Homeatz is committed to crafting cutting-edge food technology that simplifies cooking without compromising on taste or nutrition. From smart kitchen appliances to intuitive cooking aids, each Homeatz product is designed to empower you to create delicious dishes with ease and efficiency. Our tagline, "Swad se bhara, pyaar se bana, ghar ka khana, ghar mai hi!" encapsulates our dedication to delivering authentic flavors, made with love, right in the comfort of your home.

Collaboration as the fundamental, NERDTECH Softwares LLC. is engaged in -

We keep working. We keep falling in love with what we have been doing. We keep enjoying the process. During this process, we keep adding new skills, we keep evolving and we keep taking risks. Sometimes, we get stuck. Sometimes, we move ahead. And sometimes, we feel that 'Astitva' is helping us. All through these years, we have learnt so many things and unlearnt some too. This is our story. And honestly, we are enjoying it to the fullest.
