Ref: KCT's/LGNSCOE/AIDS/2024-2025/January/0007A

Notice

Date-22/01/2025

All the staffs of Artificial Intelligence and Data Science Engineering are hereby informed that Department of AI & DS has organized a one-day workshop on “AI Tools for Faculties” under Artificial Intelligence & Data Science Students Association (ADSA) in association with IQAC on **27 January 2025**.

Details information of the program is as follows-

Resource Person:- Prof. Shoyeb K. Pathan, SITRC, Nashik

Time:- 11 A.M. onwards

Venue: - IOT Lab

Prof. M. N. Jadhav

Program Coordinator

Prof. Dr. V. A. Kolhe

IQAC Coordinator

Prof. S. R. Baji

Head of Department

Prof. Dr. S. B. Bagal

Principal

Date: 20/01/2025

To,
Prof. Shoyeb Pathan,
SITRC, Nashik.

Subject: Invitation as Resource Person for a one-day workshop on "AI Tools for Faculties"

Respected Sir,

The Department of Artificial Intelligence and Data Science has organized a one-day workshop under the student's association, **ADSA** in association with IQAC.

It gives me immense pleasure to invite you as a Resource Person to conduct a one-day workshop on "**AI Tools for Faculties**" for our Artificial Intelligence and Data Science Staffs. The proposed date for this is "27/01/2025" from 11 am onwards. We believe that your experience and expertise would help our staffs to gain valuable knowledge.

Kindly communicate your acceptance which will enable us to organize the smooth conduction of the expert talk.

Thanks, and regards.

Prof. S. R. Baji,
Head of Department, AI&DS

Activity Report

Particulars	Description
Department	Artificial Intelligence and Data Science
Activity	One day workshop
Activity level	Department
Title	One day workshop "AI Tools for Faculties"
Organized by	Department of Artificial Intelligence & Data Science in association with IQAC
Venue	AI & DS- IOT Laboratory
Date	27/01/2025
Time	11 a.m. onwards
Objectives of the activity	1. To emphasize the role of AI tools in teaching 2. Understand the peculiar areas in teaching for using AI tools
Outcomes of activity	1. Staff became aware of the new AI tools versus classical tools 2. Staffs got brief idea about various AI tools and its utility
Targeted Participants	AI & DS department faculty members
Total no. of Participants & % of faculties	3 75%
Speaker / Resource Person	Name: Mr. Shoyeb K. Pathan Designation & Organization: - Asst. Professor, SITRC, Nashik Mobile No.: 8149545380
Content of the activity	Discussion about various upcoming changes in teaching methodologies in view of AI tools
Relevance to POs	PO5, PO8, PO12
Relevance to PSOs	PSO3
Methodology used	Power point presentation. Discussion

Brief
Description of
the activity

A one-day workshop on "AI Tools for Faculties" by Mr. Shoyeb K. Pathan was organized on 27/01/2025 by Department of AI&DS in association with IQAC students. Mr. Shoyeb K. Pathan is the Asst. Professor at SITRC, Nashik.

Artificial Intelligence (AI) is transforming education by equipping faculties with powerful tools to improve teaching, research, and administration. From automating routine tasks to enhancing student engagement, AI offers innovative solutions across various academic functions.

Adaptive learning platforms analyze student performance, adapting lessons to individual needs. AI-driven grading tools save time by assessing assignments and exams with accuracy. Virtual teaching assistants help answer student queries, allowing educators to focus on deeper instruction.

Lecture Enhancement: AI-driven presentation assistants provide insights and improve content delivery. Research Assistance: AI helps professors sift through vast amounts of literature efficiently. Content Generation; AI assists in creating study materials, quizzes, and presentations. Tools like Canva AI & Adobe Firefly assists in designing engaging educational visuals. Grammarly & Quillbot enhances writing quality by correcting grammar and refining content. Plagiarism Detection; AI-powered tools ensure academic integrity by identifying copied content.

These are some example tools discussed in the workshop. Faculties must ensure AI integration aligns with ethical and academic standards.

Appreciation Letter

To,

Prof. Shoyeb Pathan,

SITRC, Nashik

Subject: Appreciation for the conduction as Resource Person of a one-day workshop on "AI Tools for Faculties".

Respected Sir,

Late G. N. Sapkal College of Engineering provides wide range of UG & PG courses. It aims of conducting high standards of education in the field of engineering. With this reference department of AI & DS Engineering of Late G. N. Sapkal College of Engineering, Nashik, conducted one-day workshop on "AI Tools for Faculties".

On behalf of our institute, we take this opportunity to express our appreciation to you for the conduction of expert talk. It was extremely informative and participation illustrated the importance of this topic to our faculty members. We would like to thank about your personally taking time to provide us with your expertise in the subject and support.

With warm regards,

S.R. Baji

NOTICE
(Two Days Workshop)

The Department of Civil Engineering is pleased to announce a two-days workshop on "Structural Audit" specifically designed for our esteemed faculty members.

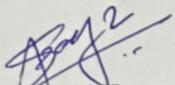

This workshop aims to enhance our understanding and practical knowledge of structural auditing, a crucial aspect of civil engineering. It will cover various facets of the process, including visual inspection, non-destructive testing methods, data analysis, and report preparation, with a focus on practical applications and case studies.

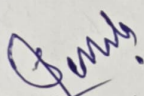

Date: April 04 & 05, 2025

Time: 10:00 AM to 05:00 PM

Venue: Nashik and Wada-Shahapur Road, Mohili Maharashtra.

We believe this workshop will be highly beneficial in enriching our teaching methodologies, research pursuits, and professional development in the field of structural engineering.

Activity Report

Particulars	Description
Department	Civil Engineering
Activity	Two-day Workshop
Activity level	College level
Title	Two-day workshop on Structural Audit
Organized by	Department of Civil Engineering in association with IQAC.
Venue	Wada – Shahapur Road, Mohili Maharashtra.
Date	April 04 & 05, 2025
Time	10:00 AM to 05:00 PM
Objectives of the activity	<ul style="list-style-type: none">● Preventing Structural Failures: This is the paramount objective. Identifying potential risks, structural deficiencies, material deterioration, or design flaws <i>before</i> they escalate into major problems or catastrophic collapses.● Safeguarding Occupants: Ensuring that the building is safe for its occupants, users, and the general public, preventing injuries or fatalities.● Risk Mitigation: Pinpointing critical areas that require immediate attention and providing recommendations to mitigate associated safety risks.
Outcomes of activity	<ul style="list-style-type: none">● Clear Identification of Structural Deficiencies and Their Severity: The audit precisely identifies and documents all existing structural defects, distress, and deterioration mechanisms (e.g., specific types and locations of cracks, extent of spalling, etc.)● Actionable Recommendations for Repairs and Rehabilitation: The audit provides concrete, practical, and specific solutions.● Enhanced Building Safety and Reduced Risk: By identifying and providing solutions for structural weaknesses, the audit directly leads to an improvement in the building's overall safety.

Targeted Participants	Faculty Members
Total no. of Participants & % of students	12 (90%)
Speaker	Er. Parth Bhavsar (Mob. No. 9766289698) Organisation: Sai Vatsal Consultancy, Nashik. Er. Shailesh Magar.
Content of the activity	Structural Audit.
Relevance to POs	PO1, PO6, PO7, PO9, PO10, PO12.
Relevance to PSOs	PSO1
Methodology used	Discussion and Practical
Brief Description of the activity	A Structural Audit is a systematic and professional examination of an existing building or structure to assess its overall health, integrity, and stability. This activity involves a combination of visual inspections, non-destructive testing (NDT), and sometimes destructive testing, along with a review of original structural drawings and maintenance records. The primary goal is to identify any signs of deterioration, damage, defects, or weaknesses in the structural components (like foundations, columns, beams, slabs, and walls).

Activity Report

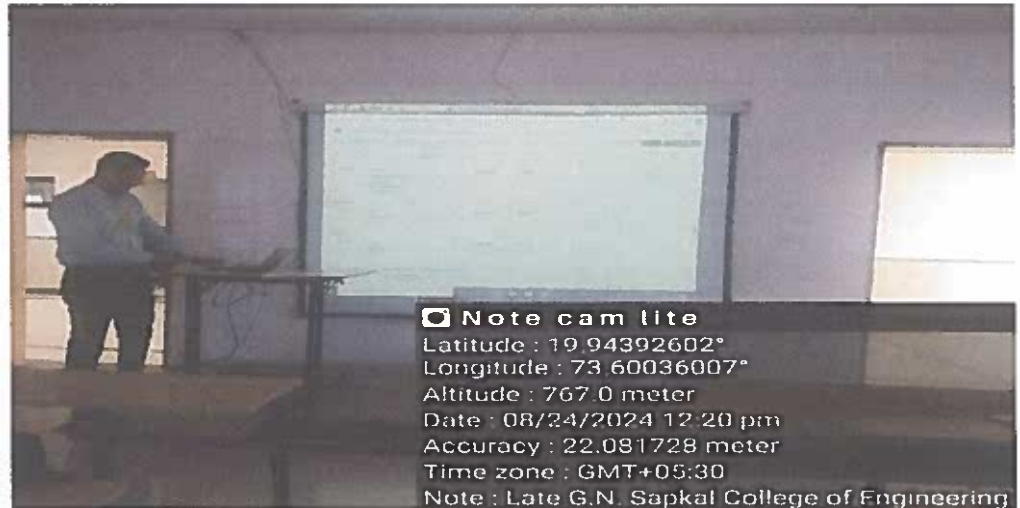

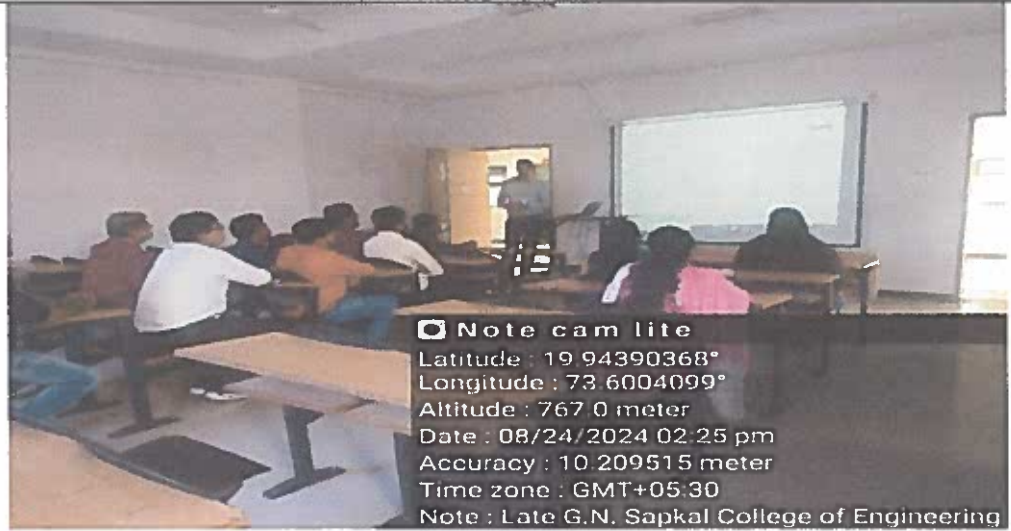

Particulars	Description
Department	Electronics and Telecommunication
Activity	One day workshop
Activity level	College
Title	One day workshop on "Python Programming"
Organized by	E&TC Department ASSET in association with IQAC.
Venue	Electronics and Telecommunication department (Basic Electronics lab)
Date	22-03-2025
Time	09:30 AM onwards
Objectives of the activity	<ul style="list-style-type: none"> To Introduce the Concept of Python Programming To Understand the Design Process To Explore Development Tools and Techniques To Showcase Real-Life Applications
Outcomes of activity	<ul style="list-style-type: none"> Gained knowledge of Python Syntax and Semantics Explored the deployment stages from hardware and software co-design. Familiarized with data science, web development, AI, automation, and more. and debugging tools Applied Python programming in academic, personal, or professional projects.
Targeted Participants	faculty members
Total no. of Participants & % of students	14 & 93%

Particulars	Description
Speaker / Resource Person	<p>Name: Dr.A.S.Paymode Designation & Organization: Solution Architect Wipro Limited. Mobile No.: 8329428741 E-mail- anandpaymode@gmail.com</p>
Content of the activity	<ul style="list-style-type: none"> • Setting up Python environment (Python/Anaconda/Colab) • Work with data types, control flow, and file I/O • Applying learned concepts to build a simple application • Create simple functional programs and troubleshoot errors • The workshop will likely include hands-on exercises and small projects to reinforce learning • Emphasizing good code formatting and naming conventions. • Understanding basic Git commands for collaboration and version
Relevance to POs	PO1 ,PO3,PO4,PO5,PO12
Relevance to PSOs	PSO2. PSO3
Methodology used	<ol style="list-style-type: none"> 1. Power point presentation. 2. Discussion
Brief Description of the activity	<p>The session commenced with introduction of the esteemed speaker by Prof Y.M.Borse. and warm welcome by our HOD, Prof.S.G.Bagul facilitated by our respected Principal Dr S.G.bagul by giving token of love with a plant. The expert began by explaining the fundamental concepts of Python programming focusing on their design, development, and practical applications.</p> <ul style="list-style-type: none"> • The session covers both theoretical understanding and hands-on experience with development tools. • Faculty members will learn how to design and implement a simple python program to perform a specific function, such as Calculate and display a student's grade based on average marks. • The activity emphasizes real-world applications, problem-solving skills, and teamwork, aiming to build a strong foundation for further exploration in AI system design and IoT technologies. • Common design issues and how to address them is recognized by the faculty members and they got the satisfactorily answers from speakers

Activity Report

Particulars	Description
Department	Mechanical Engineering
Activity	Administrative Training Programme for Teaching and Non-teaching staff
Activity level	College
Title	Training on Enterprise Resource Planning (ERP) System
Organized by	Mechanical Engineering
Venue	Online mode, Link to Join: https://meet.google.com/rzb-ojer-bes
Date	11/03/2025
Time	03:15pm
Objectives of the activity	<ol style="list-style-type: none"> 1. To revise the basics and significance of ERP in institutional operations. 2. To train faculty and staff on ERP modules such as attendance, academics, finance, and administration. 3. To promote digital practices and transparency in record-keeping and communication.
Outcomes of activity	<ol style="list-style-type: none"> 1. Participants gained clarity on various ERP modules and their practical use. 2. Enabled seamless workflow understanding among departments. 3. Improved awareness about data-driven decision making using ERP reports.
Targeted Participants	Teaching and Non-Teaching Staff
Total no. of Participants & % of students	24, Students not Applicable.
Speaker / Resource Person	<ol style="list-style-type: none"> 1. Name: Mr. Avinash Lohar 2. Designation & Organization: Team vmedulife Software 3. Mobile No.: 8065206686
Content of the activity	- Introduction to changes in ERP

Particulars	Description
	<ul style="list-style-type: none"> - Module-wise explanation (HR, Academics, Finance) - Demo on report generation - User access and troubleshooting
Relevance to POs	<p>PO7: Environment and sustainability – through paperless operations</p> <p>PO12: Life-long learning – continuous improvement in digital literacy</p>
Relevance to PSOs	<p>PSO1: Apply technological knowledge to enhance institutional functioning</p> <p>PSO2: Implement modern tools for effective management and documentation</p>
Methodology used	<ol style="list-style-type: none"> 1. - PowerPoint Presentation 2. - Live Demonstration 3. - Discussion and Q&A
Brief Description of the activity	<p>The online training on ERP was conducted for all teaching and non-teaching staff to familiarize them with the institutional ERP system. Mr. Avinash Lohar, an expert ERP consultant, explained the features of modules such as academics, HR, and finance. The session included a live demo on data entry, access management, and report generation. The training aimed to streamline institutional processes and promote efficiency. Participants interacted actively, and feedback reflected high satisfaction and better readiness to use the ERP system in daily tasks.</p>

Kalyani Hills, Anjaneri, Trimbakeshwar Road, Nashik – 422 213

Sr. No.	Name	Department
 <p>The image shows a WhatsApp chat interface for a group named 'wzc-ivsa-rkx'. The status bar at the top shows the time as 14:09, signal strength, Wi-Fi, and battery at 27%. The chat header includes a dropdown arrow, the group name, and tabs for 'People', 'Information', and 'Chat'. The 'People' tab is active, displaying a list of 13 contacts. Each contact entry includes a profile picture, the name, a status icon (a crossed-out speech bubble), and a three-dot menu icon. The contacts listed are: firoj pathan, Gaurav Sawant Prakash, Harshali Kasar, jagruti shinde, kavita, Parag Jadhav, PROF.DIPIKA PANKAJ MAH..., Rahul Chaudhari, sachin bagul, Santosh Agrawal, SEEMA TANPURE, Tushar Badgujar, and Yogita Borse. At the bottom of the list is a 'You' entry with a profile picture and a '+18' badge. The bottom of the screen shows a white home indicator bar.</p>
