

MEMORANDUM OF UNDERSTANDING BETWEEN

**Department of Artificial Intelligence and Data Science Engineering
Kalyani Charitable Trust's
Late G N Sapkal College of Engineering
Anjaneri, Nashik - 422213 (MS), India.**

&

**Cyber Sanskar,
Soham 13A, Niwas Park, Gangapur Road, Nashik 422013.**

This Memorandum of Understanding (MoU) is entered into as on 26.02.2026, by and between the Late G. N. Sapkal College of Engineering Nashik (MS), India and Cyber Sanskar, Nashik.

The Late G. N. Sapkal College of Engineering is established in the year 2009 under aegis of Kalyani Charitable Trust's, Mumbai with approval of AICTE and DTE, Government of Maharashtra. The Institute is affiliated to Savitribai Phule. The Late G. N. Sapkal College of Engineering is committed to serve common masses by disseminating engineering education.

Cyber Sanskar, founded in 2022 by Dr. Tanmay S. Dikshit, is a Nashik-based educational and consulting organization dedicated to enhancing digital security and cyber awareness in India. The organization provides comprehensive cybersecurity training and incident response services, having successfully trained over 10,000 students and supported more than 100 businesses in improving their security posture. Their curriculum covers diverse topics such as ethical hacking, digital forensics, and web development, often delivered through hands-on industrial internships and awareness campaigns in schools and colleges. Recognized by the Cyber Security Council of India, Cyber Sanskar also collaborates with various institutions to promote digital safety through its dedicated Cyber Magazine and specialized tools like the AI-based "Mukham" age identifier.

Collaboration as the fundamental, Cyber Sanskar is engaged in -

- **Industry-Academia Partnerships:** Cyber Sanskar signs Memorandums of Understanding (MoUs) with various educational institutions, such as Prathyusha Engineering College, to provide students with practical industry insights through guest lectures and workshops on ethical hacking.
- **Cyber Volunteer Ambassador Program:** In collaboration with CollCom, this program empowers youth by training them to act as "Cyber Volunteers" or "Ambassadors" who promote cyber hygiene

and distribute awareness training within their local communities.

- **Government & Law Enforcement Synergy:** The organization partners with law enforcement agencies and tech companies to ensure the information provided in its Cyber Magazine is credible and valuable for professional and public safety.
- **Capacity Building for Educators:** They lead large-scale collaborative training sessions for over 500+ teachers and educators, focusing on digital safety and the responsible use of technology in schools.
- **Industrial Internships:** Through partnerships with technical boards like MSBTE, Cyber Sanskar provides students with hands-on experience in web development and cybersecurity, directly involving them in real-world project management and incident response.

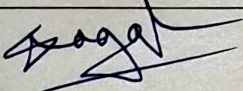

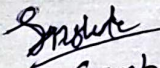

The partners have entered into this MoU because they:

- ✓ RECOGNIZE the mutual interest in the field of industrial training, development and dissemination of knowledge.
- ✓ RECOGNIZE the importance of Industry Institute interaction activity for engineering students.
- ✓ RECOGNIZE the importance of the Industry Partner within its field of expertise.
- ✓ To provide an opportunity to most eligible students for professional work experience through employment, if possible.

This MoU will enable the parties to:

- FOSTER technical education at undergraduate and post graduate level to make the students, industry ready.
- ✓ STRENGTHEN the theoretical knowledge in industrial practices. An exposure to industrial environment brings about attitudinal change in the students by inculcating managerial principles which cannot be effectively imparted through classroom or laboratory inputs.
- ✓ PROVIDE In-plant training to Late G. N. Sapkal College of Engineering students.
- ✓ PROVIDE Industry related project to Late G. N. Sapkal College of Engineering students and an opportunity to learn recent industry practices.
- ✓ ALLOW the Late G. N. Sapkal College of Engineering Students for industrial visits to enhance the subject related knowledge.
- ✓ EXPLORE any opportunity of campus placement for Late G. N. Sapkal College of Engineering students.
- ✓ This MOU is signed only in the interest of helping & guiding the Late G. N. Sapkal College of Engineering students in various development activities & Cyber Sanskar will not responsible for any other acts of the student of whatsoever kind.
- ✓ To provide an opportunity to most eligible students for professional work experience through employment, if possible.
- ✓ This MOU is valid for 5 Years.

The parties hereby agree to establish collaboration according to terms and conditions set out by Late G. N. Sapkal College of Engineering and Cyber Sanskar, Nashik.
