This Memorandum of Understanding (MoU) is entered into as on 17.03.2026, by and between the Late G. N. Sapkal College of Engineering, Nashik (MS), India and I-MEDITA Learning Solutions Pvt. Ltd., Pune.

The Late G. N. Sapkal College of Engineering is established in the year 2009 under the aegis of Kalyani Charitable Trust, Mumbai, with approval of AICTE and DTE, Government of Maharashtra. The Institute is affiliated to Savitribai Phule Pune University, Pune. The Late G. N. Sapkal College of Engineering is committed to serving society by disseminating quality engineering education and preparing students with strong technical knowledge and professional skills.

I-MEDITA Learning Solutions Pvt. Ltd., Pune, a Cisco Partner Company, was established with the vision of providing industry-oriented training, technology learning programs, and practical exposure to students and professionals in the field of IT Networking, Cyber Security, and Cloud Computing. The organization focuses on delivering hands-on training through real networking infrastructure including Cisco Routers, Switches, Firewalls, and Cloud-based applications. I-MEDITA aims to bridge the gap between academic education and industry requirements by offering practical learning experiences, industry expert sessions, certification guidance, and exposure to real-time networking technologies.

Recognizing the mutual benefits of academic-industry collaboration, Late G. N. Sapkal College of Engineering, Nashik and I-MEDITA Learning Solutions Pvt. Ltd., Pune agree to work together to promote technical skill development, industrial exposure, and career guidance for engineering students. This collaboration will facilitate industrial visits, training sessions, workshops, expert lectures, and hands-on learning opportunities that enhance the practical knowledge and employability of students in the fields of Networking, Cyber Security, and Cloud Computing.

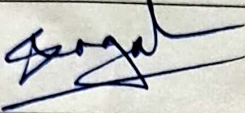

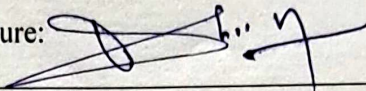

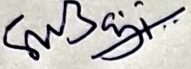

**The partners have entered into this MoU because they:**

- ✓ RECOGNIZE the mutual interest in the field of industrial training, skill development, and dissemination of technical knowledge.
- ✓ RECOGNIZE the importance of Industry–Institute interaction activities for engineering students.
- ✓ RECOGNIZE the importance of the Industry Partner (I-MEDITA Learning Solutions Pvt. Ltd., Pune) within its field of expertise in IT Networking, Cyber Security, and Cloud Computing training.
- ✓ To provide opportunities to eligible students for industrial exposure, internships, professional work experience, and employment opportunities, wherever possible.

**This MoU will enable the parties to:**

- ✓ FOSTER technical education at undergraduate and postgraduate level to make students industry-ready.
- ✓ STRENGTHEN the theoretical knowledge through industrial practices and practical exposure, enabling students to understand real-world industry environments and networking infrastructure which cannot be effectively imparted only through classroom or laboratory inputs.
- ✓ PROVIDE industrial visits, networking lab exposure, and technical training opportunities to the students of Late G. N. Sapkal College of Engineering.
- ✓ PROVIDE industry-related hands-on practical learning sessions on networking technologies including routers, switches, firewalls, and cloud-based applications to help students understand current industry practices.
- ✓ ALLOW the students of Late G. N. Sapkal College of Engineering to participate in industrial visits, workshops, expert sessions, and technical demonstrations to enhance subject-related knowledge.
- ✓ EXPLORE opportunities for internships, technical training programs, certification guidance, and career development programs for students of Late G. N. Sapkal College of Engineering.
- ✓ This MoU is signed only in the interest of helping and guiding the students of Late G. N. Sapkal College of Engineering in various professional and skill development activities, and I-MEDITA Learning Solutions Pvt. Ltd., Pune shall not be responsible for any acts of the students outside the agreed activities.
- ✓ To provide opportunities to eligible students for professional work experience and employment, wherever possible.
- ✓ This MoU shall remain valid for a period of five (05) years from the date of signing.

The parties hereby agree to establish a collaborative partnership in accordance with the terms and conditions set out by Late G. N. Sapkal College of Engineering, Nashik and I-MEDITA Learning Solutions Pvt. Ltd., Pune.
