MEMORANDUM OF UNDERSTANDING BETWEEN

Department of Artificial Intelligence and Data Science Engineering
Kalyani Charitable Trust's Late G. N. Sapkal College of Engineering
Anjaneri, Nashik - 422213 (MS), India.

&

Shalyam Navaniti

AT Nimgona Post Indora, Tah, Tirora, Nimgaon, Maharashtra 441911

This Memorandum of Understanding (MoU) is entered into as on 15-04-2026, by and between the Late G. N. Sapkal College of Engineering, Nashik (MS), India and **Shalyam | Shalyam Navaniti**.

The Late G. N. Sapkal College of Engineering is established in the year 2009 under the aegis of Kalyani Charitable Trust, Mumbai with approval of AICTE and DTE, Government of Maharashtra. The Institute is affiliated to Savitribai Phule Pune University. The Late G. N. Sapkal College of Engineering is committed to serving society by disseminating quality engineering education and developing industry-ready professionals.

Shalyam | Shalyam Navaniti is an innovative industry-oriented EdTech platform and practical training & consultancy organization focused on bridging the gap between academia and industry. The organization provides a centralized ecosystem for students, institutions, and industry experts to collaborate and exchange knowledge.

Shalyam Navaniti, the applied learning division, delivers industry-oriented training sessions, workshops, IT consultancy, and software development services. The organization emphasizes real-world learning through practical exposure in areas such as Artificial Intelligence, Machine Learning, Full-Stack Development, Cloud Computing, and Automation technologies. It is committed to empowering students with industry-relevant skills, hands-on experience, and career guidance aligned with current technology trends.

The partners have entered into this MoU because they:

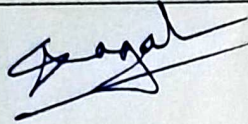

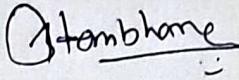

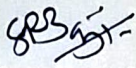

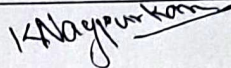

- ❖ RECOGNIZE the mutual interest in the field of industrial training, skill development, and knowledge dissemination.
- ❖ RECOGNIZE the importance of Industry-Institute interaction activities for engineering students.
- ❖ RECOGNIZE the importance of the Industry Partner in providing practical exposure and real-world insights.
- ❖ To provide opportunities to eligible students for professional development and career guidance, and employment wherever possible.

This MoU will enable the parties to:

- ❖ FOSTER technical education at undergraduate and postgraduate levels to make students industry-ready.
- ❖ STRENGTHEN theoretical knowledge through exposure to practical industrial applications and real-world problem-solving approaches.
- ❖ PROVIDE industry-oriented training sessions, workshops, and seminars to students.
- ❖ PROVIDE opportunities for students to work on industry-relevant projects and case studies.
- ❖ ALLOW students to participate in expert sessions, live demonstrations, and technical events conducted by the industry partner.
- ❖ FACILITATE career guidance, mentorship, and awareness about current industry trends in AI, ML, and software development.
- ❖ EXPLORE opportunities for internships, skill development programs, and campus placements for students.
- ❖ This MoU shall remain valid for a period of five (05) years from the date of signing.

This Memorandum of Understanding (MoU) is entered into with the sole objective of supporting and guiding the students of Late G. N. Sapkal College of Engineering in their academic and professional development. Shalyam Navaniti shall not be held responsible for any actions or conduct of the students beyond the scope and provisions of this agreement.

Furthermore, this MoU aims to provide eligible students with opportunities for gaining professional work experience through internships and, where feasible, employment opportunities, thereby enhancing their industry readiness and career prospects.
