MECHANICAL ENGINEERING DEPARTMENT
&
MECHANICAL ENGINEERING STUDENT ASSOCIATION (MESA)

PROGRAM REPORT

Title of the Program: One Day Program on "Birth anniversary of Dr. Sarvepalli Radhakrishnan (Teachers Day) and Birth anniversary of Sir Mokshagundam Visvesvaraya. (Engineer's Day)"

Date: 15/09/2022 **Duration:** 1 day.

Venue: Mechanical Engineering Department.

Details of Participants: Staff Members- 11 Students- 40

Name of the Speakers: Prof. T. Y. Badgujar.

Objective of Program:

India has been celebrating 5th September as 'Teacher's Day, since 1962 commemorating the birthday of **Dr. Sarvepalli Radhakrishnan**, a philosopher and a teacher par excellence, and his contribution towards Indian education system. Dr. Radhakrishnan believed that "teachers should be the best minds" in the country". On this day, we gratefully remember the great educationist, apart from honoring all the teachers that have made our life much more knowledgeable and fulfilled, as serving as our beacons of light. Then onwards, Dr. Radhakrishnan birthday is observed as Teacher's Day in India. It is impossible to imagine our lives without teachers. Teacher's Day is celebrated to show our acknowledgement and recognition of the hard work put in by our teachers towards development.

Every year, the country celebrates September 15 as National Engineer's Day as a tribute to the contributions of **Mokshagundam Visvesvaraya, the Bharat Ratna Awardee**. Sir Visvesvaraya was born on September 15, 1861 in a village called Muddenahalli in Karnataka. Visvesvaraya had studied Bachelor of Arts (BA) from the University of Madras and pursued civil engineering at College of Science in Pune. He later patented and installed an

irrigation system with water floodgates at the Khadakvasla reservoir near Pune to raise the food supply level and storage to the highest levels. He was an engineering pioneer of India whose genius reflected in harnessing of water resources and building and consolidation of dams across the country.

Summary of the Program:

This Program is organized on 15th September 2022 by MESA in association with Department and IQAC cell. Faculty members and Students of Mechanical Department were present for this program. All faculty members are felicitated and appreciated by MESA.

On this occasion, Head of department, Prof. T. Y. Badgajardiscussed and guides about importance of 'Teachers' Day' and 'Engineers Day' as the teachers and Engineers act as foundation for creating responsible citizens, good human beings and responsible Engineers. Some faculty members and Students also shared their views.

The Constitution of India, which came into effect on this day in 1950, guarantees certain fundamental rights to all its citizens and provides a framework for the government to function in a transparent and accountable manner along with, a testament to the values of democracy, justice, liberty, and equality that have guided our nation since its inception. It guarantees certain fundamental rights to all its citizens and provides a framework for the government to function in a transparent and accountable manner.

Summary of the Program:

Today, on 26th January 2023, Kalyani Charitable Trust celebrated 74th Republic Day. It was attended by many prominent Professors, Directors and Students from different Colleges of the Sapkal Knowledge Hub with great enthusiasm.

The celebration began with a brief introduction on Republic Day by Dr. Rajesh Kasar and by welcoming the guest of honor Honorable Chairman and Managing Director Dr. Ravindraji Sapkal, KCT's Sapkal Knowledge Hub.

The Chairman inspired to students about work to do to ensure that these values are upheld and that every citizen has access to education, healthcare, and a fair chance to succeed. It is our collective responsibility to build a better future for all and to create a more equitable and prosperous society. On this Republic Day, let us renew our commitment to building a strong and

NOTICE

All the staff members and students are here by informed that on the occasion of "World Cancer Day- 2023", Department of Mechanical Engineering jointly with Mechanical Students Association and IQAC cell conducted a quiz and creates awareness about cancer by videos created by Medanta and a short video on World cancer day theme 2023.

All are requested to participate in quiz using following link;
<https://forms.gle/NGCRvUkRwiRMtSkh8>

Video Link and information as below;

1. Close the Care Gap| World Cancer Day 2023- Medanta

Each country in the world faces the threat of cancer, one of the leading causes of premature death. With cancer comes mental trauma, both for the patient and their family. Ignoring symptoms, delaying diagnosis, and gaining access to the right treatment are some topics that, if addressed, can help close the care gap. This World Cancer Day, watch Dr. Deepak Sarin, Dr. Tejinder Kataria, Dr. Jyoti Wadhwa, and Dr. Karan Gupta in a conversation about head and neck cancer.

https://www.youtube.com/watch?v=FxqJY_8jdzo

2. What is the World Cancer Day theme?
<https://www.youtube.com/watch?v=0Zx2H5Fkd0k>

Quiz Duration: - 8th Feb to 11th Feb 2023.

PROGRAM REPORT

Title of the Program: "Quiz and creates awareness about cancer by videos created by Medanta and a short video on World cancer day theme 2023 on occasion of World Cancer Day 2023."

Date: From 08/02/2023 to 11/02/2023

Duration: 4 day

Venue: Online

Google Form Link: <https://forms.gle/NGCRvUkRwiRMtSkh8>

Details of Participants: 46

Program Objectives: Close the Care Gap: Uniting our voices and taking action

This World Cancer Day, we recognize the power of working together. We know that every single one of us has the ability to make a difference, large or small, and that together we can make real progress in reducing the global impact of cancer. This 4-11 February week, we call on you, whoever and wherever you are, to play your part in creating awareness for a cancer-free world using an online platform.

Summary of the Program:

Cancer is a condition in which some cells in the body develop uncontrollably and spread to other parts of the body. Globally, cancer is the leading cause of mortality, accounting for over one crore deaths in 2020. In India, the incidence rate was reported between 19 and 20 lacks (estimated) cases in 2022. Usage of Tobacco, prolonged consumption of alcohol, unhealthy food habits, lack of physical exercise, and exposure to air pollution are all risk factors for cancer.

In developing countries, too, the lack of cancer awareness leads to delay in diagnosis. The majority of cancer patients seek treatment for the first time only when they are in their advanced

CORPORATE OFFICE: Sapkal Knowledge Hub, "Parag" 46, Ashwin Sector, Opp. Hotel Sai Palace, Mumbai - Agra Highway, Nashik - 422 009. Ph.: +91 - 253 - 2392450 / 51, Fax : +91 - 253 - 2375557. Website : www.sapkalknowledgehub.org

MUMBAI OFFICE: Sapkal knowledge Hub, Unit No. 22, 1st Floor, Shubhada Tower Shopping Center, Sir Pochkanwala Road, Near R.T.O. Office, Worli, Mumbai-400 030. Tel.: +91-22 - 24938914 / 24938915, Fax : +91 - 22 - 24938919.

stages. The literacy rate and low income greatly influence cancer awareness. In India, people with higher incomes and literacy levels were more aware of cancer than others.

To conclude, general awareness of cancer screening, prevention, and treatment is low among the Indian and global populations, especially in low and middle-income with poor literacy rates leading to an increase in cancer prevalence, and there is an urgent need to fill the lacunae with proper education. World Cancer Day brings attention to how important it is to prevent cancer, find it early, and treat it.

To create the awareness about the head and neck cancer among staffs and students we use the online available videos of Dr. Deepak Sarin, Dr. Tejinder Kataria, Dr. Jyoti Wadhwa, and Dr. Karan Gupta in a conversation about head and neck cancer (https://www.youtube.com/watch?v=FxqJY_8jdzo) and what is the World Cancer Day theme? (<https://www.youtube.com/watch?v=0Zx2H5Fkd0k>). Also, to motivate the student and staff to gather more information about cancer, we have conducted a quiz related to cancer.

On this occasion, **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering jointly with Mechanical Students Association and IQAC cell conducted a Quiz and creates awareness about cancer**, among the Students and staff from 08/02/2023 to 11/02/2023.

We were grateful to head of department for Prof. T. Y. Badgujar. His facilities extended during this event and for his personal interest and inspiration.

We wish to express our profound thanks Prof. (Dr.) S. B. Bagal, Principal, Late G. N. Sapkal College of Engineering, Nashik for providing necessary facilities to make this event success.

Cancer Day...

Close the Care Gap| World Cancer Day 2023- Medanta

Each country in the world faces the threat of cancer, one of the leading causes of premature death. With cancer comes mental trauma, both for the patient and their family. Ignoring symptoms, delaying diagnosis, and gaining access to the right treatment are some topics that, if addressed, can help close the care gap. This World Cancer Day, watch Dr. Deepak Sarin, Dr. Tejinder Kataria, Dr. Jyoti Wadhwa, and Dr. Karan Gupta in a conversation about head and neck cancer.

4. The most common types of treatment for Cancer are... *

1 point

Mark only one oval.

- Chemotherapy
- Surgery
- Radiation Therapy
- All the above

5. Name the most common type of cancer that kills men in the world? *

1 point

Mark only one oval.

- Lung Cancer
- Prostate Cancer
- Liver Cancer
- Colon and Rectum Cancer

6. Name the most common cancer in the world, due to which women died? *

1 point

Mark only one oval.

- Breast Cancer
- Ovarian Cancer
- Rectal Cancer
- Vaginal Cancer

7. When was National Cancer Awareness Day first celebrated? *

1 point

Mark only one oval.

- 1995
- 1999
- 2000
- 2014

8. What are the top three cancer risks factors that can be modified? *

1 point

Mark only one oval.

- Tobacco use, excess body weight, alcohol intake
- Tobacco use, sun U/V exposure, alcohol use
- Tobacco use, cancer-causing pathogens, physical inactive
- Tobacco use, sun U/V exposure, excess body weight

9. Which branch of science deals with cancer? *

1 point

Mark only one oval.

- Cancology
- Oncology
- Epistemology
- Anthropology

10. What is theme for World Cancer day 2023? *

1 point

Mark only one oval.

- Need you
- Care
- Close The Care Gap
- Helping hand

11. Cancer is the second leading cause of death globally? *

1 point

Mark only one oval.

- True
- False

12. Which of the following is true? *

1 point

Mark only one oval.

- Some times Cancer is benign.
- All the tumors turn into Cancer
- Most Cancers are tumors.
- None of the Above

13. About how many types of cancer are there? *

1 point

Mark only one oval.

- There are roughly 50 types of cancer.
- There are more than 100 types of cancer.
- There are about 300 types of cancer.
- There are more than 1,000 types of cancer

PROGRAM REPORT

Title of the Program: "National Safety Day–Training on safety during fire."

Date: From 11/03/2023 to 11/03/2023

Duration: 1 day

Venue: Workshop, Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: 57

Program Objectives:

On 4th March of every year, India celebrates National Safety Day to promote safety, health, and well-being at work and in the communities around it. In addition to promoting safety, it also demonstrates the importance of creating a culture of safety that protects individuals and organizations alike, and taking proactive measures to prevent fire, accidents and injuries.

Summary of the Program:

The National Safety Day (NSD) is celebrated every year on the 4th of March for the week to commemorate the foundation of the National Safety Council (NSC) of India.

It is a day dedicated to promoting safety awareness and reducing the number of accidents that occur in the workplace and other areas of daily life. The day is observed by organizations and institutions across the country, with the aim of raising awareness about the importance of safety and encouraging people to take steps to prevent accidents. The day encourages the participation of different sectors at different levels.

This year, the theme of National Safety Day is 'Our Aim- No harm'.

One of the key objectives of National Safety Day is to promote a safety culture. A safety culture is a set of shared attitudes, values, and beliefs that prioritize safety above all else. When a safety culture is established, it becomes second nature for individuals to take precautions and make safety a top priority. This, in turn, can help to reduce the number of accidents due to fire that occur.

On this occasion, **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering jointly with Mechanical Students Association and IQAC cell conducted a**

training session on safety during fire among the Students and staff on 11th March 2023. In this Mr. Ganesh Andure, Nilesh Enterprise, Nashik Cultivating safety measures during fire with precautions and training on how to use fire extinguisher. Overall, the session was a great success.

FEEDBACK FORM – PARTICIPANTS

We would appreciate if you could take a few minute to share your opinion with us.

Name of the Department: mechanical dept

Topic: safety during fire

Name of the Speaker: Mr. Ganesh Andure

Date: 11-03-2023 Time: 11.13 Am

Sr.	Performance Attributes	Rating										
		1	2	3	4	5	6	7	8	9	10	
1.	Was the objective of the training session specified properly to you?									✓		1-Objective not specified; 10 – Properly Specified
2.	Was the Expert properly introduced to the audience?							✓				1 – Not at all; 10 – Properly Introduced
3.	Was the Expert interactive in his delivery?									✓		1 – Not Interactive; 5 – Interactive; 10 – Very Interesting
4.	Rate the language of the expert.								✓			1 – Simple Language; 10 – Difficult to Understand
5.	Whether sufficient time was available for completion of the talk?							✓				1 – Insufficient time available; 10 – Sufficient time available
6.	Whether sufficient time was available for question & answer session?									✓		1 – Insufficient time available; 10 – Sufficient time available
7.	Did the talk improve your knowledge / awareness about the topic discussed?								✓			1 – Nil; 5 – Moderate; 10 – Greatly improved knowledge
8.	Rate the relevance of the program to your 'Personal / Professional interest'.							✓				1 – Irrelevant; 5 – Moderately Relevant; 10 – Very Relevant
9.	Would you like to attend such program again in future?									✓		1 – Nil; 5 – Moderate; 10 – Always
10.	Would you recommend your friend to attend such program?								✓			1 – No; 5 – Not Sure; 10 – Yes

NOTICE

Dear Students,

We are delighted to announce the upcoming National-Level Technical Symposium, "SKH's **TECHNOFEST 2023**," which promises to be an exciting and enriching experience for all participants. This symposium is scheduled to take place on May 13, 2023, and we extend a warm invitation to all students to be a part of this prestigious event.

We believe that this symposium is an excellent opportunity for students to expand their horizons, connect with experts, and gain valuable insights into the rapidly evolving world of technology.

To register for SKH's TECHNOFEST 2023 or to learn more about the event, please visit www.sapkalknowledgehub.org or contact our organizing committee at

gns_engineering@sapkalknowledgehub.org or mobile no. 9423696542.

Join us in making SKH's TECHNOFEST 2023 a grand success and a memorable experience. Your participation and enthusiasm will contribute to the success of this event.

We look forward to your presence and active involvement in SKH's TECHNOFEST 2023.

Sincerely,

Prof. (Dr.) T. Y. Badgujar

Department of Mechanical Engineering

Title- Technofest 2023

Academic Year: 2022-23	Sem: II
Targeted Audience: Students from different Engineering and Polytechnic Colleges.(Diploma, UG)	Duration: 01 day
Organizing Body: MESA	Venue: Mechanical Department

Event I

A. Event Name: Project Competition

B. Objectives:

- To give aspiring engineers a creative platform on which to showcase their technical expertise and ideas
- To anticipate projects involving the novel concepts and technological advancements
- To learn from peers to improve interpersonal and teamwork skills

C. The Context:

For any aspirant engineer, theoretical studies are insufficient. Student exposure to the fundamentals is provided by curriculum-based experiments and practicals. It will take more work to educate students about the newest technologies in accordance with business needs through various technical events. The goal of the Technofest-Project Competition is to prepare the students for success in the workplace while boosting their self-assurance in managing their workload and public speaking abilities.

KALYANI CHARITABLE TRUST'S
LATE G. N. SAPKAL COLLEGE OF ENGINEERING

Kalyani Hills, Anjaneri-Vadholi, Trimbakeshwar Road, Dist: Nashik - 422 212 (India)
Tel: +91 - 2594 - 220168/71, Fax: +91 - 2594 - 220174
Website: www.sapkalknowledgehub.org, E-mail: gns_engineering@sapkalknowledgehub.com

D. The Practice:

Students are encouraged to participate in their projects and are given instructions to emphasise technological innovation, inventiveness, and areas of work dealing with social issues. In the selection process, projects involving social transformation, research, and documentation received precedence.

The event is organized with following rules and regulations

- A maximum of 04 members are allowed in each participating team.
- Registration fee: 50/- per team
- Multiple teams from the same college can participate in the competition.
- The decision of the judges will be final and abiding. Arguments with judges in any form will lead to the disqualification of the team right away.
- Each checkpoint carries different types of hurdles. Successfully clearing the checkpoints will add points to the total tally.
- Projects causing disturbance of any kind to other projects or the competition setup will be disqualified immediately.
- Decisions of the Judges and Event Organizers shall be treated as final and binding on all.

E. Evidence of Success:

Project Competition Degree Winners

Number	College Name	Student Name
1st winner	KKW COE, Nashik	1.YashBhowre
		2.Yuvraj Singh
		3. Adarsh Shinde
		4. Prajakta Ghume

**KALYANI CHARITABLE TRUST'S
LATE G. N. SAPKAL COLLEGE OF ENGINEERING**

Kalyani Hills, Anjaneri-Vadholi, Trimbakeshwar Road, Dist: Nashik - 422 212 (India)
Tel: +91 - 2594 - 220168/71, Fax: +91 - 2594 - 220174
Website: www.sapkalknowledgehub.org, E-mail: gns_engineering@sapkalknowledgehub.com

2nd winner	LGNSCOE, Nashik	1. Pratik Joshi 2. Rutik Khairnar 3. Pranit Kumawat 4. Akshay Patil
------------------------------	-----------------	--

Project Competition Diploma Winners

Number	College Name	Student Name
1st winner	Loknete Gopalrao Gulve Polytechnic, Nashik	1. Sagar Kokane 2. Akshay Watekar 3. Vijay Neware

F. Problems Encountered and Resources Required

- Students' preparation for the competition while the academics are in session as well as their participation in it.
- It becomes difficult to motivate students to participate actively in the competition with this in mind.
- Lack of local resources and assistance systems to increase local involvement.

Event II

Event Name: Paper / Poster / Innovative Ideas - Presentation

A. Title of the Event :- Paper / Poster / Innovative Ideas – Presentation Competition

B. Objectives:

- To offer a cutting-edge platform for aspiring engineers to showcase their talent and technical abilities.
- The students would gain teamwork, communication, and collaboration skills from this

KALYANI CHARITABLE TRUST'S
LATE G. N. SAPKAL COLLEGE OF ENGINEERING

Kalyani Hills, Anjaneri-Vadholi, Trim bakeshwar Road, Dist: Nashik - 422 212 (India)
Tel: +91 - 2594 - 220168/71, Fax: +91 - 2594 - 220174

Website: www.sapkalknowledgehub.org E-mail: gns_engineering@sapkalknowledgehub.com

activity.

- To identify students that does well in a competitive environment.

C. The Context:

To educate the student population on the most recent findings and skills in a variety of engineering fields related to mechanical engineering. In order to understand new technologies from a market viewpoint, students must be exposed to them through a visual lens. Improve the students' self-assurance as they explore their technical expertise and public speaking abilities while preparing them for career success.

D. The Practice:

- **Maximum three participants** in the group will be allowed.
- Competition is allowed for **degree and diploma** students.
- For Paper presentation PPT is required.
- For Poster presentation, Handmade Poster on drawing sheet, or printed poster required.
- For Innovative ideas, you can present your Idea with the help of suitable means.
- Projector will be provided for the event.
- Students must e-mail the stated information to mention mailed with their entry confirmation.
- Maximum time for presentation will be 10 minutes and 5 minutes for question-answer (Q&A) round.
- This competition will held in One/two rounds for one day.
- First round will be common to all participants.
- If required, second round will be conducted
- The winner and first runner up will be selected for degree and diploma separately.
- Decisions of the Judges and Event Organizers shall be treated as final and binding on all.

Guests: Honorable CMD Dr. Ravindra G. Sapkal,

Honorable Vice Chairperson KalyaniSapkal Madam.

Special Guest: - Mr. J.P. Dange, Retired Chief Secretary, Government of Maharashtra.

Judge for Event: Prof. Dr. Shubham S Suryawanshi, Assistant Professor, Research Coordinator
MET's Institute Of Engineering, Nashik.

E. Evidence of Success

Winners of Paper / Poster / Innovative Ideas - Presentation (Degree)

Number	College Name	Student Name
1 st winner	LGNSCOE, Nashik	1. Manjiri S. Upasani 2. Girish Deshmukh 3. Sukanya Deshmukh
2 nd winner	KKW COE, Nashik	1. Mahajan Atharva 2. Aman Sheikh 3. Vikiyath Uchil

For First prize Cash of Rs 2000/- and memento, for second prize Cash of Rs 1000/- and memento was given.

Event Concluded by formal vote of thanks by Prof.M.S.Borse, followed by National Anthem.

F. Problems Encountered and Resources Required

- Students' preparation for the competition while the academics are in session as well as their participation in it.
- It becomes difficult to motivate students to participate actively in the competition with this in mind.
- Lack of local resources and assistance systems to increase local involvement.

सपकाळ अभियांत्रिकीत घडले विज्ञानाविष्कार

'एसकेएच-टेक्नोफेस्ट २०२३' ला विद्यार्थ्यांचा प्रतिसाद

सकाळ वृत्तसेवा

नाशिक, ता. १३ : अंजनेरी येथील कल्याणी चॅम्पियन ट्रस्ट संघटित सपकाळ कॉलेज ऑफ इंजिनिअरिंग 'टेक्नोफेस्ट २०२३' चे आयोजन केले होते. संशोधनकार आघारित या स्पर्धेत विज्ञानाचे आविष्कार बघायला मिळाले. स्पर्धेत राज्यभरातील अभियांत्रिकी शिक्षणक्रमाच्या विद्यार्थ्यांचा योग्या प्रतिसाद मिळाला.

घाटक रोबोट्स, नवीन विज्ञानाधारित उपकरणे व पदार्थाद्वारे वॉल फुर्निचिंग, ड्रॉन स्ट्रीट योल्फ स्टार्ट, पोटॅबल हार्बोर्सिंग, सेम टीक फायर कोटिंग, अॅट्रॉड वेड

व्हॉल्टेज रिमिटींग सिस्टम असे विविध प्रकारचे स्पर्धेत सहभागी झाले होते. राज्यभरातील महाविद्यालयांमधून सुमारे आठशेहून अधिक विद्यार्थ्यांनी स्पर्धेत सहभाग नोंदविला होता. सपकाळ कॉलेज हक्काने दरवर्षी आयोजित करण्या जाणाऱ्या 'टेक्नोफेस्ट २०२३' या स्पर्धेकडे संपूर्ण अभियांत्रिकी शाखेच्या विद्यार्थ्यांचे लक्ष उभरे. या स्पर्धेतून सहभागी होणाऱ्या विद्यार्थ्यांना आपली वैदिक कला, आर्या कलाकुसी सादर करण्याची संधी प्राप्त होते. अशा प्रकारच्या स्पर्धेतूनच राष्ट्रीय, आंतरराष्ट्रीय व्यावसायिक स्तरावरील अत्याधुनिक यंत्रणे, असे महत्त्वाचे उपकरणे व पदार्थ प्राप्त होऊ शकतात. या स्पर्धेतून प्रतिसाद मिळाला.

नाशिक : 'एसकेएच-टेक्नोफेस्ट' मधील प्रकल्पांची पाहणी करताना उपस्थित मान्यवर.

मुख्य सचिव जे.पी.हामे यांची प्रमुख उपस्थिती होती. सपकाळ कॉलेज हक्काने व्यावसायिकीय संवहलक व अजयश हा. रवींद्र सपकाळ यांनी रोबोट्सच्या

ट्रॅक्टर मोबाईल डिझाईनवर फाल्गुना रोबो चालवून स्पर्धेत उदघाटन केले. याप्रसंगी उपाध्यक्ष कल्याणी सपकाळ, प्रशासकीय अधिकारी डॉ. एस.

स्पर्धेतील विभागानिहाय विजेते

- रोबो रेस (ई ग्रेड टीसी विभाग)- ए.आय.एस.एम.एस महाविद्यालय, पुणे.
- प्रकल्प सादरीकरण (संगणक विभाग) लेट. जी. एन. सपकाळ महाविद्यालय, नाशिक.
- प्रकल्प सादरीकरण (ई ग्रेड टीसी)- लेट जी. एन. सपकाळ महाविद्यालय.
- प्रकल्प सादरीकरण (वायिकी विभाग)- के. के. पाथ अभियांत्रिकी महाविद्यालय.
- प्रकल्प सादरीकरण (इलेक्ट्रिकल विभाग)- लेट. जी. एन. सपकाळ महाविद्यालय.
- प्रकल्प सादरीकरण (सिविल विभाग)- लेट. जी. एन. सपकाळ महाविद्यालय.
- शोधसंध सादरीकरण/पोस्टर- लेट जी. एन. सपकाळ महाविद्यालय.

एस. हासक, प्राचार्य डॉ. साहेबराव बागल, टेक्नोफेस्ट २०२३' चे मुख्य समन्वयक प्रा. डॉ. तुषार बडगुजर आदी उपस्थित होते. टेक्नोफेस्ट स्पर्धेकरिता उद्योजक व शैक्षणिक क्षेत्रातील मान्यवरांनी पौरोचक म्हणून काम पाहिले. यावेळी पारमर्तोचे प्राचार्य

डॉ. बच्चन, एम्बोएचे संवहलक डॉ. पांडे, पारमर्तो पदविकेच्या प्राचार्य डॉ. दीपा फडतरे, अभियांत्रिकी महाविद्यालयपारमर्तो विभागप्रमुख डॉ. नीलेश वानखेडे, डॉ. एस. शीकर, प्रा. एस. बी. बोरोडे, प्रा. रवींद्र बाजी, प्रा. संदीप बागल आदी उपस्थित होते.

Subject: Invitation for "SKH TECHNOFEST – 2023" as judge...

Dear Sir,

Our institute organises annually the technical event "SKH TechnoFest" to provide students of various institutions with a platform to showcase their technical skills. We are glad to inform you that we are organising "SKH TechnoFest-2023" on May 13, 2023. The students from different engineering streams will compete in ten events this year.

It is our privilege to invite you as a judge for the project competition and paper/ poster/ innovative idea presentation for Mechanical Engineering Department.

We are looking forward to your presence at the inauguration ceremony.

Venue: SKH Seminar Hall

Date and Time: Saturday, May 13, 2023, 9:30 am

Thanking you

Prof. (Dr.) T. Y. Badgujar
Head, Mechanical Engineering
Department

Prof. (Dr.) S. B. Bagal
Principal

Prof. (Dr.) Sahebrao B. Bagal

PROGRAM REPORT

Title of the Program: "World Cancer Day Awareness Program."

Date: From 23/02/2022 to 23/02/2022

Duration: 1 day

Venue: Mechanical Engineering Department, Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: Female = 4 Male = 48

Program Objectives:

World Cancer Day takes place every year on 4 February. World Cancer Day aims to prevent millions of deaths each year by raising awareness and education about cancer, and pressing governments and individuals across the world to take action against the disease. World Cancer Day is led by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration, written in 2008. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer.

Summary of the Program:

World Cancer Day is an international day marked on 4th of February to raise awareness of cancer and to encourage its prevention, detection, and treatment. World Cancer Day is led by the Union for International Cancer Control (UICC). This year's World Cancer Day's theme "Close the Care Gap" is all about raising awareness of this equity gap that affects almost everyone, in high as well as low- and middle-income countries, and is costing lives.

By raising students awareness, improving education and catalyzing personal, collective, and government action, we're working together to re-imagine a world where millions of preventable cancer deaths are saved and access to lifesaving cancer treatment and care is equal for all—no matter who you are or where you live. The day encourages the participation of different sectors at different levels.

At this occasion of World Cancer Day, staff Members of **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering** conducted a program for awareness among the Students, 23th Feb 2022. In this program Mr. Yogesh Joshi, Training and Placement officer created the awareness about preventions to be taken, strengthening primary health care delivered in communities etc

Prof. T. Y. Badgujar, Head of Mechanical Engineering Department, LGNSCoE, Prof. P. D. Jadhav, Prof. R. R. Chaudhari, MESA coordinator , Prof. J. R. Mahajan, Prof. P. R. Chakule, Prof. M. V. Jadhav, Prof. C. P. Shinde of Mechanical department were present for this program. Thus overall, the event was a great success under the Guidelines of Prof. (Dr.) S. B. Bagal, Principal, Late G. N. Sapkal College of Engineering, Nashik.

PROGRAM REPORT

Title of the Program: "National Safety Day Awareness Program."

Date: From 04/03/2022 to 04/03/2022

Duration: 1 day

Venue: Mechanical Engineering Department, Late G. N. Sapkal College of Engineering, Nashik

Details of Participants: Female = 4 Male = 49

Program Objectives:

National Safety Day is celebrated every year on the 4th of March. The day aims to highlight the importance of following safety regulations and measures in order to avoid workplace mishaps. The motive behind celebrations of this day is to create awareness and commitment to working safely. These also include road safety, workplace safety, human health and environmental safety.

Summary of the Program:

The National Safety Day (NSD) is celebrated every year on the 4th of March to commemorate the foundation of the National Safety Council (NSC) of India.

This year, the theme of National Safety Day is 'Nurture young minds-Develop a safety culture'. The theme, last year, was "Sadak Suraksha". Every year the day is celebrated with different themes.

The Ministry of Labor and Employment held an industrial safety conference in India. They established the council to implement a voluntary routine for the safety, health and the environment. Later, the importance of the day was realized and since then the day is being celebrated. The first-ever National Safety Day was celebrated in 1972.

The day encourages the participation of different sectors at different levels.

This also involves employees in various activities related to safety to create more awareness about safety and motivates employers and others of their responsibility in making the workplace safer.

The day encourages various organizations to find dangers in workplaces, in societies, in public places that are common to citizens and reduce them.

At this occasion of National Safety Day, staff Members of **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering** conducted a program for awareness among the Students, 4th March 2022. In this program Prof. P. D. Jadhav, Prof. P. S. Talmale, Prof C.P. Shinde, Prof K W Kale, Prof S. S. Kushare created the awareness about road safety, workplace safety, human health and environmental safety.

Prof. T. Y. Badgujar, Head of Mechanical Engineering Department, LGNSCoE, Prof. J. R. Mahajan, Prof. M. V. Jadhav, Prof. F. U. Pathan, Prof. R. R. Chaudhari, MESA coordinator, Mr. P.R. Bhadane, Mr. S. S. Kondhar of Mechanical department were present for this program.

Thus overall, the event was a great success.

Mechanical Department

Expert Talk on Basic of Automation

Resource Person:

Mr. Ravindra Vinayak Angal
Sr. Faculty,
TAACT, Nashik

Date & Time: 18th July 2019

11.00 am to 1.00 pm

Academic Year: 2019-20

Targeted Audience: BE Mechanical students

Organizing Body: Subject Teacher of HNP

Sem: I

Duration: 2 hours

Venue: Mechanical Seminar Hall

Objectives of Seminar:

The main objectives of the Expert Talk :

- > Understand key elements of Mechatronics system, representation into block diagram.
- > To study the various basic concepts related to exam point of view.
- > To give practical and theoretical knowledge to the students in the required essential technical skills.
- > Understand the system modeling and analysis in time domain and frequency domain.
- > To give basic approach of Mechatronics used in Hydraulics and Pneumatics system.

Briefs of Seminar:

On 18th July 2019, an Expert Talk was organized by the Mechanical department, Late G. N. Sapkal College of Engineering, Nashik for Final Year Mechanical Students. The lecture was delivered by **Mr. Ravindra Vinayak Angal, TAACT, Nashik**. He specializes in Mechatronics systems which is used with Hydraulics and Pneumatics machineries. The lecture was conducted on the topic 'Basic of Mechatronis System. He briefed the students about the concepts related to

subject and their Various Theory related to practical application. He also discusses the combination of Mechatronics and Hydraulics subjects. It was an enlightening session as he shared real life experiences and told the students about the importance of a well formed report. He focused on various aspects related Subject HNP. The student learnt about aspects subject. It was a learning and interactive session for the students where he answered all the queries put up by the students to their full satisfaction.

Mechanical Engineering Department

Expert Talk on Advances in Pneumatics

Resource Person:

Prof. Dr. M. P. Ray

Professor,

MET Institute of Engineering, Nashik

Academic Year: 2019-20

Targeted Audience: BE Mechanical students

Organizing Body: Subject Teacher of HNP & MESA

Objectives of Expert Talk:

The main objectives of the Expert Talk :

- Understand key elements of Pneumatic system, representation into Circuits into software.
- To study the various basic concepts related to exam point of view.
- To give practical and theoretical knowledge to the students in the required essential technical skills.

Briefs of Expert Talk:

On 27th Sept. 2019, an Expert Talk was organized by the Mechanical department, Late G. N. Sapkal, College of Engineering, Nashik for Final Year Mechanical Students. The lecture was delivered by **Prof. Dr. M. P. Ray, MET Institute of Engineering, Nashik**. He specializes in Pneumatic systems which are used in various automation industries. The lecture was conducted on the topic 'Pneumatics'. He briefed the students about the concepts related to subject and their Various Theory related to practical application. It was an enlightening session as he shared real life experiences with industrial virtual tour of Videos and told the students about the importance of a well formed report. He focused on various aspects related Subject HNP. It was a learning and interactive session for the students where he answered all the queries put up by the students to their full satisfaction.

About Resource Person:

Prof. Dr. M. P. Ray is working as Professor in MET Institute of Engineering, Nashik. He is having More than 25 Years of experience in Industry as well as academic.

He is also having interest in the subject Mechatronics, Fluid Mechanics, Turbo Machinery etc.

PROGRAM REPORT

Title of the Program: "Road Safety Awareness Program. (Road Safety Week)"

Date: From 23/01/2020 to 23/01/2020 **Duration:** 1 days

Venue: Trimbakeshwar

Details of Participants: Female = 4 Male = 90

Program Objectives:

A road safety week is conducted in order to create awareness among the public regarding traffic rules and to reduce casualties of road accidents. Due to lack of awareness, many lose their lives and leads to pain and sufferings. It is celebrated with great enthusiasm every year. Similarly, it was celebrated this year from **11th January to 17th January 2020**. The theme of the road safety week was "Sadak Suraksha-Jeevan Raksha."

Summary of the Program:

At this occasion of Road Safety Week, Staff Members of **Department of Mechanical Engineering, Late G. N. Sapkal College of Engineering** along with Students organizes Road safety Awareness program at Trimbakeshwar on 23rd January 2020. In this program events like rally about awareness of Road Safety, Awareness through poster and Felicitation of people who followed traffic rules, by offering Rose Flower were conducted. Also Traffic Police Department worked to spread awareness among the public.

Mr. R. T. Karpe A.P.I. Trimbakeshwar, Mr. P. B. Jadhav A.S.I. Trimbakeshwar, Mr. S. R. Chavan H.C. Trimbakeshwar, Prof. T. Y. Badgujar, Head of Mechanical Engineering Department, LGNSCoE, Prof. M. V. Jadhav, Prof. K. W. Kale, Prof. Y. D. Tambe, Prof. R. R. Chaudhari, MESA coordinator, Mr. Akash Ajabe MESA President and all faculty members of Mechanical Department were present for this programs.

The identified major road junctions for the programs were:

1) Trimbakeshwar- Javhar Road Junction.

2) Rally in Trimbakeshwar.

The road junction programs focused on general road safety issues for the masses. The issues, which were taken up for spreading awareness, were:

- The need for wearing helmet for both, the riders and the pillion riders
- Not using mobile phones while driving
- Not crossing Zebra Lines at signals or stopping vehicles on Zebra lines
- Signal jumping or avoiding signal jumping
- Overloading of school auto rickshaws or avoiding sitting in an overloaded auto rickshaw.
- Wearing of seat belts.

Thus overall, the event was a great success.

Department of Mechanical Engineering

Title- SKH Project e-Competition

Academic Year: 2019-20	Sem: II
Targeted Audience: Students from different Engineering and Polytechnic Colleges.(Diploma, UG)	Duration: 2 month
Organizing Body: MESA	Venue: Mechanical Department

A. Event Name: SKH Project e-Competition

B. Objectives:

- To give aspirant engineers a creative platform on which to showcase their technical expertise and ideas during Pandemic situation through online mode.
- To anticipate projects involving the novel concepts and technological advancements
- To learn from peers to improve interpersonal and teamwork skills

C. The Context:

For any aspirant engineer, theoretical studies are insufficient. Student exposure to the fundamentals is provided by curriculum-based experiments and practical's. It will take more work to educate students about the newest technologies in accordance with business needs through various technical events. The goal of the Project Competition is to prepare the students for success in the workplace while boosting their self-assurance in managing their workload and public speaking abilities.

D. The Practice:

The event is organized with following rules and regulations

- A maximum of 04 members are allowed in each participating team present their ideas through 3 to 5 minutes video presentation.
- Multiple teams from the same college can participate in the competition.
- The decision of the judges will be final and abiding. Arguments with judges in any form will lead to the disqualification of the team right away.

Evaluation criteria

Criteria 01

(CR1) Relevance

10 MARKS

The extent to which the objectives of a development intervention are consistent with beneficiaries' requirement, country needs, global priorities and partners' and donors' policies.

Criteria 02

(CR2) Efficiency

10 MARKS

A measure of how economically resources/inputs (funds, expertise, time, etc.) are converted to results.

Criteria 03

(CR3) Effectiveness

10 MARKS

The extent to which the development intervention's objectives were achieved, or are expected to be achieved, taking into account their relative importance.

Criteria 04

(CR4) Impacts

10 MARKS

The positive and negative, primary and secondary long-term effects produced by a development intervention, directly or indirectly, intended or unintended.

Criteria 05

(CR5) Sustainability

10 MARKS

The continuation of benefits from a development intervention after major development assistance has been completed. The probability of long-term benefits.

Evaluation criteria

criteria 01

10 MARKS The extent to which the objectives of a development intervention are consistent with beneficiaries' requirement, country needs, global priorities and partners' and donors' policies.

criteria 02

10 MARKS A measure of how economically resources/inputs (funds, expertise, time, etc.) are converted to results.

criteria 03

10 MARKS The extent to which the development intervention's objectives were achieved, or are expected to be achieved, taking into account their relative importance.

criteria 04

10 MARKS The positive and negative, primary and secondary long-term effects produced by a development intervention, directly or indirectly, intended or unintended.

criteria 05 Sustainability

10 MARKS The continuation of benefits from a development intervention after major development assistance has been completed. The probability of long-term benefits. The resilience to risk of the net benefit flows over time.

NOTICE

All the Department / Section Heads, staff members and students are hereby informed that a seminar on 'Organic Sanitary Napkins for Menstrual Hygiene' has been organised for all female members of the institute on Tuesday, 26th June 2018 at 11:00 AM. The Venue is Engineering Seminar Hall.

All Department Heads are requested to depute all teaching, non-teaching female staff members and girl students to participate in the seminar.

PROGRAM REPORT

Title of the Program: "Organic Sanitary Napkin for Menstrual Hygiene"

Objective of the Program:

1. Reduce the girl child school dropout due to lack of sanitary towels
2. Educate teenage girls on puberty, hygiene menstruation and how to physically and psychologically handle such periods.
3. Sustain marginalized girls with annual packs of sanitary pads and underwear's to ensure periods do not get in their way of achieving an education.
4. Eliminate through informing, the myths, taboos and misinformation that people in such communities have about girls during their menstrual period.
5. To increase awareness among adolescent girls on menstrual hygiene, build Self-esteem, and empower girls for greater socialization
6. To increase access to and use of high quality sanitary napkins by adolescent girls in rural areas.
7. To ensure safe disposal of sanitary napkins in an environment friendly manner.

Nature of the Program: Seminar

Resource Person details:

Mr. Swapnil Nandkumar Neeta (8381021555), Setup india, Dr. Sahebrao B. Bagal, Dr. Sachin S. Harak, Prof. Tushar Y. Badgujar, & staff members.

Content Description / Summary:

The Seminar session was organized at Engineering Seminar hall on 26th June 2018, in the presence of students & staff members.

A woman enters the store, picks up a pack or mumbles the name of the brand she wants under her breath to the storekeeper, who proceeds to wrap the product in an old newspaper and hands it to her in a black plastic bag. She pays in awkward silence before hurriedly exiting the shop.

That's typically how a woman buys a pack of sanitary napkins in India, where the topic of menstrual hygiene is usually not discussed in genteel company, let alone in public. So how does one begin to ask questions about what goes into the making of a product that people are hesitant to even mention aloud?

Further, since sanitary napkins are classified as "medical products", companies are not required by law to disclose what goes into their making on product packs.

There is no research to attest that sanitary napkins sold in India are safe. But the use of some chemicals in the feminine hygiene products raises questions over how safe they really are.

"It is a sanitary napkin. Its purpose is not just to absorb. Hygiene parameters of the product, of how safe they are, should be disclosed on the packets. Unfortunately, people choose sanitary napkins based on the cost, design and packaging," said Bhawana Chanana, associate professor in the department of fabric and apparel science at Lady Irwin College, Delhi University.

"But the main consideration really should be hygiene— what's the pH range, for instance. But women don't ask simply because they are embarrassed and this has worked to the advantage of the manufacturers and sellers," added Chanana, who said she has come across instances where products rejected in the US or Germany have been recycled in India.

Remark about outcome of program:

A documentary on the life of Padmashree Arunachalam Muruganantham (**Padman**) (born 1962) is a social entrepreneur from Coimbatore in Tamil Nadu, **India** is shown to the students of Institute.

The Seminar was conducted very enthusiastically in the presence of students & teachers. The speaker shared their views & had given the valuable guidance to the students about different aspects related to the use of Organic Sanitary Napkin for Menstrual Hygiene.

PROGRAM REPORT

Title of the Program: "Career oriented software"

Date: 10/07/2018

Duration: 11.30am - 1 pm

Venue: Mechanical Seminar Hall

Details of Participants: Female = 8 Male = 114

Name of the Speakers with communication details:

Rohan Tripathi (IEI), Husain Masalawala(IEI), Sachin Pawar(IEI) MESA President

Program Objectives:

The program mainly focuses on the quality of engineers in today's period. The need for extra activities and courses such as learning software were explained to the students. The goal was making students understand the things that held them back in securing a good job.

Summary of the talk:

There was an elite team from IEI (Institution of engineers, India) who conducted the seminar. The program was started with Rohan Tripathi sir explaining the status of a Indian engineering Society, which helped students think over the facts off quality engineering. There was a presentation displaying the employment rate in India which showed student the reality. The councilors were keen on letting students understand the need of extra activities. The session was continued by Husain Masalawala Sir, a former student of L.G.N.S.college of engineering. He explained the increasing need of software's which helped in product designing , analyzing and manufacturing. He also solved problems in front of students making the understand the need of learning a software precisely. He displayed his hands-on skills on AUTO CAD in which he demonstrated the use of commands and shortcuts. Projects were displayed which were designed by the speaker which intrigued most of student minds. The session was held in three main part that were designing, analyzing and manufacturing. The session was concluded with queries from the students which were brilliantly answered.

PROGRAM REPORT

Title of the Program: Expert talk on **Thermodynamics**

Number of Day: 01

Dates of Conduction: 30.08.2018

From: 12:50 pm to 2:50pm

Venue: Class Room SE-210

Number of Participants:

Male: 74

Female: 0

Program Objectives:

1. To illustrate first and second laws of Thermodynamics.
2. To understand the concepts of entropy, enthalpy, reversibility and irreversibility.
3. Apply the first and second laws of Thermodynamics to various gas processes and cycles.

Outcome of the Talk / Event:

1. Apply various laws of thermodynamics to various processes and real systems.
2. Apply the concept of Entropy, Calculate heat, work and other important thermodynamic Properties for various ideal gas processes.

Description / Explanation of the Program:

This expert talk is to be arranged to get clear idea of Thermodynamics subject which is core subject in mechanical Engineering. Also student get aware about various fact of thermal engineering and its uses in day to day life.

FEEDBACK FORM - PARTICIPANTS

We would appreciate if you could take a few minute to share your opinion with us.

Name of the Department: Mechanical Engineering

Topic: Thermodynamics

Name of the Speaker: Mrs. Nidhi sharma

Date: 30/08/2018 Time: 1:00 PM - 2:30 PM

Sr.	Performance Attributes	Rating										
		1	2	3	4	5	6	7	8	9	10	
1.	Was the objective of the expert talk specified properly to you?										✓	1 - Objective not specified; 10 - Properly Specified
2.	Was the Expert properly introduced to the audience?										✓	1 - Not at all; 10 - Properly Introduced
3.	Was the Expert interactive in his delivery?										✓	1 - Not Interactive; 5 - Interactive; 10 - Very Interesting
4.	Rate the language of the expert.		✓								✗	1 - Simple Language; 10 - Difficult to Understand
5.	Whether sufficient time was available for completion of the talk?										✓	1 - Insufficient time available; 10 - Sufficient time available
6.	Whether sufficient time was available for question & answer session?							✓				1 - Insufficient time available; 10 - Sufficient time available
7.	Did the talk improve your knowledge / awareness about the topic discussed?					✓						1 - Nil; 5 - Moderate; 10 - Greatly improved knowledge
8.	Rate the relevance of the program to your 'Personal / Professional interest'.						✓					1 - Irrelevant; 5 - Moderately Relevant; 10 - Very Relevant
9.	Would you like to attend such program again in future?										✓	1 - Nil; 5 - Moderate; 10 - Always
10.	Would you recommend your friend to attend such program?										✓	1 - No; 5 - Not Sure; 10 - Yes

Student's Name: Akash Jagannath Ajabe

Subject: Invitation for the expert talk on Thermodynamics.

Dear Mam,

We would like to introduce our self as one of the emerging institute in Nashik District. We are affiliated to University of Pune and cater for five Bachelor's degrees in Engineering, viz. Bachelor in Civil Engineering, Computer Engineering, Electronics & Telecommunications, Electrical Engineering and Mechanical Engineering.

As a part of syllabus, the students of **Second Year Mechanical Engineering** are required to aware about various facets of Thermal Engineering and the different opportunities in the field of Thermal Engineering for the carrier option.

Your expertise and experience in the field of Thermal Engineering will be an excellent addition to student's knowledge. As many participants will be benefitted by listening to your talk, it is honour for us to invite you as a Speaker for the talk on the topic "**Thermal Engineering.**"

We have arranged your session on **30th August 2018 at 12.50 pm to 02.50pm**. So, we request you to spare your valuable time and share your experience.

Details of Coordinator are as follows:

Name: Prof. R. R. Ahire (+919075090875) and Prof. V. U. Elavande (+918805270489)

Thanking you,

Yours truly,

Prof. T. Y. Badgujar

Dear Mam,

We express our sincere gratitude for accepting our invitation and delivering invited talk on August 30, 2018 to our S. E. Mechanical Engineering students on "Thermodynamics" organised by Mechanical Engineering Department at Late G. N. Sapkal College of Engineering.

We warmly acknowledge cooperation extended and service rendered for the noble cause of proliferation of quality technical education.

Thanking you.

Prof.(Dr.) S. B. Bagal
Principal

FFEDBACK FORM – RESOURCE PERSON

We would appreciate if you could take a few minute to share your opinion with us.

Name of the Resource Person: Nidhi sharma
 Mobile No: 9420396818 E-mail id: tiwariniidhi80@gmail.com
 Name of the Affiliating Institute: Catchup Consultancy Pvt. Ltd.
 Address of the Affiliating Institute: Nashik
 Title of the Talk: Thermodynamics
 Date(s) of Participation: From 20/08/18 to 20/08/18 Days: 1

Kindly tick mark (✓) in the relevant box below

Sr.	Performance Attributes	Rating									
		1	2	3	4	5	6	7	8	9	10
1.	Involvement of the participants in the session							✓			
		1 – Uninterested; 5 – Interested; 10 – Very Inquisitive									
2.	Nature of the event organized (Relevance to students / Academics)							✓			
		1 – Moderately Relevant; 10 – Most Relevant									
3.	Infrastructural capacity of the organizing Department / Institute							✓			
		1 – Insufficient; 5 – Sufficient; 10 – Excellent									
4.	Overall impact of the event on the participants							✓			
		1 – Beneficial; 5 – More Beneficial; 10 – Most Beneficial									
5.	Comments on the boarding and lodging facilities (if availed)										
		1 – Average; 5 – Good; 10 – Excellent									

6.	In near future how would you like to associate with the Students / Department / Institute?									
	Mentoring	Infrastructure Sharing	Employment	Financial Support	All of the above					

7. **Comments / Suggestions:**
Very good and interactive experience with students. Looking forward for the future association with the institute.
