One Day Seminar on <i>Importance of Internship</i>	
<b>Resource Person:</b> Mr. Rajesh Gangurde Business Developer Cognifront Nashik	<b>Date &amp; Time:</b> 25-04-2023 02:00 PM to 04:00 PM
<b>Academic Year: 2022-23</b>	<b>Sem: II</b>
<b>Targeted Audience: All Students</b>	<b>Duration: 02 hours</b>
<b>Organizing Body: ASSET</b>	<b>Venue: E&amp;TC Department CR.No 2..</b>
<b>Objectives:</b> The main objectives of the seminar were : <ol style="list-style-type: none"><li>1. Provide training and experiential learning opportunities for the development of skills in counseling, assessment, crisis intervention, consultation, outreach, and provision of supervision.</li><li>2. Provide an open and supportive environment conducive to the development of multicultural competence and sensitivity to individual differences and to provide experiential learning opportunities to integrate developing knowledge base into work with diverse populations.</li><li>3. Provide a professional working environment that encourages and gives space to professional identity development and the development of professional competence.</li></ol>	
<b>Summary:</b> The seminar started with the welcome and introduction of resource person followed by felicitation of resource persons by Principal Sir Prof (Dr).S.B.Bagal and H.O.D Prof S.B.Borse. During this seminar students acquired the knowledge of following things- Although it is a known fact that an internship is the best way to make your career, students sometimes feel it isn't worth the effort or just not important enough. These thoughts may come across as common with students and they may not realize the importance of internships instantly. But in today's competitive world, there is nothing more important than an internship or a practicum. Once they get hands-on experience as part of their curriculum, they feel enriched and ready to enter the real-work scenario with practical skills.  The seminar ended with formal vote of thanks by Prof S.G.Bagul, followed by national anthem.
