To,

The Principal,

LGNSCOE, Nashik

Through-IQAC, LGNSCOE

**Subject- Approval to the Curriculum of Add on Course**

Respected Sir,

With reference to the above subject, Department of First year Engineering has planned to organized Add on course on "Improving Skills in Mathematics" for first year students during 18<sup>th</sup> December 2024 to 24<sup>th</sup> December 2024.

The program's syllabus was created by the faculty coordinator and other department faculty members while taking into account the most recent developments in the chosen field.

You are request to approve the contents of the program.

Thanking You.

Prof.K. P. Deshmukh

### Notice

All first year students are hereby noticed that the LGNSCOE's Applied Science department has scheduled a Six-day Add- On certificate programme on **"Improving Skills in Mathematics"** From Wednesday, December 18 to Tuesday, December 24 2024.

Note : Attendance to all the sessions is Mandatory Same.

Prof. K. P. Deshmukh  
Programme Coordinator

**Department of Applied Science**  
Program Module and Outcomes

**30 Hrs Certificate Course/ Add-on Course on**  
**"Improving Skills in Mathematics"**

Sr. No.	Module	Syllabus
1	Module 1	Introduction of Mathematics Fundamentals
2	Module 2	Linear Algebra, Probability, Statistics, Differential Equation
3	Module 3	To promote interdisciplinary intersection among Mathematics, Engineering Mathematics, and industrial Mathematics.

Sr. No.	Module	Outcomes
1	Module 1	Students are familiarize with the key conceptual framework of Mathematics.
2	Module 2	Students are aware about the Matrix, Vector, Probability Distribution, First order and Second Order Differential Equation
3	Module 3	The latest developments in their specific subjects and acquire knowledge and skills in new and emerging areas.

To,  
Prof. Sarika Tambe  
Assistant Professor,

Subject:- Invitation For expert session in the Add on Programme .

Dear Madam,

We are glad to extends this invitation to you to share your knowledge on the subjects of **"Improving Skills in Mathematics"** at the Add on programme being held by the Department of Applied Science at the Late G. N. Sapkal college of Engineering in collaboration with IQAC from 18 December to 24 December 2024.

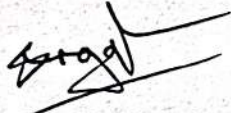

It would be privilege for us if You would accede to our sincere request in this regards to utilize this platform to share your knowledge with expertise with students of our college.

Thanking You,  
With warm regards.

Subject:- Letter of Appreciation.

Dear Madam,

We would like to take this opportunity to express to you for successfully conducting the sessions of Add on Programme on the topic of "**Improving Skills in Mathematics**" organized by Department of Applied Science of Late G. N. Sapkal college of Engineering, Nashik in association with IQAC LGNSCOE Nashik, during 18 December to 24 December 2024. the Program is quite educational, and our students learned the significance of this subject through practical lessons.

We would like to thank you again for providing our students with such important information on the subject.

Thanking You,  
With warm regards.

## PROGRAM REPORT

**Title of the Program: "Improving Skills in Mathematics"**

**Date:** 18 Dec. 2024 to 24 Dec. 2024

**Details of Participants:** 190

**Name of the Organizations details:** Late .G. N. Sapkal college of Engineering.

**Details of Resource Person:** Prof. Sarika Tambe

### **Description of the Program:**

For first year students ,the Department of Applied Science Organized a 30 hour Add-On program on "Improving Skills in Mathematics" . The program's goal was to Providing the students with an insight into mathematics design which would help them to solve complex engineering problems in Higher studies . Prof. Sarika Tambe,Resource person ,reviewed several facts of fundamental mathematical concepts and techniques.

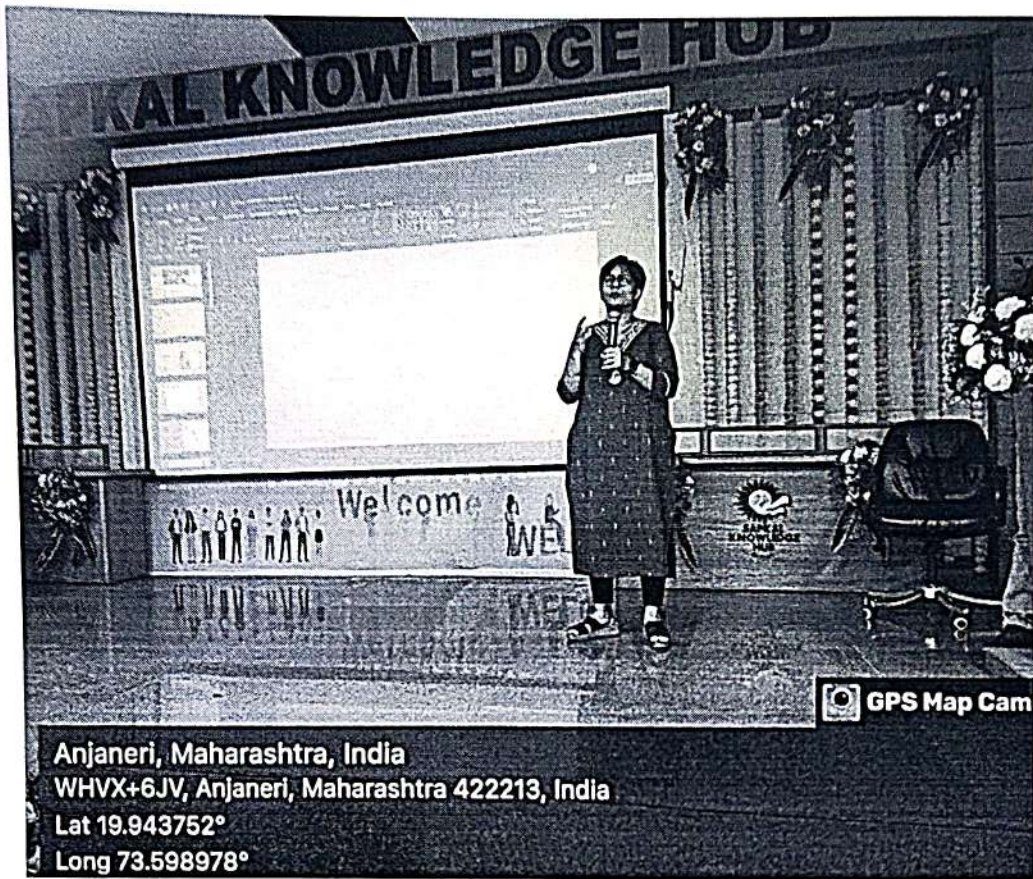

### **Program Objectives:**

- 1) Students are aware of Mathematics.
- 2) Courses are specially designed to equip the candidates with additional skills.
- 3) It is designed in such a way that it provides basic as well as some glimpses of an advanced level of knowledge of Mathematics.
- 4) Enhance the mathematical proficiency of the learners by providing them with a solid foundation in fundamental mathematical concepts and techniques.
- 5) This course may be helpful to students develop problem-solving skills, logical reasoning, and critical thinking abilities through a variety of mathematical activities and exercises.
- 6)The program is effective for students and basic concepts understanding in simple way
