Subject - Approval for the Curriculum of Add-On Course as a Value-Added Program.

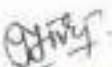

Respected Sir,

With reference to the above subject, Department of Mechanical Engineering has planned to organized Value Added Program on '**Engineering Meets Management: A Value-Added Program on Business and Leadership Skills**' for SE, TE, BE Mechanical students during 23rd September 2024 to 27th September 2024.

The program's syllabus was created by the faculty coordinator and other department faculty members while taking into account the most recent developments in the chosen field.

You are request to approve the contents of the program.

Thanking You.

Prof. P. D. Jadhav
Program Coordinator

Prof. (Dr.) T. Y. Badgujar

NOTICE

All students and staffs of Late G. N. Sapkal college of Engineering are hereby informed that Department of Mechanical Engineering organized "One Week Value Added Program titled **"Engineering Meets Management: A Value-Added Program on Business and Leadership Skills"** in association with IQAC and MESA from 23rd September 2024 to 27th September 2024 at 9.00 am to 4.00 pm.

Interested candidates are requested to register themselves to Prof. P. D. Jadhav (Program coordinator) for this Program. Last day of registration is 20th September 2024.

Department of Mechanical Engineering

We are excited to announce the formation of the committee for our upcoming program titled **"Engineering Meets Management: A Value-Added Program on Business and Leadership Skills,"** scheduled for 23rd September to 27th September 2024. This initiative aims to bridge the gap between engineering and management, enhancing our students' understanding of essential business and leadership skills.

Committee Member	Position	Responsibilities
Prof. Parag D. Jadhav	Program Coordinator	- Oversee the entire program, ensuring alignment with educational goals. - Manage logistics, scheduling, and coordination among committee members. - Act as the primary point of contact for speakers and participants.
Prof. Poonam R. Chakule Prof. Mahesh V. Jadhav	Content Developer	- Collaborate with speakers to develop session content and ensure it aligns with program objectives. - Prepare session outlines and materials. - Ensure content is relevant and engaging.
Prof. Kishor W. Kale Prof. J. R. Mahajan Mr. Prafulla R. Bhadhane Mr. Nisarg Rikame	Technical Support	- Ensure all technical equipment (projectors, audio systems) is functional. - Provide technical assistance during sessions. - Session attendance of participants.
Prof. Rahul R. Chaudhari Mr. Suresh B. Kondhar	Feedback and Evaluation	- Design and distribute feedback forms to participants. - Prepare a final evaluation report based on participant responses.
Prof. Firoz U. Pathan Prof. Dipika P. Mahale	Networking and Engagement	- Facilitate networking opportunities for participants. - Organize interactive sessions and discussions. - Encourage engagement and participation during Q&A sessions.
Prof. Chetan P. Shinde	Printing	Certificate printing

Report on Value-Added Program titled: "Engineering Meets Management - A Value Added Program Business and Leadership Skills"

Event Title: Engineering Meets Management - A Value Added Program on Business and Leadership Skills for Engineers.

Dates: September 23rd – 27th, 2024

Venue: Mechanical Engineering Department, Late G. N. Sapkal College of Engineering, Nashik

Organized by: Mechanical Engineering Department, in association with MESA and IQAC

Program Coordinator: Prof. Parag D. Jadhav

Program Convener: Prof. (Dr.) T. Y. Badgujar, Head, Mechanical Engineering Department

Guidance By: Prof. (Dr.) S. B. Bagal, Principal, Late G. N. Sapkal College of Engineering

1. Introduction:

The Value-Added Program titled "Engineering Meets Management: A Value Added Program on Business and Leadership Skills" was organized from September 23rd to 27th, 2024. The program aimed to equip engineering students with essential business, leadership, and management skills, bridging the gap between technical knowledge and real-world industry requirements. It was designed to enhance the professional capabilities of future engineers by exposing them to vital areas like marketing, financial planning, Human Resources (HR) essentials, resume building, and digital marketing, among others.

2. Objectives:

The primary objectives of the program were:

- To impart knowledge on the importance of marketing, branding, and product development for engineers.
- To enhance leadership and management skills in a technical context.
- To familiarize students with basic financial principles relevant to engineers.

- To help students understand project financing, investment decisions, and entrepreneurship.
- To prepare students for job market challenges by focusing on resume building, professional networking, and acing job interviews.
- To expose students to current industry trends and career opportunities.
- To develop essential business skills to enable engineers to transition smoothly into management roles.
- To provide an interactive platform where students could engage with experts through panel discussions and Q&A sessions.

3. Detailed Program Schedule

Day 1: Monday, September 23, 2024, Speaker: Prof. Ajeet Wagh

- *Session 1 (9.00 am – 11.00 am): Inaugural Function and Introduction to Marketing in the Engineering Sector*

The day began with the inauguration of the program, where Program Convener Prof. (Dr.) Tushar Y. Badgujar welcomed the participants and introduced the objectives of the event. Prof. Wagh then presented the fundamentals of marketing in an engineering context, focusing on how engineers can apply marketing techniques to enhance the clarity and success of their projects.

- *Session 2 (11.15 am – 12.45 pm): Branding and Product Development*

In this session, Prof. Wagh emphasized the importance of branding for engineering companies and professionals. He explained the stages of product development and how branding adds value and recognition to engineering projects. The session included case studies of successful engineering brands and product lines.

- *Session 3 (1.30 pm – 4.00 pm): Digital Marketing for Engineers*

The final session of the day introduced students to the concept of digital marketing. Prof. Wagh explained how digital tools and platforms such as social media, search engine optimization (SEO), and online campaigns can be used to promote engineering products and services. Special emphasis was placed on personal branding for engineers in today's digital era.

Day 2: Tuesday, September 24, 2024, Speaker: Dr. Sunetra Jain

- **Session 1 (9.00 am – 11.00 am): Leadership and Management Skills for Engineers**

The first session of the day introduced the participants to the core concepts of leadership and management, specifically tailored for engineers. Dr. Jain highlighted the differences between leadership and management, and discussed how engineers can leverage their technical expertise to take on leadership roles in their organizations. The session included interactive activities that helped students identify their leadership style.

- **Session 2 (11.15 am – 12.45 pm): Team Building and Collaboration**

This session focused on the importance of teamwork and collaboration in engineering projects. Dr. Jain explained the dynamics of team building, conflict resolution, and collaboration strategies that are crucial for the success of complex engineering tasks. The session involved activities where students had to work together to solve problems, simulating real-world engineering scenarios.

- **Session 3 (1.30 pm – 4.00 pm): HR Essentials for Engineers**

The final session of the day introduced students to the essentials of human resource (HR) management, particularly in an engineering context. Dr. Jain covered topics like recruitment processes, performance management, and employee relations, focusing on how these aspects impact engineering teams. The session also touched on ethical responsibilities in HR practices, highlighting the role of engineers in creating inclusive and fair work environments.

Day 3: Wednesday, September 25, 2024, Speaker: Prof. Vaishali Tambe

- **Session 1 (9.00 am – 11.00 am): Financial Basics for Engineers**

The first session of the day introduced the participants to fundamental financial concepts, including budgeting, cost estimation, and financial statements. Prof. Tambe explained the importance of financial literacy for engineers, especially in managing projects and understanding the financial implications of engineering decisions.

- **Session 2 (11.15 am – 12.45 pm): Project Financing and Investment Decisions**

This session delved into the particulars of financing engineering projects, including various sources of funding, cost estimation, and risk management. Prof. Tambe highlighted the importance of investment decisions, explaining how engineers can evaluate project feasibility and make informed investment choices. The session also discussed techniques like cost-benefit analysis and payback periods.

- **Session 3 (1.30 pm – 4.00 pm): *Entrepreneurship and Financial Planning for Engineers***

The final session of the day focused on entrepreneurship, particularly for engineers aspiring to start their own ventures. Prof. Tambe discussed the key aspects of financial planning for startups, including revenue generation, cost control, and business scalability. She also provided insights into how engineers can develop business plans and secure funding. Real-world examples of successful engineering entrepreneurs were presented to inspire participants.

Day 4: Thursday, September 26, 2024, Speaker: Prof. Ashok More

- **Session 1 (9.00 am – 11.00 am): *Resume Building and Professional Networking***

The session began with a discussion on the importance of a well-structured resume. Prof. More explained how engineers can highlight their technical and non-technical skills in a resume, showcasing projects, internships, and extracurricular activities. He also shared insights on professional networking, emphasizing the use of platforms like LinkedIn to connect with industry professionals and potential employers.

- **Session 2 (11.15 am – 12.45 pm): *Acing Job Interviews and Group Discussions***

In this session, Prof. More provided strategies for excelling in job interviews and group discussions, focusing on common questions asked during engineering interviews. He explained how students could demonstrate their problem-solving abilities, teamwork, and communication skills during these interactions.

- **Session 3 (1.30 pm – 4.00 pm): *Industry Trends and Career Opportunities for Engineers***

The final session of the day explored current industry trends in the engineering field, including the impact of emerging technologies like AI, automation, and sustainability efforts. Prof. More discussed the various career paths available to mechanical engineers and how students could align their skills with these opportunities. The session provided

insights into the qualifications and skills in demand within different engineering sectors, helping students prepare for future careers.

Day 5: Friday, September 27, 2024, Speaker: Dr. Harish K. Padmanabhan

- **Session 1 (9.00 am – 11.00 am): *Essential Business Skills for Engineers***

The session introduced participants to fundamental business skills required for engineers, such as problem-solving, decision-making, negotiation, and time management. Dr. Padmanabhan emphasized how engineers must possess both technical knowledge and business acumen to excel in leadership positions. He provided real-life examples where engineering decisions are influenced by business strategies, highlighting the interconnectedness of these two domains.

- **Session 2 (11.15 am – 12.45 pm): *Essential Business Skills for Engineers***

The continuation of the first session explored advanced topics such as risk management, leadership strategies, and resource management. Dr. Padmanabhan discussed how engineers in leadership positions must manage resources efficiently, make calculated business decisions, and lead teams with confidence. The session also covered the essentials of risk management in engineering projects and how to handle uncertainty.

- **Session 3 (1.30 pm – 4.00 pm): *Interactive Panel Discussion and Q&A: Valedictory Function***

The interactive panel discussion provided a platform for students to engage with experts and gain insights into real-world challenges in engineering management. The discussion covered topics such as leadership challenges in the engineering industry, managing technical teams, and balancing business goals with engineering priorities. Participants asked questions about career growth, leadership, and how to transition from technical roles to managerial positions.

Valedictory Function: The program concluded with a valedictory ceremony, where participants were awarded certificates, and the program coordinator, Prof. Parag D. Jadhav, expressed his gratitude to the speakers, organizers, and students for their participation throughout the five days.

4. Overall Outcome

The Value-Added Program on **Engineering Meets Management - Business and Leadership Skills** successfully equipped participants with a comprehensive set of business and management skills crucial for their future careers. Over the course of five days, students gained practical knowledge in areas ranging from marketing, leadership, and financial management to resume building, interview preparation, and entrepreneurship. The program emphasized the integration of business acumen with engineering expertise, preparing participants to excel not only in technical roles but also in managerial and leadership positions.

Key outcomes of the program include:

Enhanced Business Knowledge: Students learned essential business skills such as financial management, project financing, risk assessment, and resource management, crucial for managing engineering projects and business ventures.

Leadership and Teamwork: The program developed students' leadership capabilities and teamwork, emphasizing effective communication, collaboration, and decision-making in both individual and group settings.

Career Preparedness: With sessions on resume building, professional networking, interview techniques, and industry trends, students are now better prepared to navigate the job market and seize career opportunities in the engineering industry.

Entrepreneurial Insights: Sessions on entrepreneurship motivated students to explore business ventures and understand the financial and managerial challenges involved in starting and growing a company.

Ethical and Lifelong Learning: The program instilled the importance of ethical decision-making and encouraged students to pursue lifelong learning to stay competitive in the evolving engineering and business environments.

5. Conclusion

The Value-Added Program successfully met its objectives by providing a structured, interactive platform for students to enhance their business and leadership skills. Through a blend of expert lectures, interactive sessions, and panel discussions, participants were able to bridge the gap between engineering and management. The program's alignment with key Program Outcomes (POs) ensured that the skills imparted were not only relevant to the

mechanical engineering discipline but also critical for students' overall professional development.

The enthusiasm and engagement demonstrated by the students throughout the program reflect its success in fostering a deeper understanding of the intersection between engineering and business management.

6. Acknowledgment

The Mechanical Engineering Department of Late G. N. Sapkal College of Engineering, Nashik, extends its deepest gratitude to the esteemed speakers for their invaluable contributions:

- Prof. Ajeet Wagh for insightful sessions on marketing, branding, and digital marketing.
- Dr. Sunetra Jain for enriching the students with leadership, team-building, and HR management skills.
- Prof. Vaishali Tambe for empowering students with knowledge of financial basics, project financing, and entrepreneurship.
- Prof. Ashok More for his practical guidance on resume building, job interviews, and industry trends.
- Dr. Harish K. Padmanabhan for providing deep insights into essential business skills and leading the interactive panel discussion.

Special thanks are extended to:

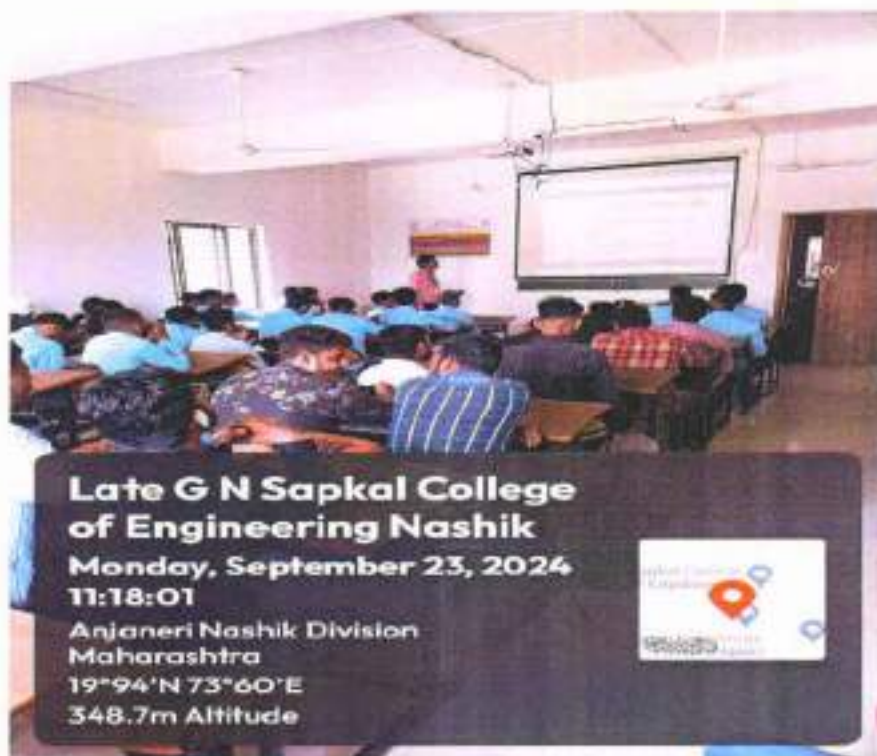

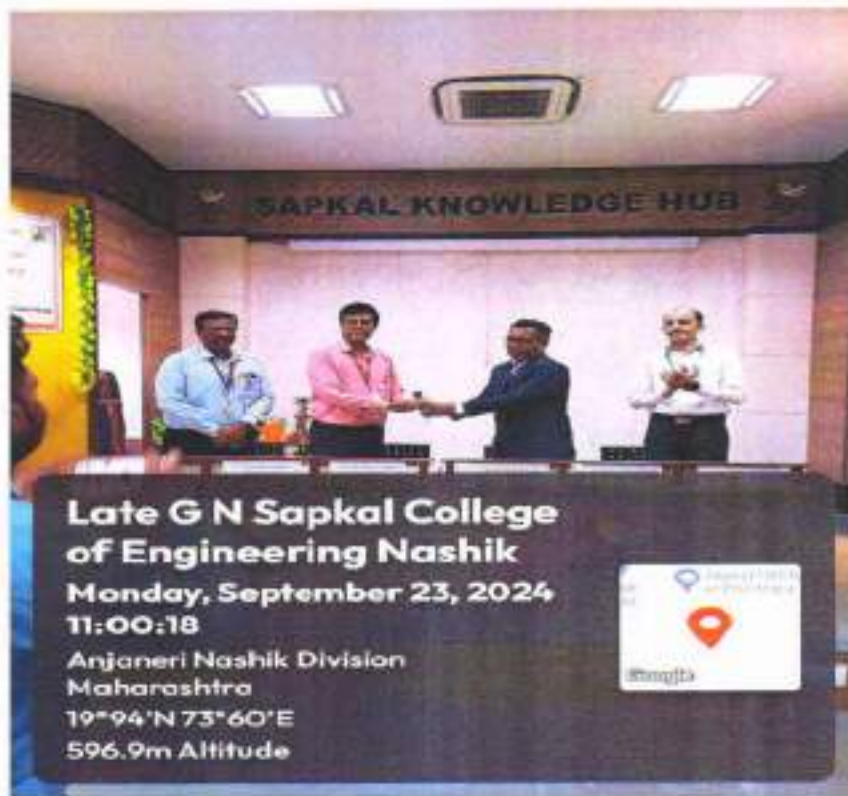

- Dr. Ravindra G. Sapkal, Chairman and Managing Director of Sapkal Knowledge Hub, for his guidance and support.
- Prof. (Dr.) S. B. Bagal, Principal of Late G. N. Sapkal College of Engineering, for his encouragement and vision in organizing this program.

The department also thanks the MESA (Mechanical Engineering Students Association) and IQAC for their collaboration and organizational support.

Finally, heartfelt appreciation goes to all the students for their active participation and enthusiasm throughout the five days, making the program a resounding success. We hope that the knowledge and skills gained from this program will empower them to excel in their careers as engineers and future leaders.

Subject: Invitation as a Guest Speaker for "Engineering Meets Management: A Value-Added Program on Business and Leadership Skills".

Respected Sir,

On behalf of Late G. N. Sapkal College of Engineering, we are pleased to invite you to participate as a guest speaker for our upcoming program titled "**Engineering Meets Management: Value-Added program Business and Leadership Skills**" scheduled on **23rd September to 27th September 2024** at our campus.

This program is designed to equip our engineering students with essential business and leadership skills necessary for their professional growth. We believe that your expertise and vast experience would provide valuable insights and practical knowledge to our students.

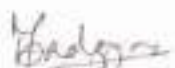

We kindly request you to deliver three insightful sessions during the program on the following topics:

- **Session 1:** Inaugural Function and Introduction to Marketing in the Engineering Sector
- **Session 2:** Branding and Product Development
- **Session 3:** Digital Marketing for Engineers

We would be honored to have you as our guest speaker and believe that your contribution will inspire and greatly benefit our participants. Kindly let us know your availability on 23rd September 2024 for the event. We would also be happy to discuss any specific requirements you may have for your presentation.

We look forward to your positive response and hope to welcome you to this exciting program.

Subject: Invitation as a Guest Speaker for "Engineering Meets Management: A Value-Added Program on Business and Leadership Skills".

Respected Sir,

On behalf of Late G. N. Sapkal College of Engineering, we are pleased to invite you to participate as a guest speaker for our upcoming program titled "**Engineering Meets Management: Value-Added program Business and Leadership Skills**" scheduled on **23rd September to 27th September 2024** at our campus.

This program is designed to equip our engineering students with essential business and leadership skills necessary for their professional growth. We believe that your expertise and vast experience would provide valuable insights and practical knowledge to our students.

We kindly request you to deliver three insightful sessions during the program on the following topics:

Session 1 to 2: Essential Business Skills for Engineers

Session 3: Interactive Panel Discussion and Q & A along with Valedictory Function

We would be honored to have you as our guest speaker and believe that your contribution will inspire and greatly benefit our participants. Kindly let us know your availability on 27th September 2024 for the event. We would also be happy to discuss any specific requirements you may have for your presentation.

We look forward to your positive response and hope to welcome you to this exciting program.

Recd & Accepted.

Subject: Appreciation for Your Contribution to "Engineering Meets Management: A Value-Added Program on Business and Leadership Skills"

Respected Sir,

On behalf of Late G. N. Sapkal College of Engineering, I would like to extend our heartfelt gratitude for your insightful contributions as a guest speaker to the "Engineering Meets Management: A Value-Added Program on Leadership and Management Skills" on 23rd September 2024.

Your contribution across the three sessions was highly impactful:

- **Session 1: Introduction to Marketing in the Engineering Sector** provided students with a deep understanding of how marketing strategies align with the societal and legal aspects of engineering.
- **Session 2: Your discussion on Branding and Product Development** highlighted the importance of sustainable practices and ethical decision-making in product development, providing valuable insight into how branding can influence environmental and societal considerations.
- **Session 3: The session on Digital Marketing for Engineers** introduced our students to modern digital strategies and the need for effective teamwork and communication in today's technology-driven world.

The sessions were thoroughly engaging, and your ability to connect these business concepts to the engineering context significantly enriched the learning experience. Your insights into how engineers can apply business skills to real-world challenges will have a lasting impact on their professional development.

Once again, thank you for your time and dedication. We look forward to the opportunity of collaborating with you again in future programs. Wishing you continued success in all your future endeavors.

Subject: Appreciation for Your Contribution to "Engineering Meets Management: A Value-Added Program on Leadership and Management Skills"

Respected Madam,

On behalf of Late G. N. Sapkal College of Engineering, I would like to extend our heartfelt gratitude for your insightful contributions as a guest speaker to the "Engineering Meets Management: A Value-Added Program on Leadership and Management Skills" on 24th September 2024.

Your expertise was greatly appreciated in the following sessions:

- **Session 1:** The session on **Leadership and Management Skills for Engineers** provided our students with a comprehensive understanding of the critical leadership and organizational abilities needed in the engineering field.
- **Session 2:** Your presentation on **Team Building and Collaboration** emphasized the importance of teamwork and effective communication, which are vital in achieving success in engineering projects.
- **Session 3:** The session on **HR Essentials for Engineers** delivered crucial knowledge about professional conduct, ethical decision-making, and understanding human resources, helping students realize the value of ethical leadership and collaboration in their future careers.

Your ability to relate these essential skills to real-world engineering contexts was instrumental in making the sessions practical and engaging. The students particularly appreciated your interactive approach, which encouraged them to actively participate and apply the lessons learned to their own experiences.

Thank you once again for your time, dedication, and invaluable insights. Your participation made a significant impact on the success of the program, and we look forward to future opportunities to collaborate with you.

Subject: Appreciation for Your Contribution to "Engineering Meets Management: A Value-added Program on Leadership and Management Skills"

Respected Madam,

On behalf of Late G. N. Sapkal College of Engineering, I would like to extend our heartfelt gratitude for your insightful contributions as a guest speaker to the "Engineering Meets Management: A Value-Added Program on Leadership and Management Skills" on 25th September 2024.

Your expertise during the following sessions was highly insightful and beneficial to our students:

- **Session 1:** The session on **Financial Basics for Engineers** provided a solid foundation for understanding essential financial concepts, helping students gain confidence in applying financial reasoning to engineering contexts.
- **Session 2:** In the session on **Project Financing and Investment Decisions**, you adeptly explained the nuances of project funding and how to make sound investment decisions, tying these concepts to real-world engineering projects.
- **Session 3:** Your session on **Entrepreneurship and Financial Planning for Engineers** inspired students to consider entrepreneurship, giving them essential tools for business planning and financial strategy.

Your ability to bridge the gap between financial knowledge and its application in engineering was truly appreciated by the participants. Your interactive approach and practical examples gave students the confidence to apply these financial concepts in their future projects and careers.

We are extremely grateful for your time, effort, and dedication in making these sessions a great success. We hope to have the privilege of collaborating with you again in the future.

Subject: Appreciation for Your Contribution to "Engineering Meets Management: A Value-Added Program on Business and Leadership Skills"

Respected Sir,

On behalf of Late G. N. Sapkal College of Engineering, I would like to extend our heartfelt gratitude for your insightful contributions as a guest speaker to the "Engineering Meets Management: A Value-Added Program on Leadership and Management Skills" on 26th September 2024.

Your expertise during the following sessions was highly impactful for our students:

- **Session 1:** The session on **Resume Building and Professional Networking** provided practical strategies for crafting a strong resume and building effective professional connections. This session helped students enhance their technical writing and communication.
- **Session 2:** In **Acing Job Interviews and Group Discussion**, your tips and insights on successfully navigating interviews and group dynamics gave students the confidence to perform in high-pressure situations, reinforcing the importance of teamwork and leadership.
- **Session 3:** Your discussion on **Industry Trends and Career Opportunities for Engineers** was invaluable in helping students understand the evolving job market and future career paths. It encouraged them to engage in self-directed learning and adapt to technological advancements.

Your ability to deliver practical, actionable advice in a relatable and engaging manner was greatly appreciated. The students walked away with not only a better understanding of the skills necessary for career success but also the tools to implement those skills in their job search and professional growth.

We are deeply grateful for your time, effort, and dedication, which contributed significantly to the success of this program. We look forward to the opportunity to collaborate with you again in the future.

Subject: Appreciation for Your Contribution to "Engineering Meets Management: A Value-Added Program on Business and Leadership Skills"

Respected Sir,

On behalf of Late G. N. Sapkal College of Engineering, I would like to extend our heartfelt gratitude for your insightful contributions as a guest speaker to the "Engineering Meets Management: A Value-Added Program on Leadership and Management Skills" on 27th September 2024.

Your sessions were incredibly insightful and impactful:

- **Session 1 to 2:** The sessions on **Essential Business Skills for Engineers** provided our students with a comprehensive understanding of crucial business concepts, such as leadership, management, and financial literacy. These sessions strengthened their contextual awareness and equipped them with the skills necessary to make ethical and informed decisions in a business setting.
- **Session 3:** The **Interactive Panel Discussion and Q&A**, along with the **Valedictory Function**, was the highlight of the program. The opportunity for students to engage with real-world business challenges and hear different perspectives during the panel was invaluable. Your leadership during the discussion encouraged collaboration and effective communication, while your closing remarks reinforced the importance of continued learning and adaptability in an ever-changing industry.

Your ability to convey complex business concepts in a relatable manner, combined with your interactive approach, ensured that the students were not only engaged but also empowered to apply these lessons to their future careers.

We are deeply grateful for your time, effort, and the significant impact you have had on our students. Your participation made this program a resounding success, and we hope to collaborate with you again in the future.

2. Comments about the Infrastructural capacity of the organizing Institute/Department:

Excellent

3. Comments on the boarding and lodging facilities made available:

-

4. Resource Person views on the program:

Nicely planned useful program for students

5. Comments about the interaction with the participating students:

good involvement of students

6. Suggestions to further improvement in the program:

-

7. Overall impact of the program:

well structured program.

SIGN: _____

Topic of Program: Engineering Meets Management: Value added program on Business & Leadership skills

Dates and Duration of the program: 23rd to 25th Sept. 2024

Date of participation of Resource Person: 26/09/2024

RESOURCE PERSON'S FEEDBACK FORM

1. Name and Address of the Resource Person (With e-mail address & Mob. No.):
Dr. HARISH K. PADMANABHAN
K.R. SAPKAL COLLEGE OF MANAGEMENT STUDIES, NASHIK
E-mail: harish.padmanabhan@sapkalknowledgehub.org
Mob: 9657216445
2. Comments about the Infrastructural capacity of the organizing Institute/Department:
Excellent
3. Comments on the boarding and lodging facilities made available:
—
4. Resource Person views on the program:
Well-organised on theme "Management & Leadership Skill"
5. Comments about the interaction with the participating students:
Well Interactive & participative.
6. Suggestions to further improvement in the program:
No Suggestion as Such
7. Overall impact of the program:
Good Initiative & Well Structured Program.

SIGN: Dr.

Topic of Program: Engineering Meets Management: Value Added program on Business & Leadership Skills

Dates and Duration of the program: 23rd to 27th Sept. 2024

Date of participation of Resource Person: 27/09/2024

Event Title: Engineering Meets Management - A Value Added Program on Business and Leadership Skills for Engineers.

Dates: September 23rd – 27th, 2024

Venue: Mechanical Engineering Department, Late G. N. Sapkal College of Engineering, Nashik

Organized by: Mechanical Engineering Department, in association with MESA and IQAC

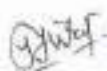

Program Coordinator: Prof. Parag D. Jadhav

Program Convener: Prof. (Dr.) T. Y. Badgujar, Head, Mechanical Engineering Department

Guidance By: Prof. (Dr.) S. B. Bagal, Principal, Late G. N. Sapkal College of Engineering

Overall Program Outcome Attainment

Overall Average Program outcome attainment

Feedback Analysis

Title : Value Added Program on Engineering Meets Management, A Value-Added Program on Business and Leadership Skills
Academic Year : 2024-25
Class : Third Semester BE A [Mechanical Engineering]
Details : Activity

Total number of response(s) : 4 / 4

Question How effectively did the session help you understand the societal implications of marketing in engineering?

Answer	Value	No. of response(s)	Response value	Response %
Very Effective	5	4	20	100.00
Effective	4	0	0	0.00
Neutral	3	0	0	0.00
Ineffective	2	0	0	0.00
Very Ineffective	1	0	0	0.00
Performance				100.00
Final Attainment				3.00

Question To what extent did the session cover the importance of environmental and societal impacts in branding and product development?

Answer	Value	No. of response(s)	Response value	Response %
Thoroughly	5	3	15	75.00
Well	4	1	4	20.00
Somewhat	3	0	0	0.00
Not Well	2	0	0	0.00
Not at All	1	0	0	0.00
Performance				95.00
Final Attainment				2.85

Question How effectively did the session address ethical considerations in branding?

Answer	Value	No. of response(s)	Response value	Response %
Very Effectively	5	3	15	75.00
Effectively	4	1	4	20.00
Neutral	3	0	0	0.00
Ineffectively	2	0	0	0.00
Very Ineffectively	1	0	0	0.00
Performance				95.00
Final Attainment				2.85

Question How well did the session emphasize teamwork and collaboration in digital marketing?

Answer	Value	No. of response(s)	Response value	Response %
Very Well	5	2	10	50.00
Well	4	2	8	40.00
Neutral	3	0	0	0.00
Poorly	2	0	0	0.00
Very Poorly	1	0	0	0.00
Performance				90.00
Final Attainment				2.70

Question: How confident do you feel about applying the verbal communication skills learned in this session?

Answer	Value	No. of response(s)	Response value	Response %
Very Confident	5	4	20	100.00
Confident	4	0	0	0.00
Neutral	3	0	0	0.00
Unconfident	2	0	0	0.00
Very Unconfident	1	0	0	0.00

Performance: 100.00

Final Attainment: 3.00

Question: How effectively did this program enhance your understanding of project management in marketing contexts?

Answer	Value	No. of response(s)	Response value	Response %
Very Effectively	5	3	15	75.00
Effectively	4	1	4	20.00
Neutral	3	0	0	0.00
Ineffectively	2	0	0	0.00
Very Ineffectively	1	0	0	0.00

Performance: 95.00

Final Attainment: 2.85

Question: How motivated do you feel to engage in self-directed learning after attending this program?

Answer	Value	No. of response(s)	Response value	Response %
Very Motivated	5	3	15	75.00
Motivated	4	1	4	20.00
Neutral	3	0	0	0.00
Unmotivated	2	0	0	0.00
Very Unmotivated	1	0	0	0.00

Performance: 95.00

Final Attainment: 2.85

Question: How engaging was the presentation style of the speakers?

Answer	Value	No. of response(s)	Response value	Response %
Very Engaging	5	3	15	75.00
Engaging	4	1	4	20.00
Neutral	3	0	0	0.00
Disengaging	2	0	0	0.00
Very Disengaging	1	0	0	0.00

Performance: 95.00

Final Attainment: 2.85

Question: Would you recommend this program to others?

Answer	Value	No. of response(s)	Response value	Response %
Yes	5	4	20	100.00
No	1	0	0	0.00

Performance: 100.00

Final Attainment: 3.00

NOTE:

- Response Value = (Value * Total Number of Responses)
- Response % = (Response Value / (Max Value * Total Number of Responses))

Question	Would you recommend this program to others?			
Answer	Value	No. of response(s)	Response value	Response %
☒ Yes	5	15	75	94.12
☐ No	1	1	1	1.18
Performance				95.29
Final Assessment				2.86

NOTE:

- Response Value = (Value * Total Number of Responses)
- Response % = (Response Value / (Max Value * Total Number of Responses))

Questionwise Attainment

Activity Number	Attainment
1	2.79
2	2.88
3	2.82
4	2.79
5	2.82
6	2.75
7	2.79
8	2.61
9	2.66

Program outcome and question mapping

Average	2.79						2.32	3.00	2.82	2.79	2.89	2.77	1.89	2.51	1.89

Achieved 93.07 | Scope for improvement 6.93

Kalyani Charitable Trust, Late Gambhirrao Natuba Sapkal College of Engineering, Anjaneri, Trimbakeshwar Road, Nashik

Feedback Analysis

Title : Value Added Program on Engineering Meets Management: A Value-Added Program on Business and Leadership Skills

Academic Year : 2024-25

Class : Third Semester SE A [Mechanical Engineering]

Details : Activity

Total number of response(s) : 4 / 4

Question

How effectively did the session help you understand the societal implications of marketing in engineering?

1 2 3 4

To what extent did the session cover the importance of environmental and societal impacts in branding and product development?

5 5 5 5

How effectively did the session address ethical considerations in branding?

1 5 5 5

How well did the session emphasize teamwork and collaboration in digital marketing?

5 4 5 5

How confident do you feel about applying the verbal communication skills learned in this session?

5 4 5 4

How effectively did the program enhance your understanding of project management in marketing contexts?

5 5 5 5

How motivated do you feel to engage in self-directed learning after attending this program?

5 5 4 5

How engaging was the presentation style of the speakers?

5 5 5 4

Would you recommend this program to others?

4 5 5 5

What improvements would you suggest for future programs?

5 5 5 5

Analysis: Faculty Rating: 5.00/5.00
