PROSPECTUS

Kalyani Charitable Trust's
Late G. N. Sapkal College of Engineering

Accredited with 'B' Grade by NAAC

Approved by AICTE-New Delhi & DTE-Mumbai Affiliated to Savitribai Phule Pune University, Recognized by Govt. of Maharashtra.

An ISO 9001:2008, 14001:2004 & OHSAS 18001:2007 Accredited Institute

WHERE ACADEMIC EXCELLENCE IS THE NORM!

ABOUT SAPKAL KNOWLEDGE HUB

Sapkal Knowledge Hub is the manifestation of its founder Dr. Ravindra G. Sapkal, who had a vision of creating a composite center of learning where the citizens for tomorrow could be groomed since their formative years itself. The campus has a provision from Kindergarten to Post Graduate learning. The academic programs offered by SKH are comprehensive and are continuously being updated to keep pace with latest developments and innovations in associated disciplines with necessary blend of IT and management.

In the vicinity of the quaint and historic old town of Nashik, the campus of Sapkal Knowledge Hub situated on a picturesque hillock among the pristine and splendidly beautiful surroundings of Sahyadri Hills at Anjaneri, the birth place of Lord Hanuman.

Spread over 110 acres, SKH prides itself in having world class infra-structure for being eco-friendly, energy efficient, and naturally lush green and our students find this a perfect heaven, far removed from the hustle and bustle of the city to nurture their curiosities - a 'GURUKULAM' in the best sense as applied to those days and times.

SKH has come a long way since its inception in 2005. Within this short span of time, it has emerged as one of preferred destinations for the students in this region by establishing world class institutes and creating an academic milieu with an emphasis on human, cultural and ethical aspects of a human being and an aspiration to "groom a talented and diverse student body for a life of purpose, personal fulfillment and the rigors in the life ahead in a caring and enriched environment with the best qualified, accomplished, experienced and beautiful human beings around them."

VISION:

Sapkal Knowledge Hub (SKH) is the entity which gives expression to the educational intent of the trust. The Hub is managed by the leadership team comprising of the Chairman, Vice-Chairperson, Chief Executive Officer and Heads of all the four educational institutions. Its vision is: "To nurture individuals in a multi-dimensional and subtle manner right from their childhood to adulthood in a caring and enriched environment with the best qualified, accomplished, experienced and beautiful human beings being around them."

MISSION:

- ⦿ To bring about a fine faculty base so that student can be educated in the most joyous and innovative methods, which are drawn from the progressive schools, colleges and universities across the globe.
- ⦿ To guide students into learning about the beauty and joy of learning so that they develop a life-long yearning and devotion towards learning.
- ⦿ To give a taste of creativity, innovation, research and the highest standards of professionalism to the students.
- ⦿ To evoke in the students and young adults graduating from institutions of Sapkal Knowledge Hub a deep sense of goodness and beauty. This can make them stand apart in our present society in an uninfluenced manner so that responsible choices can be exercised by them.

CHAIRMAN'S MESSAGE

Dear All,

A grand welcome to the Late G. N. Sapkal College of Engineering (LGNSCOE). I highly commend your decision of considering Late G. N. Sapkal College of Engineering as an institute to pursue your career in Engineering.

Sapkal Knowledge Hub has been instituted to transform the youth of this country into civilized human beings, efficient experts (managers) and contributory citizens. SKH has embarked upon educating and edifying the youngsters who are ambitious of becoming world class professionals.

I can proudly affirm that all my committed faculties and staffs will leave no stone unturned to transform you all into prospective young engineers with globally compatible skills and knowledge. These tireless efforts shall all the more support the picturesque institutional environ and its high-tech infrastructure.

Our goal is to prepare you all to confront all adversities, confidently take challenges of the fiercely competitive business environment and in the long run come out as winners.

LGNSCOE is one appropriate place where every child gets an equal opportunity to think, wonder, visualize, explore, experiment, take decisions and enrich oneself through experiences. Our Engineering College aspires to meet the mounting needs of Industry, Trade and Business by developing future dedicated engineers/entrepreneurs of strong mettle and integrity.

I hope you work diligently towards your goals and take due advantage of all our unique ultra-modern facilities. I wish you all success in your future endeavors and may the Almighty bless you always.

'Even a simple good wish can turn into a big achievement if you have enough will'

- Ravindra G. Sapkal

Dr. Ravindra G. Sapkal
Chairman & Managing Director
Sapkal Knowledge Hub

VICE CHAIRPERSON'S MESSAGE

Dear prospective Parents and Students,

Sapkal Knowledge Hub is all about pursuing academic excellence, value based education and providing a conducive environment for overall personality development of students. The academic programs offered by SKH are comprehensive and are continuously being updated to keep pace with latest developments and innovations in associated disciplines with necessary blend of technology.

Late G. N. Sapkal College of Engineering is an important part of our educational pursuit. The college has come a long way since its inception in 2009. Within this short span of time, it has emerged as one of the leading Engineering College in Maharashtra. LGNSCOE is making every effort to nurture young Engineers with global mindset embedded in Indian roots.

We have a perfect blend of academics, team leadership and dynamic environment to motivate everyone - Faculty, staff and students to deliver their best. We have a very competent and dedicated core faculty team. In addition to their excellent teaching, the faculty members are actively involved in research and consultancy.

We are looking for students who can utilize our high standard of teaching learning services with 'Educational Technology Approach', using state-of-the art audiovisual aids and Internet/Intranet. Our objective is to create a class of qualified, innovative and dynamic professionals for the Engineering sector, for self-employment and for academic & research institutions of socio-economic importance.

On behalf of the staff and management of Sapkal Knowledge Hub, I extend a warm welcome to one and all.

With very best wishes.

'Creativity is not the finding of a thing, but the making something out of it after it is found'

- James Russell Lowell

Hon. Mrs. Kalyani R. Sapkal,
Vice- Chairperson,
Sapkal Knowledge Hub

PRINCIPAL'S DESK

Dear Students and Parents,

I welcome you all to Kalyani Charitable Trust's Late G. N. Sapkal College of Engineering, established in 2009, which is housed on a sprawling picturesque campus of 110 acres at Sahyadri foot hills, abode of Lord Shri Trimbakeshwar Jyotirling, at Anjaneri on Trimbakeshwar road, Nashik. This institute is part of Sapkal Knowledge Hub, with excellent infrastructure and our motto is to provide "World Class Education from KG to PG". I am proud to say that the academic discipline is designed with space for individual innovations. Experienced faculty members with rich experience in diversified fields of engineering are the strengths of the college.

Engineering & Technology play an important in the development and progress of not only society but the whole world. We provide an opportunity to our aspirants to empower themselves with the wings of knowledge and power of innovation.

While pursuing academic excellence, we ensure an all-round personality development of every student. The Teaching-learning process has a conducive environment, with liberty and discipline, which is utmost important in the process of molding engineers.

A well-planned, beautifully landscaped and neatly maintained campus provides all the state-of-the-art modern facilities at par with international standards. Our team of committed and highly experienced faculty shall evolve our students into complete and competent professionals. The 'Guardian Teacher Scheme' helps students in solving their academics as well as personal problems and motivates them to achieve their goals. Along with their academics, the students are free to develop their skills in allied interests like indoor and outdoor sports, reading and cultural activities. 65% of final year eligible students were placed in various reputed Organization.

I look forward to prepare my students to face the challenges of technology and provide solutions for the betterment of society and our nation and hope you will utilize this prized opportunity to its full extent and finally emerge as one among the brightest stars in the horizon of success.

"Start where you are. Use what you have. Do what you can."
- Arthur Ashe

Prof. (Dr.) S. B. Bagal
Principal

Kalyani Charitable Trust's
Late G. N. Sapkal College of Engineering
Accredited with 'B' Grade by NAAC

BACHELORS OF ENGINEERING IN
(CIVIL, COMPUTER, ELECTRICAL, E & TC AND MECHANICAL)

MASTERS OF ENGINEERING IN CIVIL ENGINEERING (STRUCTURAL),
COMPUTER ENGINEERING, E & TC ENGINEERING (SIGNAL PROCESSING) &
MECHANICAL ENGINEERING (DESIGN)

Learn, Research, Develop & Revolutionize

LGNSCOE aims at delivering students possessing broad based knowledge, multi-disciplinary skills & global competencies. The program objective is to develop amongst the students understanding of innovative technology & the analytical ability to address the strategic & practical issues in Industry. The college takes it as its sacred duty to its students in getting right placement in the industry and regulatory bodies. It shall also recommend students for admission to higher studies in India and Abroad.

Dedicated to advancing in the field of engineering with innovative and meaningful research, it provide students with the fundamental knowledge, problem solving skills, business awareness and confidence required to be leaders in the global environment. It Strive to harness a collaborative partnership with industries and build team players.

VISION:

To become a globally recognized engineering institute through innovation, research and quality education.

MISSION:

To become a leading technical institution by achieving excellence in teaching-learning process and providing an environment helpful for nurturing innovation, creativity, team-spirit, moral ethics and leadership for the welfare of the society.

COLLEGE OBJECTIVES:

- Provide facilities for quality technical education to every student admitted to the college and facilitate the development of all round personality of the students.
- To provide an enthusiastic, motivating, inspiring and equally accessible teaching - learning environment for growth of faculty and students.
- To motivate staff and students by Providing incentives and encouragement for organizing and participation in in-house and outside Training programs, seminars, conferences, workshops and research-innovative projects for qualitative development.
- To promote entrepreneurship while inculcating leadership using innovation and cultivate social, ethical and professional responsibility amongst students.
- Institute is committed to shape the budding technocrats for innovation and research through dynamic education by integration of industry and academic needs.

OUR PILLARS:

Late G. N. Sapkal College of Engineering, Anjaneri, Nashik possesses highly qualified faculty with rich experience in teaching and industry. They not only advise but mentor the students through their education and well beyond. The in-house teaching faculties are supplemented with visiting & guest faculty members carefully chosen from the corporate world from varied professions. This gives the student an insight to practical application of their classroom understanding and equips them to face the rigours of life at the global level.

NAME OF THE FACULTY	DESIGNATION	QUALIFICATION
Prof. (Dr.) Sahebrao B. Bagal	Principal	M.E. (E & TC), Ph. D.
Prof. (Dr.) Sachin S. Harak	Professor & Administrative Officer	M.E.(Mechanical), Ph. D.
Prof. (Dr.) Nilesh R. Wankhade	Associate Prof. & Head, Computer Engineering	M.E. (Computer), Ph. D.
Prof. (Dr.) Dayanand P. Joshi	Professor, Civil Engineering	M.E.(Structures), Ph. D.
Prof. Tushar Y. Badgujar	Associate Prof. & Head, Mechanical Engineering	M.E. (Mechanical), Ph. D. (Pursuing)
Prof. Ravindra N. Baji	Associate Prof. & Head, Electrical Engineering	M.E. (Electrical Power System)
Prof. Sachin B. Borse	Assistant Prof. & Head, E & TC Engineering	M.E.(Digital Electronics)
Prof. Sandip G. Bagul	Assistant Professor & FE Co-Ordinator	M.Sc Mathematics

OTHER FEATURES

- + Well qualified & experienced faculty
 - + State of Art Infrastructure
 - + Teacher Guardian Scheme for Mentoring Students
 - + Government Scholarships for Eligible Students
 - + Scholarships for Meritorious Students
 - + Clean and Green Campus
 - + Well Furnished Classrooms & Laboratories
 - + Hi tech Laboratories
 - + Spacious Computer Centre
- + Wi-Fi enabled Campus
 - + Central Library and Reading Room
 - + Spacious Canteen & Dinning facilities
 - + Hospital with residential Doctors
 - + Spacious Auditoriums and Amphitheatre
 - + Sports Club, Cricket Ground and Swimming Pool
 - + Boys and Girls Hostel
 - + Excellent Transport
 - + Students Store and Coffee Shop

COURSES OFFERED

Under Graduate courses.

UG Courses	First Year Intake	Duration	Eligibility
1) Civil Engineering	120	4 Years &	As per UGC & DTE Norms.
2) Mechanical Engineering	120	3 Years for	
3) Computer Engineering	60	Direct admitted	
4) E & TC Engineering	60	second year	
5) Electrical Engineering	30	students	

Post Graduate courses.

PG Courses	Intake	Duration	Eligibility
M.E. Civil Engineering (Structural)	15	2 Years	As per UGC & DTE Norms.
M.E. Computer Engineering	15		
M.E. E & TC Engineering (Signal Processing)	15		
M.E. Mechanical Engineering (Design)	15		

DEPARTMENT OF CIVIL ENGINEERING

Civil Engineering known as mother of all Engineering is the oldest, broadest, most simple and useful of all engineering sciences. Civil engineering activities interact in many ways with the natural and social environments within which they take place. This field combines the planning, designing, executing of various structural activities. The job of a civil engineer is to plan, design and involve in the constructional activities of various public works such as buildings, dams, tunnels, sewage systems, bridges and many. It is considered as a dignified profession in the country.

The civil engineering program strives to create an awareness of ecological, social, economic and political context of engineering and attempts to prepare the civil engineer for necessary interactions with other professions and the public.

Consistent with the general program goal, of facilitating development of student competence, necessary for entry into engineering practice, the Department has developed the following program objectives.

VISION :

To be a department of excellence that produces engineers with high technical competencies to meet the current and future challenges in civil engineering.

MISSION :

- To produce graduates of high caliber, technical skills and ethical values to serve the society and nation.
- To promote innovative and original thinking in the minds of budding engineers to face future challenges.
- To provide knowledge base and consultancy services to the society.

Program Educational Objectives:

UG

- ✦ To prepare students with sound knowledge in mathematical, scientific and engineering fundamentals so as to enable them to have successful career in Civil Engineering (Pre-preparation).
- ✦ To prepare students to adopt to emerging technologies in Civil Engineering (Core Competence).
- ✦ To enable students to deploy their knowledge and skills in multidisciplinary fields (Breadth).
- ✦ To inculcate professional attributes and ethics to work in team (Professionalism).

PG

- ✦ To prepare graduates who will achieve peer-recognition; as an individual or in a team; through demonstration of good analytical, design and implementation skills.
- ✦ To prepare graduates to become effective collaborators and innovators and lead or participate in efforts to address social, technical and business challenges.

Scope for Employment/Career Opportunities

- ✦ Civil Engineering graduates have a wide variety of employment opportunities in both private and public sectors in addition to becoming successful entrepreneurs.
- ✦ Government organizations like PWD, Railways, Irrigation, Highways, Airways, Water Resources, etc.
- ✦ Construction Companies including HCC, L&T, ACC, TECHNIP, ESAR, TCE, etc.
- ✦ Research and development Organizations.

Program Content (Core Courses)

- ✦ Engineering Mechanics
- ✦ Fluid Mechanics
- ✦ Transportation Engineering
- ✦ Structural Analysis
- ✦ Water Resource Engineering
- ✦ Foundation Engineering
- ✦ Surveying
- ✦ Geotechnical Engineering
- ✦ Strength of Materials
- ✦ Structural Design
- ✦ Environmental Engineering
- ✦ Engineering Geology
- ✦ Building Planning
- ✦ Construction Management

DEPARTMENT OF COMPUTER ENGINEERING

Computer Engineering is the dynamic professional field, which offers varied career paths in both hardware engineering like microprocessors and software development each which drive computing advances in industries ranging from aerospace to healthcare. It is the curriculum which includes core principles and technological knowledge that make up the entire range of computer based systems across different industries and businesses. It exists at the intersection of technology and innovation. It teaches the principles underlying hardware, algorithms, operating systems, networks, databases, graphics, artificial intelligence, and the practice of building these systems.

VISION :

To be a centre of excellence in the field of Computer Engineering.

MISSION :

- ✦ To strengthen the competence of students in computer engineering by imparting knowledge through multi-grade modern teaching techniques and research in collaboration with institutes and industry.
- ✦ To inculcate a sense of discipline and ethical responsibilities.
- ✦ To build technocrats who can excel in their profession to satisfy societal needs.

Program Educational Objectives:

UG

- ✦ To prepare students with sound knowledge in mathematical, scientific and engineering fundamentals so as to enable them to have successful career in Computer Engineering (Pre-preparation).
- ✦ To prepare students to adapt to emerging technologies in Computer Engineering (Core Competence).
- ✦ To enable students to deploy their knowledge and skills in multidisciplinary fields (Breadth).
- ✦ To inculcate professional attributes and ethics to work in team (Professionalism).

PG

- ✦ To prepare graduates who will achieve peer-recognition; as an individual or in a team; through demonstration of good analytical, design and implementation skills.
- ✦ Graduates will have become effective collaborators and innovators, leading or participating in efforts to address social, technical and business challenges.

Scope for Employment

- ✦ Programming and Software Development as Systems analyst, User Interface Designer, Database Analyst v Information Systems Operation and Management as Database Administrator, Computer Security Specialist, Information Systems Manager, Chief Information Officer (CIO).
- ✦ Telecommunications and Networking as Network engineer/consultant, Network Administrator.
- ✦ Computer Science Research as Computer Scientist/Researcher, Artificial Intelligence Researcher, Data Miner.
- ✦ Web and Internet as Internet Applications Programmer, Web designer, Web Developer.
- ✦ Graphics and Multimedia as Computer Game Designer/Programmer, Animation/Special Effects Developer.
- ✦ Training and Support as Trainer for software applications, Technical Support Representative, Technical Writer.

Program Content (Core Courses)

- ✦ Smart System Design and Applications
- ✦ Software Design Methodologies and Testing
- ✦ High Performance Computing
- ✦ Database Management System
- ✦ Design and Analysis of Algorithms
- ✦ Principles of Modern Compiler Design
- ✦ Data Structure & Algorithms
- ✦ Software Engineering
- ✦ Object Oriented Programming
- ✦ Computer Network
- ✦ Theory of Computation

DEPARTMENT OF ELECTRICAL ENGINEERING

The Department of Electrical Engineering is a blend of teaching and research activities pertaining to students. At present, the Department offers Bachelor of Engineering Degree. The diversity is reflected in the breadth of theoretical and laboratory courses that are on offer. The Department firmly believes in imparting a strong hands-on flavour to the courses that a student takes, and places emphasis on the laboratory component, internships, and projects. The Department has a healthy mixture of young and experienced faculty members, all of whom display high levels of enthusiasm and dedication. Apart from teaching and research, the faculties are actively involved in organizing technical workshops, camps, Seminars, Expert Talk, Industrial visits, Vocational Training, Internship in Industry.

Electrical Energy is required extensively for Domestic and Industrial & Commercial use. Thus, opportunities for electrical engineers are wide open in Almost every field. Students gain adequate knowledge through the programme to pursue a career in Electrical Engineering, Software field and R&D sector. They also have the option of pursuing higher studies and Entrepreneurship ventures. They can be employed in Electrical, Telecommunication, Computer hardware or software, Network, and Automobile industries. Consumer Goods sector, Power stations, designing and Manufacturing of Electrical equipment, Electrical Machines, and many others employment avenues are also open for the Graduates of Electrical Engineering Keeping in view the above thought, it was decided to open the Electrical Department and was established in the year of 2013 with intake of 60 for Bachelor of Engineering program. The department is fully developing with all latest equipment & machinery for academic as well as industrial research.

VISION :

To be a centre of excellence in the field of Electrical Engineering.

MISSION :

- To mould students to face global challenges by imparting core electrical knowledge through an enthusiastic learning environment.
- To pursue excellence in innovation aimed at providing solution to challenges in electrical engineering.
- To prepare graduates with high ethical standards and leadership qualities for serving the society and nation at large.

Program Educational Objectives :

UG

- ✦ To prepare students with sound knowledge in mathematical, sciatic and engineering fundamentals so as to enable them to have successful career in Electrical Engineering (Pre-preparation).
- ✦ To prepare students to adopt to emerging technologies in Electrical Engineering (Core Competence).
- ✦ To enable students to deploy their knowledge and skills in multidisciplinary fields (Breadth).
- ✦ To inculcate professional attributes and ethics to work in team (Professionalism).

Scope for Employment

- ✦ To prepare students with sound knowledge in mathematical, sciatic and engineering fundamentals so as to enable them to have successful career in Electrical Engineering (Pre-preparation).
- ✦ To prepare students to adopt to emerging technologies in Electrical Engineering (Core Competence).
- ✦ To enable students to deploy their knowledge and skills in multidisciplinary fields (Breadth).
- ✦ To inculcate professional attributes and ethics to work in team (Professionalism).

Program Content (Core Courses)

- ✦ Material Science
- ✦ Analog & Digital Electronics
- ✦ Electrical Measurements and Instrumentation
- ✦ Modern Manufacturing Techniques
- ✦ Network Analysis
- ✦ Microprocessor Fundamental & Applications
- ✦ Micro-controller Applications
- ✦ Electrical Installation, Maintenance & Testing
- ✦ Energy Audit & Management
- ✦ Design of Electrical Machines
- ✦ PLC and SCADA Applications
- ✦ Power System Operation and Control
- ✦ Industrial Drives and Control

DEPARTMENT OF ELECTRONICS & TELECOMMUNICATION ENGINEERING

The Electronics & Telecommunication is now a part of our everyday life, from your pocket FM radio to televisions, computers, mobile phones and even the high-end satellites that process and send images. The major driving force for the present day Information Technology revolution is the development in Electronics & Telecommunication Engineering. The advancements in microelectronics, satellite, optical fiber technology, analog and digital communication techniques results in developing complex electronics devices and circuits.

These advancements are helpful for implementing fast and efficient systems. Penetration of Electronics & Telecommunication has now revolutionalised other areas like health care, instrumentation, automation, remote sensing, and signal processing. Real time transfer of audio and video signals is now possible with recent trends in broad band technologies. Knowledge of computer hardware, networking equipment and communication systems enables Electronics & Telecommunication engineering graduate to annex an edge in the IT job market.

VISION :

To empower students in the field of Electronics and Telecommunication and develop trained professionals for the betterment of Society.

MISSION :

- To provide students with extensive knowledge & skill based education through excellent teaching learning process in collaboration with Industry and Research Organizations.
- To develop students with a multi-disciplinary attitude and high ethical standards by providing encouraging environment.

Program Educational Objectives:

UG

- ✦ To prepare students with sound knowledge in mathematical, scientific and engineering fundamentals so as to enable them to have successful career in Electronics and Telecommunication Engineering (Pre-preparation).
- ✦ To prepare students to adopt to emerging technologies in Electronics and Telecommunication Engineering (Core Competence).
- ✦ To enable students to deploy their knowledge and skills in multidisciplinary fields (Breadth).

PG

- ✦ To prepare graduates who will achieve peer recognition; as an individual or in a team; through demonstration of good analytical, design and implementation skills.
- ✦ Graduates will have become efficient collaborators and innovators, leading or participating in efforts to address social, technical and business challenges.

Scope for Employment

- ✦ E & TC engineer can find job in consumer electronics manufacturing organization, radio & television, defense, space, IT industries, health care equipment manufacturing industry, mobile communication,
- ✦ Internet technologies, power electronics and other industries like steel, petroleum and chemical industry, for electronic maintenance and testing production process.
- ✦ E & TC Engineer can get a job in central government, state governments and their sponsored corporations in public enterprises such as All India Radio, Indian Telephone Industries, ISRO, DRDO,

- ✦ BSNL, MTNL, National Physical Laboratories, AIR, Civil Aviation Department, National Physical
- ✦ Laboratory, Bharat Electronics Limited, Philips, Samsung, and Videocon etc.

Program Content (Core Courses)

- ✦ Semiconductor Devices and Circuits
- ✦ Analog and Digital Circuits
- ✦ Linear Integrated Circuits
- ✦ Signals and Systems
- ✦ Digital Signal Processing
- ✦ Communication Engineering
- ✦ Digital Communication
- ✦ Micro-processor and Micro-controller
- ✦ Satellite Communication
- ✦ Microwave Engineering
- ✦ Telecommunication Switching Networks
- ✦ Fiber Optic Communications
- ✦ VLSI Design and Technology
- ✦ Embedded System

DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical engineering is one of the oldest most widely ranged engineering disciplines leading to broader choice of career option. Each and every sector of the industry requires mechanical engineers. Nowadays mechanical engineering professionals are not just responsible for designing conventional machineries but also involved in designing sophisticated material handling equipment's like Robots and Aircraft Design.

The role of a mechanical engineer is to take a product from an idea to the marketplace. In order to accomplish this, a broad range of skills are needed. The mechanical engineer needs to acquire particular skills and knowledge. Perhaps the one skill that is the mechanical engineer's exclusive domain is the ability to analyze and design objects and systems with motion.

VISION :

To be recognized as a leader in Mechanical engineering through excellence in education and research.

MISSION :

- To mold students to be globally competitive mechanical engineers by providing an environment of academic excellence that nurtures the creativity and innovativeness for them.
- To educate students about moral, professional and ethical responsibilities for the betterment of humanity and to develop qualities for self-sustained growth.

Program Educational Objectives:

UG

- ✦ To prepare students with sound knowledge in mathematical, scientific and engineering fundamentals so as to enable them to have successful career in Mechanical Engineering (Pre-preparation).
- ✦ To prepare students to adopt to emerging technologies in Mechanical Engineering (Core Competence).
- ✦ To enable students to deploy their knowledge and skills in multidisciplinary fields (Breadth).
- ✦ To inculcate professional attributes and ethics to work in team (Professionalism).

PG

- ✦ To prepare graduates who will achieve peer-recognition; as an individual or in a team; through demonstration of good analytical, design and implementation skills.
- ✦ Graduates will have become effective collaborators and innovators, leading or participating in efforts to address social, technical and business challenges.

Scope for Employment

- ✦ Practically every company that manufactures a product employs a mechanical engineer. But mechanical engineers can also be found in other professions as defence, government, medicine, law or teaching.
- ✦ Major area of employment for mechanical engineer is manufacturing. Manufacturing jobs cover nearly everything involved in developing a product, from selecting the appropriate materials to choosing the correct machinery to manufacture the product.
- ✦ Most mechanical engineers in this industry work for equipment manufacturers, utilities, material processing plants, transportation companies, and petroleum companies. They also work with small firms, consultants, engineering colleges, and research labs.
- ✦ Specific assignments might involve research and development; design of equipment or systems, supervision of production, plant engineering, administration, sales engineering, the testing and evaluation of machines and entire plants.
- ✦ With a degree in mechanical engineering the graduate can work in multiple industries few of them are mentioned below
- ✦ Automotive Industry- designing, manufacturing, distribution and marketing of motor vehicles.
- ✦ Chemical industry- covers oil companies, chemicals manufacturers and the businesses that support them (e.g. to build new plants or develop new process technologies)
- ✦ Construction industry- designs and builds infrastructure, buildings and buildings services (e.g. heating and ventilation)
- ✦ Defense industry- provides equipment, support and services for the armed forces and national security.
- ✦ Fast moving consumer goods industry- manufactures products such as household cleaning items, personal hygiene goods and convenience foods.
- ✦ Marine industry- develops and helps operate vessels.

- ✦ Rail industry- designs, constructs, manages and maintains rail system components from trains and tracks to electrical power systems and train control systems.
- ✦ Materials and metals industry- activities include developing new materials manufacturing components or end products.
- ✦ Utilities industry- helps supply power, water, waste management and telecoms.

Program Content (Core Courses)

- ✦ Applied Thermodynamics
- ✦ Material Science
- ✦ Fluid Mechanics
- ✦ Manufacturing Processes
- ✦ Theory of Machines
- ✦ IC Engines and automobile Engineering
- ✦ Heat Transfer

- ✦ Refrigeration and Air Conditioning
- ✦ Power Plant Engineering
- ✦ Industrial Fluid Power
- ✦ Gas Turbine and Jet Propulsion
- ✦ Mechanical System Design
- ✦ CAD CAM and Automation
- ✦ Design of Machines

DEPARTMENT OF APPLIED SCIENCE

Applied science is a discipline that is used to apply existing scientific knowledge to develop more practical applications, for example: technology or inventions. In natural science, basic science (or pure science) is used to develop information to explain phenomena in the natural world.

Department of Applied Sciences strives for increasing the knowledge, enhancing the critical thinking, ability to change information into knowledge and power of analyzing the things technically of each and every individual of ever changing society through students.

Department of Applied Sciences plays a vital role in an engineering college catering to the teaching of basic Sciences and Humanities courses for engineering students of all branches. The purpose of applied sciences in Engineering study is to lay a strong foundation of basic principles of various disciplines such as Mathematics, Physics, Chemistry and Communication Skills in the mind of the learners, so that they proceed to rest of their years of study with up to date knowledge and training of basic engineering skills.

The Department of Applied Science has senior, experienced and highly qualified staffs in all areas of specializations. Applied Science comprises the subjects like Physics, chemistry and Mathematics. These subjects are mainly concerned with the first year degree engineering course. Applied science department has the following laboratories:

• Physics Lab | Chemistry Lab | Language Lab

The laboratories are well equipped with advanced equipments required for conducting the various laboratory experiments of all the subjects. This Department interacts directly with the parents and personal attention has been paid to every entrant to have a feel at home. It also has introduced Teacher Guardian Scheme to carry out the periodical academic evaluation of students. Classrooms are well equipped with high quality furniture's, Over Head Projectors (OHP) and other teaching aids to promote effective for teaching-learning process.

TRAINING & PLACEMENT CELL

Engineering education in India has boomed in recent two decades, through innovation, creativity and ultimately helping the Nation to grow economically. Numbers of engineering colleges in Nashik region itself has increased considerably in last few years. In this direction, role of Training and Placement department has become extremely important, as it intends to enable the opportunities of job creation, encourage risk taking and innovation and improve the global competitiveness of the student. The efforts to promote this activity would not merely be focused on conductions of Mock aptitude test, GD and Interview only, rather our department aims at to make effort to initiate a process so an attitudinal change could be brought among aspiring students and once this is achieved, efforts to be made to transform student to successful technocrats.

These technocrats would apply their conceptual skills and knowledge in their jobs and make the world a happening place to live. With this motive in mind various seminars and workshop like, were organized for final year students.

- Study options available in abroad.
- Preparation for Competitive Exam.
- Career as class-1 officer in the Indian armed forces.
- Expert Lecture on ‘Entrepreneurship as a Career Option’.
- “Web designing using PHP”.
- One week Campus Recruitment Training & Development Program.

We proudly say that around 65% of our eligible students got placed in various reputed organization. Also LGNCOE has received Gold ranking during AICTE-CII Survey of industry-linked Technical Institute 2016.

VISION :

Transforming the learners into industry oriented employable professionals.

MISSION :

- To undertake activities related to employability enhancement of the learners.
- To act as a liaison between industry and institute for mutually beneficial relationship and collaboration.

Objectives

- + To assist students develop their academic and career interests and their short and long term goals through individual counseling and group sessions.
- + To assist students develop and implement successful job search strategies through counseling.
- + To work with faculty members, department heads and administration to integrate career planning with curriculum as well as coordinate project work/ summer training/ internship programs.
- + To assist our students in obtaining final placements in reputed companies.
- + To organize campus interviews for final year students with industries and business houses of repute from all over Maharashtra / India.
- + Up gradation of the students communication skills and personality development by inviting experts from

industry/academia for seminar, trainings and workshops.

- + Providing assistance to the students for completing summer training projects / internships.
- + Act as a link between students, alumni and the employment community.

List of few students who have been selected/ placed during Academic year 2019-20

S. No.	NAME OF THE STUDENT	Company	BRANCH
1	Kunal S. Pakhale	Computer	Infosys
2	Bhagyashri S.Janjal	Computer	Infosys
3	Mehul B. Prajapati	Computer	Capgemini Technology services India Ltd

Student Participation & Prize Winner In Extra Curriculum Activity, Academic Year 2019-20

Sr. No.	Name of Student	Class	Name of Event	Level	Position
1.	1.Yash Patil 2.Pranjali Dusane 3.Pooja Rao 4.Priyanka Sutar	BE-Comp	e-Project Competition in UG category at LGNSCOE, Nashik.	College	2nd Prize
2.	Rohan Jangle	TE-Comp	Debate and Speech Competition on the occasion of Teachers Day at LGNSCOE, Nashik.	College	1st Prize
3.	Harshada Patil	TE-Comp	Poster Competition Art Gallery at LGNSCOE, Nashik.	State	2nd Prize
4.	Harshada Patil	TE-Comp	Poster Competition on the occasion of Teachers Day at LGNSCOE, Nashik.	College	2nd Prize
5.	Aditi Patil	TE-Comp	Student Badminton Competition at LGNSCOE, Nashik.	College	2nd Prize
6.	Saurabh Fulpagar	TE-Comp	Salad Decoration Competition in ART Gallery Organized at LGNSCOE, Nashik.	College	1st Prize
7.	1.Shaunak Kapadne 2.Kalpak Kulkarni	TE-Comp	Football Match Engineering Vs Hostel at LGNSCOE, Nashik.	College	1st Prize
8.	Rachana Sandhan	TE-Comp	Poster Competition Art Gallery at LGNSCOE, Nashik.	College	1st Prize
9.	Mrunal Surse	TE-Comp	Dancing Competition Historical Day at LGNSCOE, Nashik.	College	1st Prize
10.	Jagruti Bhamare	TE-Comp	Aptitude Test at LGNSCOE, Nashik.	College	1st Prize
11.	1. Swapnil Thakare 2. Kalyani Mandekar 3. Hrishikesh Sonawane 4. Vaishnavi Suryawanshi	BE-Elect	SKH Project e-Competition at LGNSCOE, Nashik.	College	2nd Prize
12.	1. Badgujar Dhanashri 2. Jadhav Kalpesh 3. Bhamare Kajal	BE-E&TC	SKH Project e-Competition at LGNSCOE, Nashik.	College	3rd Prize

Seminar / Conferences / Workshop / Other Events Organized in the Institute for Academic Year 2019-20

Sr. No.	Title	Level	Sponsoring Agency	Dates	Department	Co-ordinator
1.	Savitribai Phule Jayanti Celebration	College	LGNSCOE, Nashik	3/01/2020	E & TC Engineering	Prof. L. S. More
2.	Guest Lecture on Golden Opportunities for civil Engineering in Government Sector	College	LGNSCOE, Nashik	23/01/2020	Civil (CESA)	Prof. R. M. Jadhav
3.	Expert talk on AIR	College	Gate Forum, Nashik	23/01/2020	Computer Engineering	Prof. S. S. Shinde
4.	Road Safety Awareness Program. (Road Safety Week)	College	Department Self, Nashik	23/01/2020	Mechanical Engineering	Prof. R. R. Chaudhari
5.	Why and how to crack GATE exam	College	LGNSCOE, Nashik	24/01/2020	Electrical Engineering	Prof. S. N. Hurdade
6.	Expert talk on Google ML Program	College	LGNSCOE, Nashik	27/01/2020	Computer Engineering	Prof. A. S. Gaikwad
7.	Workshop on "Internet of Things"	College	LGNSCOE, Nashik	27/01/2020 to 28/01/2020	Computer Engineering	Prof. J. P. Kakad
8.	One day seminar on Red Hat Linux	College	LGNSCOE, Nashik	29/01/2020	E & TC Engineering	Prof. S. G. Bagul
9.	Seminar on Red Hat	College	Red Hat Academy	29/01/2020	Computer Engineering	Prof. K. P. Mule
10.	Cancer Awareness Campaign	National	LGNSCOE, Nashik	04/02/2020	Civil Engineering	Dr. D. P. Joshi Prof. P. D. Dawre Prof. R. M. Jadhav Prof. I. J. Bathe Prof. K. M. Deore
11.	Guest Lecture on Practical based on various function available in total station.	State	LGNSCOE, Nashik	24/02/2020	Civil Engineering	Prof. R. M. Jadhav
12.	Guest Lecture on Structural Geology and its Application in civil Engineering	State	LGNSCOE, Nashik	24/02/2020	Civil Engineering	Prof. I. J. Bathe
13.	Science Day celebration	State	LGNSCOE, Nashik	28/02/2020	E & TC Engineering	Prof. S. G. Bagul

Seminar / Conferences / Workshop / Other Events Organized in the Institute for A Y 2019-20

Sr. No.	Title	Level	Sponsoring Agency	Dates	Department	Co-ordinator
14.	A seminar on 'Gender Equality' on the occasion of Women's Day	College	LGNSCOE, Nashik	11/03/2020	E & TC Engineering	Prof. S. R. Baji
15.	SKH Project e-Competition	College	LGNSCOE, Nashik	25/05/2020 to 10/07/2020	Electrical Engineering	Prof. S. N. Hurdade Prof. P.V. Mohod
16.	Workshop on Remote sensing and GIS Training	State	LGNSCOE, Nashik	8/08/2019	Civil Department	Prof. I. J. Bathe Prof. R. M. Jadhav
17.	Workshop on Android	College	CSI student chapter	29/08/2019 to 30/08/2019	Computer Engineering	Prof. A. S. Gaikwad
18.	6th ASSET Anniversary ,Teachers Day and Engineers day celebration	College	LGNSCOE, Nashik	5/09/2019	E & TC Engineering	Prof. S. G. Bagul
19.	PCB designing & Simulation using Proteus	College	LGNSCOE, Nashik	11/09/2019 to 12/09/2019	E & TC Engineering	Prof. S. G. Bagul
20.	A workshop on CMOS Design using Microwind	College	LGNSCOE, Nashik	16/09/2019	E & TC Engineering	Prof. S. R. Baji
21.	Aptitude test for students	College	LGNSCOE, Nashik	17/09/2019	Computer Engineering	Prof. S. S. Shinde Prof. D. D. sharma
22.	Guidance for UPSC& MPSC Exam	College	LGNSCOE, Nashik	25/09/2019	Electrical Engineering	Prof. S. B. Sonawane
23.	Advance trends in power electronics in MATLAB	College	LGNSCOE, Nashik	25/09/2019	Electrical Engineering	Prof. N.V. Hadpe
24.	A SEMINAR ON "Road Safety Awareness"	College	LGNSCOE, Nashik	30/9/2019	E & TC Engineering	Prof. S. R. Baji
25.	Connect with work and employability skill (Interview)	College	LGNSCOE, Nashik	9/10/2019	Electrical Engineering	Prof. S. N. Hurdade
26.	English, Soft Skill and Personality Development	College	LGNSCOE, Nashik	9/10/2019 To 13/10/2019	E & TC Engineering	Prof. S. B. Borse

27.	Five Day FDP on " Renewable Energy Systems"	Panimalar Institute of Technology	Prof. S. N. Hurdade	8/06/2020	12/06/2020
28.	"Faculty Awareness Programme on Outcome Based Education (OBE) and NBA Accreditation"	Sinhgad Institute of Technology and Science, Narhe,Pune	Prof. S. N. Hurdade	5/05/2020	5/05/2020
29.	Attended One day online National Workshop on "Modern Teaching Techniques Using Information & Communication Technology"	P. Wadhwani College of Pharmacy, Yavatmal	Prof. S. N. Hurdade	17/05/2020	17/05/2020
30.	Online One Week FDP on " NAAC Assessment and Accreditation"	M.S.P. Mandal's shri Shivaji College, Parbhani	Prof. S. N. Hurdade	21/05/2020	26/05/2020
31.	"Faculty Awareness Programme on Outcome Based Education (OBE) and NBA Accreditation"	Sinhgad Institute of Technology and Science, Narhe,Pune	Prof. S. N. Hurdade	5/05/2020	5/05/2020
32.	One Week Online FDP on "Recent Trends in Power Systems"	SITCOE, Yadrav.	Prof. P. V. Mohod	22/06/2020	26/06/2020
33.	Faculty Development Program on Power Quality & Reactive Power Management and making grand success.	Sharad Institute of Technology College of Engineering, Yadrav, Ichalkaranji	Prof. P. V. Mohod	1/06/2020	5/06/2020
34.	On-line Faculty Development Program on "Artificial Intelligence (AI) and Machine Learning (ML) Applications in Power Systems "	K.K.W. I.E.E & R, Nashik	Prof. P. V. Mohod	01/06/2020	03.06.2020
35.	One Week WORKSHOP on LATEX,	MIT College Of Railway Engineering And Research, Barshi	Prof. P. V. Mohod	14/05/2020	17/05/2020
36.	An online STTP on "MATLAB based teaching-learning in Mathematics, Science and Engineering"	Ramrao Adik Institute of Technology, Nerul, Navi Mumbai.	Prof. P. V. Mohod	18/05/2020	22/05/2020
37.	One week FDP on Modern trends in electrical drives	NIT , Nagpur	Prof. P. V. Mohod	19/05/2020	23/05/2020
38.	One Week Online FDP on "Recent Trends in Power Systems"	SITCOE, Yadrav, Ichalkaranji	Prof. P. V. Mohod	22/06/2020	26/06/2020
39.	Faculty Development Program on Power Quality & Reactive Power Management and making grand success.	Sharad Institute of Technology College of Engineering, Yadrav, Ichalkaranji	Prof. P. V. Mohod	1/06/2020	5/06/2020
40.	On-line Faculty Development Program on "Artificial Intelligence (AI) and Machine Learning (ML) Applications in Power Systems "	K.K.W. I.E.E & R, Nashik.	Prof. P. V. Mohod	1/06/2020	3/06/2020
41.	One week FDP on "Modern trends in electrical drives"	NIT, Nagpur	Prof. S. S. Tidke	9/05/2020	23/05/2020

Staff achievement for A Y 2019-2020 Computer

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
1	FDP on "Recent Trends & Innovations in Digital Forensic"	AISSMS Institute of Information Technology, Pune	Prof. J. V. Shinde	25/05/2020	30/05/2020
2.	Faculty Development Program "Machine Learning using Python"	Sandip Institute of Technology and Research Centre, Nashik	Prof. J. V. Shinde	21/05/2020	25/05/2020
3.	Faculty Development Program on "Cyber Security and Malware Analysis"	GIET College of Engineering Andhra-pradesh	Prof. S. S. Shinde	28/05/2020	29/05/2020
4.	Faculty Awareness Program on NBA and Outcome Based Education (OBE)	Shree Shivaji College Parabhani	Prof. S. S. Shinde	2/05/2020	2/05/2020
5.	UGC Paramarsh Faculty Development Program on "NAAC Assessment and Accreditation"	Shri Sai Shikshan Sanstha's Ngpur Institute of Technology, Nagpur	Prof. S. S. Shinde	21/05/2020	26/05/2020
6.	"Faculty Awareness Programme on Outcome Based Education (OBE) and NBA Accreditation"	Sinhgad Institute of Technology and Science, Narhe,Pune	Prof. S. S. Shinde	5/05/2020	5/05/2020
7.	Faculty Development Programme on "Climbing the Ladder of Education System Through Innovation & E- Learning Tools "	Sir Visveshwaraya Institute of Technology Nashik	Prof. S. S. Shinde	4/5/2020	9/052020
8.	FDP on Moodle Learning Management System	Dr. G. Y. Pathrikar college of Computer Science and Information Technology	Prof. S. S. Shinde	7/5/2020	12/052020
9.	Faculty Development Program on Python 3.4.3	MET's Institute of Engineering, Nashik	Prof. S. S. Shinde	26/04/2020	30/04/2020
10.	Online Workshop on Python Programming and applicaions in AI and Data Science	KKWIEER Nashik	Prof. A. S. Gaikwad	28/05/2020	30/05/2020
11.	Faculty Awareness Program on "NBA and Outcome Based Education (OBE)"	JSPM Narhe Technical Campus	Prof. A. S. Gaikwad	5/05/2020	5/05/2020
12.	Faculty Development Program on Python 3.4.3	MET's Institute of Engineering, Nashik	Prof. A. S. Gaikwad	26/04/2020	30/04/2020
13.	Faculty Development Programme on "Effective Proposal Writing for Research and Funding"	Sandip Foundation's Sandip Institute of Technology & Research Centre, Nashik.	Prof. A. S. Gaikwad	13/05/2020	18/05/2020

Staff achievement for A Y 2019-2020 Computer

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
14.	Faculty development program on "OOP & Computer Graphics Laboratory"	Anantrao Pawar College of Engineering & Research, Parvati, Pune,	Prof. A. V. Raut	11/07/20	11/07/20
15.	Two Days Online National Level Workshop on "Core JAVA"	Internal Quality Assurance Cell (IQAC) of STES's Systel Institute of Management and Research, Dhule (M.S.),	Prof. A. V. Raut	7/07/2020	8/07/2020
16.	One Day Faculty Development Program on "Digital Electronics Laboratory"	One Day Faculty Development Program on "Digital Electronics Laboratory"	Prof. J. P. Kakad	6/07/2020	6/07/2020
17.	FDP on "Recent Trends & Innovations in Digital Forensic"	AISSMS Institute of Information Technology, Pune	Prof. J. P. Kakad	25/05/2020	30/05/2020
18.	One day Online FDP on "Data Structure Laboratory"	Bharati Vidyapeeth's College Of Engineering, Lavale, Pune	Prof. J. P. Kakad	8/07/2020	8/07/2020
19.	One day faculty development program on "Fundamentals of Data Structures"	Pune Institute of Computer Technology, Pune	Prof. J. P. Kakad	3/07/2020	3/07/2020
20.	Faculty development program on "OOP & Computer Graphics Laboratory"	Anantrao Pawar College of Engineering & Research, Parvati, Pune,	Prof. J. P. Kakad	11/07/2020	11/07/2020
21.	FDP on "Recent Trends & Innovations in Digital Forensic"	AISSMS Institute of Information Technology, Pune	Prof. R. S. Jadhav	25/05/2020	30/05/2020
22.	FDP on "Explore Python"	Priyadarshini College of Engineering Nagpur	Prof. R. S. Jadhav	8/06/2020	13/06/2020
23.	Faculty Development Program on "Emerging Technologies: RHCSA & AZURE"	Deogiri Institute Of Engineering And Management Studies, Aurangabad	Prof. R. S. Jadhav	26/06/2020	30/06/2020
24.	One day Online FDP on "Data Structure Laboratory"	Bharati Vidyapeeth's College Of Engineering,Lavale, Pune	Prof. D. D. Sharma	8/07/2020	8/07/2020
25.	Faculty development program on "OOP & Computer Graphics Laboratory"	Anantrao Pawar College of Engineering & Research, Parvati, Pune,	Prof. D. D. Sharma	11/07/2020	11/07/2020
26.	Two Days Online National Level Workshop on "Core JAVA"	Internal Quality Assurance Cell (IQAC) of STES's Systel Institute of Management and Research, Dhule (M.S.),	Prof. D. D. Sharma	7/07/2020	8/07/2020

Staff achievement for A Y 2019-2020 Computer

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
27.	FDP on Cyber Security and Cyber Laws	Lokamnya Tilak College of Engineering Navi Mumbai	Prof. D. D. Sharma	30/06/2020	4/07/2020
28.	One day faculty development program on "Fundamentals of Data Structures"	Pune Institute of Computer Technology, Pune	Prof. D. D. Sharma	3/07/2020	3/07/2020
29.	FDP on "Explore Python"	Priyadarshini College of Engineering Nagpur	Prof. D. D. Sharma	8/06/2020	13/06/2020
30.	Faculty Development Program on "Data Science using R",	KKWIEER Nashik	Prof. D. D. Sharma	28/05/2020	30/05/2020
31.	Faculty Development Program on "Emerging Technologies: RHCSA & AZURE"	Deogiri Institute Of Engineering And Management Studies, Aurangabad	Prof. D. D. Sharma	26/06/2020	30/06/2020
32.	FDP on "Explore Python"	Priyadarshini College of Engineering Nagpur	Prof. R. R. Chavan	8/06/2020	13/06/2020
33.	"Online National Level FDP on "Recent Trends & Innovations in Digital Forensic"	"AISSMS Institute of Information Technology, Pune-01"	Prof. K. P. Mule	25/05/2020	30/05/2020
34.	International Technical Symposium on "Opportunities & Challenges in Industry 4.0"	G. S. Mandal's Maharashtra Institute of Technology, Aurangabad	Prof. K. P. Mule	15/06/2020	17/06/2020
35.	"Online Faculty Development Programme on ""Data Science Using R"	"Late G. N.sapkal College Of Engineering,nasik "	Prof. K. P. Mule	28/05/2020	30/05/2020
36.	Online FDP on "Humanity and Social Science"	Modern Education Society's College of Engineering, Pune-01	Prof. K. P. Mule	6/06/2020	6/06/2020
37.	Faculty Development Program on "Emerging Technologies: RHCSA & AZURE"	Deogiri Institute Of Engineering And Management Studies, Aurangabad	Prof. K. P. Mule	26/06/2020	30/06/2020
38.	FDP on "Recent Trends & Innovations in Digital Forensic"	"AISSMS Institute of Information Technology, Pune"	Prof. T. P. Deore	5/05/2020	30/05/2020
39.	Workshop on "Core JAVA"	" Internal Quality Assurance Cell (IQAC) of STES's Systel Institute of Management and Research, Dhule (M.S.)"	Prof. T. P. Deore	7/07/2020	8/07/2020

Staff achievement for A Y 2019-2020 Computer

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
40.	"Online Faculty Development Programme on "Data Science Using R"	"Late G. N. Sapkal Knowledge of Engineering College, Nashik "	Prof. T. P. Deore	28/05/2020	30/05/2020
41.	Online FDP on "OOP & CG Laboratory"	Anantrao Pawar College of Engineering & Research, Parvati, Pune	Prof. T. P. Deore	11/07/2020	11/07/2020
42.	Faculty Development Program on "Emerging Technologies: RHCSA & AZURE"	Deogiri Institute Of Engineering And Management Studies, Aurangabad	Prof. T. P. Deore	26/06/2020	30/06/2020
43.	"Online Faculty Development Programme on ""Climbing the Ladder of Education System Through Innovation & E- Learning Tools "	Sir Visveshwaraya Institute of Technology Nashik	Prof. N. M. Deshmukh	4/05/2020	9/05/2020
44.	Short Term Online Course on "Outcome Based Education and NBA Accreditation Process"	P. R. Pote[Patil College of Engineering & Management, Amravati	Prof. N. M. Deshmukh	8/05/2020	12/05/2020
45.	" Online Faculty Development Programme on ""JAVA"	Sir Visveshwaraya Institute of Technology Nashik	Prof. N. M. Deshmukh	10/05/2020	14/05/2020
46.	"Faculty Awareness Program on "NBAAccreditation Process"	Snjb's Late Sau. Kantabai Bhavarlalji Jain College Of Engineering	Prof. N. M. Deshmukh	17/05/2020	17/05/2020
47.	"Online Faculty Development Program on ""Swift(ios) Programming Language"	MET's, Institute of Engineering, Adgaon, Nashik-03	Prof. N. M. Deshmukh	12/05/2020	16/05/2020
48.	"online FacultyDevelopment Program on ""Python 3.4.3"	MET's Institute of Engineering, Nashik	Prof. N. M. Deshmukh	26/04/2020	30/04/2020
49.	FDP on "Digital Electronics Laboratory"	"Pimpri Chinchwad College of Engineering & Research, Ravet, Pune"	Prof. P. S. Jadhav	6/07/2020	6/07/2020
50.	" Faculty development program on "Digital Electronics & Logic Design"	"Hon. Shri. Babanrao Pachpute Vichardhara Trust's Parikrama Group of Institutions, College of Engineering, Kashti"	Prof. P. S. Jadhav	8/07/2020	8/07/2020
51.	"Online FacultyDevelopment Program on ""Python 3.4.3"	MET's Institute of Engineering, Nashik	Prof. P. S. Jadhav	26/04/2020	30/04/2020

Staff achievement for A Y 2019-2020 E & TC

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
1.	Workshop on Design, Simulation, Fabrication & Testing of antennae & Microwave Integrated Circuits	KKWIEER, Nashik	Prof. M. S. Borse	20/02/2020	21/02/2020
2.	Faculty Orientation workshop on Electronic Circuits	BOS SPPU & Imperial COE, Wagholi, Pune	Prof. M. S. Borse	22/06/2020	26/06/2020
3.	FDP on "Moodle: Learning Management System(LMS)"	STES'S Smt. Kashibai Navale COE, Pune in association with Spoken tutorial, IIT Bombay	Prof. M. S. Borse	13/05/2020	17/05/2020
4.	Workshop on Design, Simulation, Fabrication & Testing of antennae & Microwave Integrated Circuits	KKWIEER, Nashik	Prof. L. S. More	20/02/2020	21/02/2020
5.	One Day "Faculty Awareness Programme on Outcome Based Education (OBE) and NBA Accreditation"	Institute of Technology and Science, Narhe, Pune.	Prof. L. S. More	5/05/2020	5/05/2020
6.	One Week Online FDP On "Moodle: Learning Management System(LSM)"	STES's Smt. Kashibai Nawale COE Pune with Spoken Tutorial IIT Bombay	Prof. L. S. More	13/05/2020	17/05/2020
7.	One Week Online Faculty Development Programme on "Effective Proposal Writing for Research and Funding"	Department of E & TC Sandip Foundation's Sandip Institute of Technology & Research Centre, Nashik In association with IEEE Women in Engineering	Prof. L. S. More	13/05/2020	18/05/2020
8.	Online STTP on MATLAB Based Teaching- Learning in Mathematics, Science & Engineering	D. Y. Patil Deemed to be University, Ramrao Adik, Institute of Technology, Navi Mumbai	Prof. L. S. More	18/05/2020	22/05/2020
9.	One week online Faculty Development Program on "ARDUINO"	Department of Electronics Engineering, Shri Ramdeo Baba College of Engineering and Management, Nagpur in association with SpokenTutorial Project, Indian Institute of Technology, Bombay	Prof. L. S. More	20/05/2020	24/05/2020
10.	One week international faculty development programme on "Innovative Trends In Engineering And Technology"	IQAC, Shree. L. R. Tiwari College of Engineering	Prof. L. S. More	25/05/2020	29/05/2020
11.	Curriculum Implementation Workshop for the course "Analog and Digital Electronics"	Department of Electrical Engineering, Sinhgad Institute of Technology, Lonavala	Prof. L. S. More	24/06/2020	24/06/2020
12.	FDP on "Research Methodology and Techniques"	Sandip Institute of Engineering and Management Nashik	Prof. L. S. More	4/07/2020	6/07/2020
13.	FDP on Remote Sensing & GIS Technology and Applications	Indian Institute of Remote Sensing(IIRS), ISRO, Dehradun	Prof. S. R. Baji	13/06/2020	1/07/2020

Staff achievement for A Y 2019-2020 E & TC

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
14.	STTP on A Practical Approach Towards Engineering for Technical Persons-Technovators 2020	PCCOE, Nigdi, Pune	Prof. S. R. Baji	7/07/2020	13/07/2020
15.	FDP on Game Pedagogy in Outcome Based Education	CSI & IETE-SF of K C College of Engineering & Management Studies & Research, Thane, Mumbai	Prof. S. R. Baji	11/06/2020	12/06/2020
16.	Workshop on Online Content Creation and Assessment Tools	KKWIEER, Nashik	Prof. S. R. Baji	4/06/2020	6/06/2020
17.	FDP on Introduction to VHDL & FSM	SVERI'S COE, Pandharpur	Prof. S. R. Baji	22/06/2020	21/06/2020
18.	FDP - UGC Paramarsh on NAAC Assessment and Accreditation passed with score 86%	ShriShivaji College, Parabhani	Prof. S. R. Baji	21/05/2020	26/05/2020
19.	FDP on Effective Proposal Writing for Research and Funding	SITRC, Nashik	Prof. S. R. Baji	13/05/2020	18/05/2020
20.	FDP on Research, Funding Projects & IPR	IETE-SF of K C College of Engineering & Management Studies & Research, Thane, Mumbai	Prof. S. R. Baji	17/05/2020	10/05/2020
21.	Workshop on Internet of Things	Universal College of Engineering, Vasai	Prof. S. R. Baji	14/05/2020	15/05/2020
22.	National Level Workshop on e-Entrepreneurship Conclave	Sandip University & KBCNM University, Jalgaon	Prof. S. R. Baji	30/05/2020	31/05/2020
23.	Workshop on LaTeX	MIT College of Railway Engineering and Research, Barshi & Spoken Tutorial Project, IIT Bombay	Prof. S. R. Baji	14/05/2020	17/05/2020
24.	Workshop on Android Apps Development	SIEM, Nashik	Prof. S. R. Baji	4/05/2020	10/05/2020
25.	Workshop on Smart Use of ICT Using WordPress	SNJB's COE, Chandwad, Nashik	Prof. S. R. Baji	11/05/2020	11/05/2020
26.	FDP on Artificial Intelligence	Anil Neerukonda Institute & Sciences, Visakhapatnam	Prof. S. R. Baji	22/05/2020	26/05/2020

Staff achievement for A Y 2019-2020 E & TC

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
27.	Workshop on NACC Awareness program for Faculty	MMIT, Pune	Prof. S. R. Baji	8/05/2020	14/05/2020
28.	STTP on Sensors, IoT and Machine Learning	KJSCOE, Mumbai	Prof. S. R. Baji	1/06/2020	5/06/2020
29.	Workshop on Design, Simulation, Fabrication & Testing of antennae & Microwave Integrated Circuits	KKWIEER, Nashik	Prof. S. R. Baji	20/02/2020	21/02/2020
30.	FDP on "Moodle: Learning Management System(LMS)"	STES'S Smt. Kashibai Navale College of Engineering, Pune in association with Spoken tutorial, IIT Bombay	Prof. S. R. Baji	13/05/2020	17/05/2020
31.	FDP on Emer+ging Trends in Industry 4.0	JSPM's Rajarshi Shahu College of Engineering, Pune	Prof. S. R. Baji	18/05/2020	29/05/2020
32.	FDP on "Arduino"	JSPM's Rajarshi Shahu College of Engineering, Pune in association with ISTE SC & Spoken tutorial, IIT Bombay	Prof. S. R. Baji	25/4/2020	30/4/2020
33.	FDP on "NAAC Awareness Programme for Faculty"	MMIT, Lohgaon	Mrs. K. J. Mahajan	8/05/2020	14/05/2020
34.	FDP on "Moodle: Learning Management System(LMS)"	STES'S Smt. Kashibai Navale COE, Pune in association with Spoken tutorial, IIT Bombay	Mrs. K. J. Mahajan	13/05/2020	17/05/2020
35.	FDP on "MATLAB Onramp" self-paced training course	Mathswork Training Services	Mrs. K. J. Mahajan	15/05/2020	15/05/2020
36.	FDP on "MATLAB based Teaching-Learning in Mathematics, Science & Engineering"	Ramrao Adik Institute of Technology, Nerul, Navi Mumbai	Mrs. K. J. Mahajan	18/05/2020	22/05/2020
37.	FDP on "Arduino"	Shri Ramdeobaba COE and Management Nagpur in association with Spoken tutorial, IIT Bombay	Mrs. K. J. Mahajan	20/05/202	24/05/2020
38.	FDP on "Patenting for Innovations"	Sanjivini College of Engineering, Kopargaon	Mrs. K. J. Mahajan	25/022020	29/05/2020
39.	FDP on "Innovative Teaching Pedagogy in Technical Institutions"	MVP's KBT College of Engineering, Nashik.	Mrs. K. J. Mahajan	1/06/2020	5/06/ 2020

Staff achievement for A Y 2019-2020 E & TC

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
40.	FDP on "Internet of Things (IOT) & its Applications in Industry"	Ramrao Adik Institute of Technology, Nerul, Navi Mumbai and B & R Automation Pvt. Ltd. Pune.	Mrs. K. J. Mahajan	8/06/2020	12/06/2020
41.	FDP on "Electrical and Electronics Engineering"	Sinhgad College of Engineering, Pune and Army Institute of Technology, Pune.	Mrs. K. J. Mahajan	17/06/2020	19/06/2020
42.	"Faculty Orientation workshop on S.E.(E&TC/ Electronics)"	K. K. Wagh Institute of Engineering Education & Research, Nashik.	Mrs. K. J. Mahajan	22/06/2020	26/062020
43.	FDP on "Python"	JSS Academy of Technical Education, Noida and Spoken Tutorial Project, IIT Bombay.	Mrs. K. J. Mahajan	22/06/2020	4/07/2020
44.	FDP on "Algorithms and Techniques for Signal Processing"	College of Engineering, Pune under TEQIP-III	Mrs. K. J. Mahajan	14/07/2020	18/07/2020
45.	FDP on "Refresher's course on Arduino & its Applications"	Sinhgad College of Engineering, Pune and Wikinote	Mrs. K. J. Mahajan	17/07/2020	21/07/2020
46.	Faculty Orientation (SE-E&TC Revised syllabus 2019C) on Electronic Skill Development (ESD) Lab	Army Institute of Technology, Dighi Hills, Pune	Prof. S. G. Bagul	23/6/2020	26/06/2020
47.	FDP On "ARDUINO"	JSPM'S, R.S.CO.E,Pune and Spoken Tutorial, IIT Bombay	Prof. S. G. Bagul	25/04/2020	30/04/2020
48.	FDP on "GEOGEBRA"	J D C.O.E and Spoken Tutorial, IIT Bombay	Prof. S. G. Bagul	1/06/2020	5/06/2020
49.	FDP on "Research Nethodology and Techniques"	S.I.E.M,Nashik	Prof. S. G. Bagul	4/07/2020	6/07/2020
50.	FDP on "Latex"	MIT,C.O.E AND Spoken Tutorial, IIT Bombay	Prof. S. G. Bagul	14/05/2020	17/05/2020
51.	FDP on "Effective proposal writing for research and funding"	SITRC, Nashik	Prof. S. G. Bagul	13/05/2020	18/5/2020
52.	FDP on "Moodle:Learning Management System(LMS)"	S.K.N.C.O.E., Pune	Prof. S. G. Bagul	13/05/2020	17/05/2020

Staff achievement for A Y 2019-2020 E & TC

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
53.	FDP on Digital Circuits (DC)	Marathwada Mitra Mandal's COE, Pune	Prof A. M. Borade	22/06/2020	26/06/2020
54.	FDP on Electronic Skill Development (ESD) Lab	Army Institute of Technology, Dighi Hills, Pune	Prof A. M. Borade	23/06/2020	26/06/2020
55.	A workshop on "Latex"	MIT college of railway Engineering, Barshi	Prof A. M. Borade	14/05/2020	17/05/2020
56.	FDP on "Effective proposal writing for research and funding"	SITRC, Nashik	Prof A. M. Borade	13/05/2020	18/05/2020
57.	STTP on "Matlab based teaching-learning"	D.Y.Patil university, Navi Mumbai	Prof. A. S. Pawar	18/03/2020	22/03/2020
58.	FDP on Arduino	Shri Ramdeobaba COE & Mgt,Nagpur	Prof. A. S. Pawar	20/03/2020	24/03/2020
59.	FDP on MOODLE leaning	SKN, PUNE	Prof. A. S. Pawar	13/05/2020	17/05/2020
60.	FDP on "Advance in Python"	Chadalawada Ramanamma Engg College, Pune	Prof. A. S. Pawar	21/05/2020	27/05/2020
61.	FDP on "R-for beginners"	SIPNA COE & Tech, Amravati	Prof. A. S. Pawar	21/05/2020	26/05/2020
62.	FDP on MOODLE leaning	Amity University, Mumbai	Prof. A. S. Pawar	29/05/2020	31/05/2020
63.	A Workshop on "e-entrepreneurship"	Sandip University, Nashik	Prof. A. S. Pawar	30/05/2020	31/05/2020
64.	FDP on Innovative Teaching Pedagogy	NDMVP, Nashik	Prof. A. S. Pawar	1/06/2020	5/06/2020
65.	FDP on "IoT"	SIEM, Nashik	Prof. A. S. Pawar	12/06/2020	14/06/2020
66.	Faculty Orientation workshop on Data structure	BOS SPPU & I2IT COE, PUNE	Prof. A. S. Pawar	22/06/2020	26/06/2020

Staff achievement for A Y 2019-2020 Mechanical

Sr. No.	Details of FDP/STTP/ Workshop attended	Organized By	Name of the staff	Duration	
				From	To
1.	STTP on Patenting for Innovation	Sanjivani College Of Engg., Kopargaon	Prof. T. Y. Badgujar	25/05/2020	29/05/2020
2.	FDP on Promoting Quality Culture in Technical Institutions	Internal Quality Assurance Cell Under UGC, Paramarsh Scheme	Prof. T. Y. Badgujar	25/05/2020	29/05/2020
3.	STTP on Patenting for Innovation	Sanjivani College Of Engg., Kopargaon	Prof. P. D. Jadhav	25/05/2020	29/05/2020
4.	FDP on Emerging Trends in Refrigeration & air conditioning	ISHRAE, Pune	Prof. P. D. Jadhav	01/06/2020	60/05/2020
5.	FDP on Futuristics Technology in Mechanical industries.	D Y Patil Institute of Engg. Management & Research, Akurdi	Prof. P. D. Jadhav	5/06/2020	9/06/2020
6.	Online FDP on International Faculty Awareness program	JSPM Jayvantrao Sawant COE, Hadpsar, Pune	Prof. P. D. Jadhav	11/06/2020	15/06/2020
7.	FDP on Internet of things	AICTE	Prof. P. D. Jadhav	4/05/2020	8/05/2020
8.	FDP on Innovative teaching pedagogy in the technical institutions	Internal Quality Assurance Cell Mvp' skbt College Of Engg., Nashik	Prof. J. R. Mahajan	1/06/2020	5/06/2020
9.	Workshop on Moodle learning Management system	Akhil Bhartiya Maratha Shikshan Parishad's Anantrao Pawar College of Engg. & Research, Parvati, Pune	Prof. J. R. Mahajan	4/05/2020	9/05/2020

WORLD CLASS INFRASTRUCTURE

Campus of LGNSCOE is located within Sapkal knowledge Hub situated about 22 km from Nashik towards Trimbakeshwar. The pleasant hill top site sprawling over 110 acres rests amidst nature with an omnidirectional beautiful panoramic view. It offers an excellent ambience and environment conducive to physical and mental development of student.

The academic and administrative building has 3 floors housing all instructional and administrative facilities including classrooms, computer center, library, library resource center, seminar hall, Principal's office, visitors lounge, staff rooms, admission office, placement office, stores, etc. All classrooms and Laboratories are equipped with modern audio-visual facilities including PCs & LCD Projection Facility.

Hostel

Boys Hostel building has a capacity to accommodate 108 students. The Girls Hostel has capacity to accommodate 40 students. All rooms are self-contained with bath/toilets and fully furnished with necessary basic requirements like beds, cupboards, study tables and chairs, fan, internet connectivity etc.

Laboratories

A laboratory is a facility that provides controlled condition in which scientific, research, experiments and measurements may be performed. The quality of laboratory can be identified by accuracy, reliability and timeliness of the reported test result. LGNSCOE has fully equipped laboratories in all the departments of engineering in order to provide equal practical knowledge to support its theoretical information. The Department of Civil Engineering has namely Basic Civil Engineering Lab, Surveying Lab, Geology Lab, Transportation Engineering Lab, Geotech Engineering Lab, Computer Lab, PG Research Lab, Strength of Material Lab, Concrete Technology, Engineering Mechanics Lab, and Environmental Lab. The Department of Mechanical engineering has established Metallurgy & Metrology-Quality Control Lab, Industrial Fluid Power Lab, Mechatronics Lab, Refrigeration & Air Conditioning Lab, Heat Transfer Lab, Thermodynamics & IC Engine Lab, Theory of Machines & Dynamics of Machines Lab, Fluid Mechanics & Turbo-Machines Lab, Computer Graphics & CAD CAM Lab, PG Research Lab and Workshop. The Department of Computer Engineering have Labs like Software Lab, Hardware Lab, Data Structure Lab, Network and Information Security Lab, Object Oriented Programming Lab, PG Research Lab, Multimedia Lab, Computer Lab, Project Lab and Software Development And Tools Lab. The Department of E & TC have also the laboratories like Basic Electronics Laboratory,

Communication Lab, Digital Electronics Lab, Power Electronics Lab, Electronics Design Lab, Embedded System Design Lab, Microprocessor & Microcontroller Lab, VLSI Design Lab, Optical Communication Lab, PG Research Lab. The Department of Electrical Engineering has established Basic Electrical Engineering Lab, Electrical Measurement & Instrumentation Lab, Control System Lab, Advanced Microcontroller Lab, Programming & Research Lab, Power Electronics & Drives Lab, Electrical Machines Lab, High Voltage Engineering Lab and Power System Lab. The infrastructure quality and functioning of the laboratories is as per with international standards.

Canteen

At college campus canteen facility is available for students. Hygienic food & aqua fresh water for drinking purpose is provided. Mess facilities are there for the students and staff those coming from city. Lunch & snacks are served at concessional rates.

Library

Library and Resource Centre of Late G. N. Sapkal College of Engineering was established in 2009. The mission of the Library and resource centre is to facilitate creation of new knowledge through acquisition, organization and dissemination of knowledge resources and providing for value added services. The main objective of library & resource centre is to support the educational & research programmers of the Institute by providing physical & intellectual access to information, consistent with the present & the anticipated educational & research functions of the institute.

Salient features of library& Resource Centre:-

- Open Access System for all our students & staff Members
- Internet / Multimedia / Scanning / CD Write facility
- Inter Library Loan facility
- Reprographic facility
- Bar-Code based books Issue/Return Facility
- Online Public Access Catalogue Facility
- On line E-Journal facility–
- IEEE
- ASME
- ASCE
- Science Direct (Engineering + Computer Science)
- ASTM Digital Library

The Library & Resource Centre has developed an excellent collection of books, journals and non-book material in science, engineering, technology, humanities, social sciences and management. It maintains separate collections of Reference Books, Video Cassettes & Compact Discs. The total collection of library till date is as follows:

Sr. No.	Collection	Total
1	Books/Volumes	14502
2	Titles	3578
3	National Journal	68
4	International Journal	02

Our Users can now access full text Journals and several important bibliographic databases on library Intranet network. Library has subscribed 1 Mbps bandwidth broadband internet connection.

Computers with internet facility for e-resources	24
Cds / Dvds	691

The library WEB OPAC gives the access to various open access E-resources, E-books, library book & journal collection, Syllabus, Question paper on the desk. Membership of other Libraries:

- Developing Library Network [DELNET]: New Delhi
- British Council Library Network India, Pune
- National Digital Library (NDL), IIT Kharagpur

Seminar Hall

A fully air conditioned with a seating capacity of over 250, serves as an excellent hall for seminars, guest lectures, technical paper/project presentation and screening of informative educational movies. The auditorium supports a very powerful audio system, LCD projected and comfortable seating arrangement. There is a sound collection of CDs, DVDs and CBTs.

Workshop

It is a place where the budding engineers understand the conversion process of raw material into finished product. The main aim here is to give hands on experience with the manufacturing processes to the upcoming technocrats. Mechanical engineering students learn more on welding, forging etc. During their final year, the students implement these skills and knowledge for their project work.

The workshops are equipped with state-of-the-art machinery and various set-ups to work, like a pattern shop, Smithy, Welding, Fitting, Machine shop, Carpentry etc.

The workshop superintendent and technical assistants are trained and experienced persons. They help the students to actively participate in projects and assist them with new ideas and innovations to enhance their creativity. Safety standards are met with utmost care during the practical hours of the students.

Medical Facilities

Round the clock free medical consultation is available for students & staff. A qualified and experienced Doctor is appointed by the college for any kind of medical emergencies on campus.

Welfare Schemes

- ✦ Fund/scholarship for lower middle class and reserved category students
- ✦ Earn & learn scheme for needy students
- ✦ Book bank scheme for students.
- ✦ Transportation facility.

Industrial Visit

Apart from academic curriculum, students are also exposed to understand the engineering applications and new techniques through industrial visits conducted by the various departments of the college. Industrial Visits are helpful for the students to get the practical exposure for the students. These visits had been conducted in various subjects of the students in order to meet the curriculum syllabus requirement.

Curricular and Extra-Curricular Activities

We understand that an engineering institute is not just about bricks, mortar and concrete but an opportunity to cultivate social, moral and spiritual values along with appropriate knowledge skills and attitude that last for lifetime. Our campus milieu prepares students to continuously learn from a multitude of different perspectives, still maintaining individuality and uniqueness. Students are encouraged to participate in seminars, workshop and sports activities at University, State and National level. Students of various departments represent the college in different competitions and have also won prizes. Masterminds will have an opportunity to work as a team and forge their ideas into master places.

Student Counseling

Professional counselors have been employed along with faculty members of LGNSCOE to maintain constant dialogue with the students & to sort out their problems at the grass root to guide them move ahead. Teacher Guardian Scheme for discussing and solving personal as well as academic problems/difficulties. This scheme also helps to improve academic growth of students.

Personality Development

MEDITATION and YOGA classes are organized by LGNSCOE to develop concentration & to improve mental ability of students. Seminars are conducted on various topics like stress management, personality development and communication skill improvement.

Visiting Faculties

LGNSCOE College has created several endowments to invite eminent personalities from the industry and renowned institutes to deliver the lectures on allied subjects. College had appointed the adjunct faculties from Industry and professional experience background.

Expert Lectures

Resource persons from various diversified fields are invited to deliver the expert lectures on latest trends in technology & engineering for the students & staffs.

Reprographic Facility

Two reprographic machines are available in the library for use of students..

Sports Facility

LGNSCOE has a separate playground for outdoor games like Cricket, Volley Ball, Badminton, Basket Ball and adequate facilities for indoor games like Chess, Carom and Table Tennis.

Annual Social Gathering

Annual social gathering popularly known as **ASTITVA** is organized every year to showcase the hidden talent with the students, almost all activities are covered here like singing, dancing, mimicry, painting, sports etc. previous year this was a huge success with all the student fraternity.

Students & Staff Grievances Cell

This Cell takes care of the suggestions and grievances of the students and staff at all levels of the college. Parents can also post their grievances either by e-mail or by directly meeting the Principal. The institution ensures that grievances / complaints are promptly attended to and resolved effectively with a mechanism to analyze the nature of grievances for promoting better stakeholder relationship.

Women’s Grievances Cell

As per University Grant Commission (Prevention, Prohibition & Redressal of Sexual Harassment of Women employee and students in Higher Educational Institutions) Regulations, 2013, Late G. N. Sapkal College of Engineering has Internal Complaints Cell which functions for maintaining the healthy and safe environment for girls & women on campus. So all the girls & women employees may approach the cell members to resolve their complaints if any and in turn to satisfy the cell objectives. The main objective of the cell to create a healthy environment in the campus where every women feels safe and self-confident without any problems relating to gender discrimination and sexual harassment. The Internal Complaint Committee is an educational resource as well as a complaint redressal mechanism for the members of faculty, staff and students of the Institute.

Following are the objectives of ICC.

- ✦ To provide a neutral, confidential and supportive environment for members of the campus community who may have been sexually harassed.
- ✦ To advice complainants of means of resolution as specified by the legislation.
- ✦ To ensure fair and timely resolution of sexual harassment complaints.
- ✦ To provide counselling and support services on campus.
- ✦ To ensure that students, faculty and staff are provided with current and comprehensive materials on sexual harassment.
- ✦ To promote awareness about sexual harassment through educational initiatives that encourages and fosters a respectful and safe campus environment.
- ✦ To develop healthy atmosphere for mutual learning.

Alumni Association

Late G N Sapkal College of Engineering Alumni Association is established to form liaison with our passout students. We are proud that Late G N Sapkal College of engineering Alumni are working in various reputed organizations across the globe. This Alumni Association has been registered with registrar of society’s as per society registration act 1860. The objective of this association is to increase the interaction among alumni and present student for the benefit of students.

Karmaveer Bahurao Patil Earn and Learn Scheme

The Savitribai Phule Pune University has sanctioned the Karmaveer Bahurao Patil Earn and Learn Scheme with the objective of supporting economically poor students to earn some money so that they can support themselves to fulfill their basic needs to some extent. We are running this scheme successfully. Our institute offers work to students under Earn and Learn scheme resulting into huge response. All enrolled students have appreciated the Earn and Learn Scheme. Late G. N. Sapkal College of Engineering is very thankful for the support given by Savitribai Phule Pune University to run this scheme.

National Service Scheme

National Service Scheme (NSS) Unit of the College aims at developing a sense of participation among the students in nation building through social work. It instills an understanding of social environment in students and enriches their personality through actual participation in day to day life of the society. This process of learning is not only a desirable supplement to the classroom education but develops a sense of responsibility, tolerance and cooperation in students. It also aims at providing them with an opportunity to interact with people to understand their needs and problems and enables them to create good personality.

NSS Unit of Late G. N. Sapkal College of Engineering, Nasik organizes as seven day special camp in the adopted village, Wadholi every year. The number of students –volunteers participating in this year camp was 33. NSS unit performed many activities this year as follows,

- ✦ Poster compilation regarding blood donation on Founder’s Day
- ✦ Historical places cleaning program in Anjaneri
- ✦ Village cleanliness awareness Programme
- ✦ Yog and Swastha Bharat Awareness Programme
- ✦ Medication for Youth and Addiction
- ✦ Tree plantation in college campus
- ✦ Hand wash awareness and rally in Trimbakeshwar
- ✦ Helmate Tally participation
- ✦ Swachhta Hich Seva participation in a cleanliness drive by Trimbak Nagar Parishad

SKH Cyber Club

We are raising cyber-security awareness by providing information and engaging our community in outreach activities through SKH Cyber Club. We are developing cyber-skills, training for cyber competitions. Our main purpose is to develop and encourage cyber security awareness and application by providing students with the tools and education they need to advance their cyber security careers. To accomplish this goal, we organize community outreach programs about security related topics, host tech talks and guest speakers and participate in security related competitions and conventions.

SKH Innovation Centre

The “SKH Innovation Center” is a incubation center for encouraging entrepreneurs talents among the students, faculty & researcher. It facilitates interdisciplinary research & provides incubation facilities to startup and budding entrepreneurs skill set. The innovation center planning to organize several events aimed at connecting Industrialists, Academician, Researchers, Staff & Students. This Centre is group of young enthusiastic college staffs & Students meant for personal & Professional growth of each through sharing Ideas & Plans. The main objective of this Innovation center is to encourage students & faculty for innovation, Idea generation & Product development.

Internal Quality Audit Cell (IQAC)

This cell functions for development and application of quality benchmarks/parameters for various academic and teaching-learning activities of the institution. The main objective of this Cell is to ensure that whatever is done in the institution for “education” is done efficiently and effectively with higher standards. In order to do this, the IQAC will have to first establish procedures and modalities to collect data and information on various aspects of institutional functioning.

Industry Interaction Cell

An active Institute - Industry and Institute - Institute Interaction Cell (I5 Cell) has been functioning in the Late G. N. Sapkal College of Engineering, Nashik. The function of the Cell is to promote closer interaction between the academic feld and the professional feld. Industry Institute Interaction Cell is established to provide closer links with industries. The purpose of the cell is to find out the gap between need of the industry and end product of the institute. The cell is the bridge between the industry, the real world and the institute. Industrial exposure of Faculty is very much helpful to guide students about latest industrial practices. Industries are able to know recent developments and inventions in their felds and implement projects for technologically driven economy. This Cell coordinate with industry for signing of MOU’s and it’s fulfillment.

Under this cell 42 numbers of industries were visited by our faculty members and students. Also 12 numbers of industrial projects were done by our students in the last academic year. We have also signed MoUs with different industries like APRAS Polymer and Engineering Pvt. Ltd. Nashik, Pooja Industries Pvt. Ltd. Nashik, Shree Ganesh Springs Pvt. Ltd. Nashik. and Arrow Engineering Services, Pune etc.

Students Grievances Cell

This Cell coordinate with mechanism for ‘Redressal of students’ grievances related to academic and non-academic matters, such as assessment, victimization, attendance, charging of fees, conducting of examinations, harassment by colleague students or teachers etc. There are students Grievance Cell at the Institute levels to deal with the grievances of the students. This Cell mainly focus on Prevention on Sexual Harrassment Committee and Anti ragging committee.

NPTEL Local Chapter

NPTEL Local Chapter has been started from Jan. 2017. It is one of the value additions towards the institute. NPTEL Course contents are useful for students and teachers to improve the quality of learning. In addition, the course materials are freely accessible by everyone independent of their geographic location. These courses can be used by professionals for updating their academic background. The contents helps for focused learning and providing a common set of standards for professional education in India through participation by everyone concerned under this platform. NPTEL has been offering self-study Open online courses along with certification. Through this online portal, 10hr, 20hr and 30hr courses of 4, 8, and 12 weeks duration respectively in various engineering disciplines, sciences, humanities, management and research that includes relevant exposure to tools and technologies, are currently being offered by NPTEL.

Media Centre

This cell organizes and displays videos and Information found on both local and networked computers. Video albums are arranged with accompanying and can be downloaded off the Internet automatically or added manually into Media Centre. Digital learning is any type of learning that is facilitated by technology or by instructional practice that makes effective use of technology. It encompasses the application of a wide spectrum of practices including: blended and virtual learning, classroom technologies.

Reservation Cell

This cell is constituted for the monitoring and maintaining facilities of the backward class students and staff of our institute. The cell look into the discriminating complaints received from the backward class students and staff. The cell provide required information to statutory regulating authorities for answering their queries with respect to reservations data/information ensure proper implementation of various schemes of University Grants commission/Government of India/State Government introduced from time to time. This cell takes efforts in maintaining a work environment wherein faculty and staff members from different community work in a coherent environment. This cell ensures that various scholarships program of State/central Government and UGC are intimated to SC/ST students by the administration.

Academic Monitoring Committee

The Academic Monitoring Committee (AMC) is constituted for the monitoring of academic activities of our institute. This Committee helps Effective Teaching Learning System of the institute. One staff member from each department acts as member of this Committee. This committee ensures that students will attain the classes regularly in proper uniform. This committee takes time table, roll call list and monthly report from each staff that gives information about syllabus completion, Assignments, Class test, Industrial visits, Industrial Training and Expert talk arranged for students. This committee takes attendance records at every month, feedback from students twice in semesters and corresponding correcting information, suggestions are given to the concerned. This committee takes result analysis after every exam.

Competitive Exam Cell

The competitive exam cell has been established to motivate students to appear for various competitive exams. The objectives of this cell are:

Motivation: To motivate students to pursue prospective career in public and private sector.

Enlightenment: To inform by circulation of literature, brochure and other means about various competitive

examinations.

Guidance: To guide students for competitive examinations like UPSC, MPSC, GATE, GRE, TOEFL, GMAT, CAT, Defence services, Banks, Railways, Public sectors and corporate, etc.

Grooming: To conduct seminars and workshops on preparing for facing group discussions and personal interviews.

Training: To train students in communication skills (verbal and non-verbal) by conducting mock interviews.

SKH Art Club

The SKH Art Club’s primary purpose is to promote the students in the fields of painting, drawing, music, drama and elocution to contribute in their holistic development. The objectives of this cell are:

- ✦ To provide platform for the students to explore their hidden talents.
- ✦ To improve student’s ability to understand, analyse, discuss and create - dance, drama, music and creative writing.
- ✦ To make the students more active in their academics by providing a platform for recreation and self-expression.
- ✦ To increase participation of student’s in inter-college or intra-college activities.
- ✦ To develop students attitude for appreciating every piece of art.

Entrepreneurship Development Cell

Entrepreneurship Development Cell (EDC) designed to develop a strong base for entrepreneurial and management skills. These critical tools will help the participants face any challenge in their career. LGNSCOE places a strong emphasis on entrepreneurship as a means to creating value for organizations and the development of leadership competencies. The methodology adopted according to various subject's objectives and the skills, attitudes and behavioral patterns to be fostered. Though classroom theory is important for acquiring management knowledge but there is no substitute for practice in order to ingrain the entrepreneurial decision making skills. To this end, the pedagogy includes case study discussions, simulation games, teamwork, tutorials among other activities. The students are given opportunities to interact, challenge points of view and discuss business situations on an academic platform with resource persons.

Teaching Learning Development Cell

- ✦ This cell is formed to achieve following objectives:
- ✦ To identify and organize Quality Enhancement Programs for Teachers and Students.
- ✦ Share the research findings and develop networking with other institutions in India and abroad.
- ✦ Develop and apply the quality benchmarks/parameters for various academic and administrative activities of the institute.

- ✦ Facilitate the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- ✦ Arrange for feedback response from students, parents and other stakeholders on quality-related institutional processes;
- ✦ Disseminate information on various quality parameters of higher education;
- ✦ Documentation of the various programs/activities leading to quality improvement;
- ✦ For enhancement and integration among various activities of the institution and institutionalize many good practices.
- ✦ To provide a sound basis for decision making to improve institutional functioning.
- ✦ To act as a change agent in the institution.
- ✦ To better internal communication.

Health, Safety and Environment Cell

The Health, Safety and Environment Cell constituted for the different issues related to health, safety and monitoring of our institute. In our institute, safety & security of all has always been a priority. The Cell helps to provide different Green Practices, Plastic free campus, Paperless office, Green landscaping with trees and plants. The Cell oversees the development and monitors the implementation of the College’s Health & Safety Management System, Environmental Management System. The Cell assists faculty, staff, and students in maintaining a safe work, and laboratory environment. The Cell work for minimizing the hazards associated with improper ventilation and chemical handling, and excessive chemical, noise, and temperature exposures. The Cell arranges seminar and safety workshops on Health, Safety and Environment.

Discipline Monitoring Committee

- ✦ To ensure peaceful academic atmosphere in the campus.
- ✦ To wear uniform and I cards during college working hours.
- ✦ To initiate steps to reduce violence in future.
- ✦ To maintain proper discipline in the college Canteen, Student common room and the student mess during the College Working hours.

Research Advisory Committee Cell

To render advice and guidance for future growth on research related issues to the top management a “Research Advisory Committee” is being constituted with experts from various research institutes and industries. The committee will provide advice on Academic Research, Sponsored Research, Consultancy, Industrial Training etc. The scope of the activities foreseen for the committee include,

Industry Interaction Cell

- ✦ To provide policy guidelines and direction for the growth and development of research activities
- ✦ To advice on thrust areas and disciplines for introducing research programs and related activities for future development in research.
- ✦ To suggest measures for improving existing infrastructural facilities for academic and sponsored research.

Sports Centre

- ✦ The objectives of this cell are:
- ✦ Deciding the participation event in inter college competition under sppu, Pune.
- ✦ As per decided sports event, purchases Material of sports.
- ✦ Attend the meeting of Nasik zone Local sports committee.
- ✦ As per time table of sports, send team of sports for the competition.
- ✦ Keep Record of all sports participation.
- ✦ Committee will be deciding regarding Annual sports meet.
- ✦ For the Annual sports meet, purchase event wise trophies, medals & certificates.
- ✦ Committee should keep records of all sports events.
- ✦ Committee should keep Discipline of all college campus.

Hostel Monitoring Committee

- ✦ Visit to hostel & enquiry to hostel students.
- ✦ Check the facilities & discipline of boys & Girls.
- ✦ All information should be informed to respective Heads of Departments and try to solve the problems of students.
- ✦ Keep Record of all outsiders visit to hostel.

Institute Research Journal Publication Committee

- ✦ The objective of the journal is to provide a platform to Students, faculty, research scholars and practitioners of Engineering & Science discipline globally to highlight new knowledge, innovation & technology.
- ✦ The Journal aims to provide:-
- ✦ The journal aims to follow international benchmarks in papers selection, refereeing, editing, proofing and production as per the latest methodology and standards.
- ✦ A valued resource for educational research institutions, other inter-related institutions and scholars fascinated in keeping abreast of legal studies and research nationally and globally, including:
- ✦ Original and logical thinking
- ✦ Existing and new legal studies and development
- ✦ Examination of case Study
- ✦ An opportunity for facilitating the participation and encouragement of younger and talented academics.

STUDENT GUIDELINES GENERAL CODE OF CONDUCT

The general code of conduct of Late Gambhirrao Natuba Sapkal College of Engineering (herein after referred to as the ‘Institute’) for all students enrolling / enrolled with the Institute for pursuing various courses. This code of conduct is mandatory for all students and they should be aware of the rights, responsibilities and restrictions emanating from it. The code of conduct applies to all kinds of conduct of students that occurs on the Institute premises and any Off-campus conduct that has or may have serious consequences or adverse impact on the Institute’s Interests or reputation. The students are requested to be well aware of the Code and observe it diligently.

✦ I. General Conduct

- ✦ It is responsibility of the student to:
- ✦ Carry at all times their identity cards and produce them for inspection when requested by any member of the faculty or staff and campus security guards.
- ✦ Attend all lectures and practical sessions or have 100% attendance. However, minimum 75% attendance is mandatory to qualify for appearing for the university exams.
- ✦ Obtain prior permission from the Head of Department and Principal in the prescribed form to remain absent. He/she should clearly state the reason of absence along with supporting documentation.
- ✦ Behave and present themselves properly in class as well as in the campus. Students will generally be in the college uniform for normal classes. Slippers, short pants and vest type tee shirts without collar are not allowed in the classrooms. For specific functions and events the students should have formal dress including a blazer and tie. Foster and maintain a vibrant academic, cultural and social atmosphere which is consistent with the goals of the department and institute.
- ✦ Strictly avoid smoking and consumption of liquor, tobacco, gutka, drugs or any such intoxicating substances as they are strictly prohibited in the campus. Anybody found in possession or under the influence of such items would face severe disciplinary action.
- ✦ Regularly read the notices relating to class schedules (i.e. time table), activity schedule, examinations, etc. The institute will not accept any responsibility for loss of any advantage by a student on account of his/her failure to do so.

- ✦ Use vehicles entirely at their own risk. Vehicles should be parked only in the designated areas. Not undertake any Educational tours or Industrial visits without the prior approval and permission of the Head of Department and Principal. During industrial visit, the students will be accompanied by the institute staff. However, the institute will not be responsible for any unforeseen incident that takes place during these activities and no claims in such cases will be entertained by the institute / management.
- ✦ Abstain from intentionally damaging or destroying Institute property or property of other students and/or faculty members.
- ✦ Avoid any disruptive activity in a class room or in an event sponsored by the Institute.
- ✦ Avoid interaction with media representatives or invite media persons on to the campus without the permission of the Institute authorities.
- ✦ Not provide audio and video clippings of any activity on the campus to media without prior permission.
- ✦ Use the social media carefully and responsibly. They cannot post derogatory comments about other individuals from the Institute on the social media or indulge in any such related activities having grave ramifications on the reputation of the Institute.
- ✦ Follow the principles of academic integrity which require that a student avoid cheating. Cheating includes, but is not limited to copying during examinations, and copying of homework assignments, term papers, thesis or manuscripts. Similarly allowing or facilitating copying, or writing a report or taking examination for someone else, fabricating (making up) or falsifying (manipulating) data and reporting them in project and publications, signing another student’s name on an assignment, report, research paper, project or attendance sheet is also offensive.
- ✦ Notify any change of address in writing to the institute’s office.

In case, a student is required to discontinue his / her studies at Late G N Sapkal College of Engineering, such a student will be relieved from the Institute with the written permission of the Principal. Before relieving, the student will be required to clear pending hostel / mess dues and if a student had joined the institute on a scholarship, the said grant will be revoked.

II. Disciplinary Action

The attitude and behaviour of every student must demonstrate his/her commitment to Late Gambhirrao Natuba Sapkal College of Engineering's vision, mission and the processes of the institute.

Any violation of the code of conduct may lead to his/ her termination as student or debarring from examinations.

Similarly damaging Institute's property may attract heavy fines or replacement of the same.

Any damage to hostel property, misconduct in hostels, sexual harassment, ragging, intoxication found inside the campus will lead to strict disciplinary action of termination.

Mobiles should be in switched off mode during college hours and within any of the academic areas such as classroom, library and laboratories and administrative area.

Anti-RAGGING PROVISION

Action against ragging: The institute implements the provisions made in the 'Maharashtra Prohibition of Ragging Act, 1999' and are as follows:

- ✦ Ragging within or outside the Institution is prohibited.
- ✦ If any incident of ragging comes to the notice of the colleges authorities, the accused student/s will be given an opportunity to explain & if his/her explanation is not satisfactory, the college authorities would expel him/her from the college.
- ✦ Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside the institute shall, on conviction, be punished with imprisonment for a term up to 2 years and / or a penalty which may extend to ten thousand rupees.
- ✦ Any student convicted of an offence of ragging shall be dismissed from the educational institution.
- ✦ In case of any legal dispute, all matters will be subjected to Nashik District Jurisdiction only.

ADMISSION PROCEDURE

The complete admission process is governed by the Directorate of Technical Education (DTE), Mumbai to ensure its transparency, fairness and objectiveness.

Students are requested to regularly visit the DTE website: www.dte.org.in to avoid loss of admission and eligibility and check the procedural guidelines.

Candidates selected for admission in this institute are required to complete the admission process on or before the stipulated date as per the following requisites:

Fee Structure

The Annual Tuition Fee shall be decided by the Shikshan Shulk Samiti, Higher and Technical Education, Govt. of Maharashtra – as per its regulatory norms.

Office Working Hours (Monday – Saturday)

For Payment of Fees 10:00 AM to 04:00 PM

Documents Required:

- ✦ SSC & HSC Marksheet.
- ✦ MH-CET/JEE Main Score Card.
- ✦ HSC Leaving Certificate.
- ✦ Indian Nationality Certificate.
- ✦ Domicile / Birth Certificate (MS).
- ✦ 03 Passport size photos.
- ✦ Cast Certificate (SC/ST/NT/VJ/DT/OBC/SBC).
- ✦ Cast Validity Certificate (SC/ST/NT/VJ/DT/OBC/SBC).
- ✦ Non Creamy Layer Certificate (NT/VJ/DT/OBC/SBC).
- ✦ Income Certificate of Parents (AI < Rs.6 Lac) (EBC/TFWS).
- ✦ Aadhar Card.
- ✦ Aadhar linked Bank Account.
- ✦ Two self-attested photo copies of all above mentioned documents.

SKH Astitva 2020 GLIMPSES OF ANNUAL SOCIAL GATHERING

SKH Astitva 2020 GLIMPSES OF ANNUAL SOCIAL GATHERING

Dr. Rajendra Shingane, Food & Drug Administration Minister, Govt. of Maharashtra, Visited the Sapkal Knowledge Hub campus and donated Arsenic Album-30 medicine.

Hon. Dr. Ravindra Sapkal, donated PPE Kit, Face Shield & N-95 Mask to the Representative of Taluka Administrator & Public Health Department - Trimabekshwar.

Mr. J. P. Dange, Chairman, Admission Regulating Authority, Maharashtra State, Visited the Sapkal Knowledge Hub campus.

Prof. Dhananjay Pandey, Founder Vice-Chancellor of Banaras Hindu University, Visited the Sapkal Knowledge Hub campus.

Hon. Dr. Ravindra Sapkal was live on Facebook for open discussion organized by YIN Sakal.

Dattatray Sunil Patil the student of LGNSCOE, Mechanical Engineering Department made sanitiser dispenser.

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

Civil Department has organized a Workshop on "Remote sensing and GIS Training" on 8th August 2019.

Computer department has arranged an Expert talk on "Google ML Program".

Civil Department has arranged a guest lecture on "Golden Opportunities for Civil Engineering in Government Sector" on 23rd January 2020.

Civil Department has arranged a guest lecture on "Practical based on various function available in total station" and "Structural Geology and its Application in civil Engineering" on 24th February 2020.

Civil Department has arranged a "Cancer Awareness Campaign" on 04th February 2020.

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

Hon. Shri. Shashiaknt Jadhav, President of NIMA, Nashik and Hon. Dr. Ravindra Sapkal, CMD, SKH, during the "Graduation Ceremony" of SPPU held at Sapkal Knowledge Hub.

Computer department has organized a Workshop on "Android Technology".

Computer department has organized a Seminar on "Red Hat".

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

Electrical Department has organized One Day Seminar on "Advance Trends in Power Electronics in MATLAB" on 25th September 2019.

Electrical Department has arranged One Day Session on "Guidance for MPSC & UPSC Exams" on 25th September 2019.

Electrical Department has arranged Expert Talk on "How to Crack GATE Exam" By GATEFORUM Nasik.

Mechanical Department has celebrated "Road Safety Week".

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

Teachers Day, Engineers day and 6th ASSET Anniversary, celebration by E&TC Department.

Two days workshop on "PCB designing & Simulation using Proteus" organized by E&TC department on 11th and 12th September 2019.

Savitribai Phule Jaynti celebration by E&TC department on 03rd January 2020.

E&TC department has organized One day seminar on "Red Hat Linux", 29th January 2020

Science day celebration by E&TC department on 28th February 2020.

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

E&TC department has organized a seminar on 'Gender Equality' on the occasion of Women's Day.

Six Days (23rd Sept 2019 to 28th Sept 2019) Training and Placement Program on "Employability Enhancement" organized by T&P Cell.

TEAM RESURRECTORS

The team of 34 students of Mechanical Engineering Department (Team Resurrectors) is participated in Rally Car Design Challenge (RCDC) at Thar Desert, Bikaner (Rajasthan) 1st Oct 2019 to 4th Oct 2019. Team Resurrectors with vehicle "Athena" was performed well in the event and received first got prize in category of "Best Business Plan".

Team has 1) Won Second Prize as Overall Runner up of Rs. 25000/-, 2) Winner of Design & CAE, 3) Runner up of rock test. 4) Runner up of endurance test.

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

Every year Late G. N. Sapkal College of Engineering organizes a technical event called "TECHNOFEST". This year due to Covid-19 pandemic situation, the Institute had organized an online event "SKH E-Project Competition" between 31st May to 10th June 2020, to share the talent of students by using this platform. For this event we received more than 4000 entries from Maharashtra as well as from other states too.

The Prize distribution ceremony of this event was organized on 8th August 2020 in campus. Competition Winners facilitated with 1st winner Cash Prize- Rs.2100/-, 2nd winner Cash Prize- Rs.1500/- & 3rd winner Cash Prize- Rs.1100/ along with Certificates & Bokeh

GLIMPSES OF VARIOUS EVENTS ORGANIZED DURING ACADEMIC YEAR 2019-20

Celebration of "Kalavishkar-2019" organized by SKH ART CLUB.

Yoga Day celebration on 21st June 2019 by NSS Volunteers & Staff.

Ganapty Visarjan – Idol Collection Activity by NSS Volunteers & Staff on 12th September 2019, at Satpur & Gangapur Road Nashik.

Organized Poster Competition on Gandhian Thoughts and Cultural Activities on the occasion of NSS day-24th Sept. 2019, by NSS Volunteers & Staff.
