INAUGURATION OF FINANCE CLUB

Department of Artificial Intelligence & Data Science Late G. N. Sapkal College of Engineering, Nashik

We are delighted to announce the successful Inauguration Ceremony of the **Finance Club**, organized by the Department of Artificial Intelligence & Data Science at Late G. N. Sapkal College of Engineering, Nashik.

The event was further enriched by the guidance of Mr. Siddhartha Agrawal, in the presence Dr. S. B. Bagal, Principal and Prof. S. R. Baji, HoD - AI&DS Department, along with faculty members and students.

The Finance Club has been established as a platform to promote financial literacy and practical money-management skills among students. It aims to connect classroom learning with real-life financial practices through interactive activities, expert sessions, workshops, quizzes, and case studies. The club will also create awareness about savings, budgeting, banking, digital payments, investment basics, and safe financial practices

Key Highlights of the Finance Club

- Financial Literacy & Money Management
- Savings, Budgeting & Smart Spending
- Banking, UPI & Digital Finance Awareness
- Investment Basics, Mutual Funds & SIP Awareness
- Financial Quizzes, Case Studies & Interactive Activities
- Cybersecurity and Awareness of Financial Fraud
- Expert Sessions, Career Awareness & Industry Interaction
- Practical Learning and Responsible Financial Decision-Making

The inauguration marks an important step towards building a financially aware and responsible student community. Through practical learning and engaging activities, the Finance Club will empower students to make informed financial decisions and develop useful money-management skills for the future.
