Formation of ADSA Committee for year 2026-27 and Inaugration of ADSA Events.

LATE G. N. SAPKAL COLLEGE OF ENGINEERING, ANJANERI, NASHIK

REPORT ON OPENING OF ADSA Activities

Academic Year 2026–27

Department: Artificial Intelligence and Data Science (AIDS)
Academic Year: 2026–27

1. Introduction

The Department of Artificial Intelligence and Data Science (AIDS) of **Late G. N. Sapkal College of Engineering, Anjaneri, Nashik** organized the **Opening Ceremony of the ADSA (AIDS Department Students' Association) Committee** for the academic year **2026–27**.

The event was graced by the presence and guidance of Dr. S. B. Bagal , Principal, LGNSCOE and Prof. S. R. Baji , HoD, AI & DS Department, along with faculty members.

The objective of forming the ADSA Committee is to provide students with a platform to develop their technical knowledge, leadership qualities, communication skills, teamwork, creativity, and overall professional competence. The association will organize various technical, academic, cultural, co-curricular, and extracurricular activities throughout the academic year.

The major objectives of the ADSA Committee are:

1.To encourage students to participate in technical and academic activities.
2To develop leadership and organizational skills among students.
3.To provide opportunities for students to showcase their technical and creative talents.

4.To organize workshops, seminars, guest lectures, coding competitions, and technical events.
5.To promote teamwork, communication, and professional skills.
6.To encourage innovation, research, entrepreneurship, and project-based learning.
7.To strengthen interaction between students and faculty members.
8.To create a positive and active academic environment within the AIDS Department.

3. Inauguration Programme

The programme commenced with a warm welcome to the dignitaries, faculty members, and students. The gathering was addressed by the Head of the Department, who highlighted the importance of student associations in the overall development of engineering students.

The newly formed ADSA Committee for the academic year 2026–27 was formally introduced to the students. The faculty members motivated the newly appointed committee members to take responsibility and actively contribute towards organizing meaningful activities for the students.

The committee members were encouraged to work with dedication, coordination, discipline, and a spirit of teamwork. The importance of technical skills along with communication, leadership, creativity, and problem-solving abilities was emphasized.

5. Proposed Activities

During the academic year 2026–27, the ADSA Committee proposes to organize various activities such as:

1. Technical Workshops
2. Guest Lectures
3. Coding Competitions
4. Quiz Competitions
5. Project Exhibitions
6. Hackathons
7. Paper Presentation Competitions
8. Poster Presentation
9. Expert Talks on Artificial Intelligence and Data Science
10. Career Guidance and Placement Sessions
11. Entrepreneurship and Innovation Activities
12. Cultural and Sports Activities
13. Alumni Interaction
14. Industrial Visits
15. Various Department-level Competitions
